Howe Adopts New City Flag

The New Howe Flag

Former Howe Flag

Keep Howe Beautiful made their second presentation to the city council last Tuesday night to completely overhaul the look of the city flag. The first attempt was tabled in February until bids could be made to produce the flags. After determining that the flag had to be two-sided instead of one, the council agreed to move forward to approve the changing of the flag. The winning bid came from Lone Star Banners and Flags out of Fort Worth.

The logo inside the white flag is the same that now exists on all city owned vehicles (other than police) and it is the new logo on the website for the city (www.cityofhowe.org). The logo was designed by the web designer of the city home page with help from Mayor Jeff Stanley.

Plans are for the new flag to be dedicated on May 10th at the Founders Day celebration.

Howe's That ?

It's been a pretty interesting week. I would say the initial response of The Howe Enterprise has been overwhelming. I understand as much as anyone the need for a local rag, er uh, social media news source for our city. We received 217 subscriptions in our first 24 hours. The Enterprise is obviously free to read, but we currently ask you to please like, comment and especially share our information just so we know you're there and for our advertisers to understand you're there. In all honesty, they're the only way this thing stands a chance. I hope you all will help me keep this community project going by simply giving it a thumbs up on Facebook. And I won't lie, it's been a pretty fun week.

I will be trying to round up some pillars of our community to create a promotional video for The Howe Enterprise's return to the city. Hopefully this will get done before the next publication.

Howe Teachers

Get Cold Hard Cash

Due to the strange icy weather that we've experienced, the school has missed an unusual amount of days so far this year. What most people don't realize is that teachers have a threat of not getting paid. At the monthly school board meeting on Thursday evening, the board voted that the teachers should not miss out on their regular income due to inclement weather.

"We've missed 6 days of school due to snow and ice this year and we have 2 bad weather days built in to our calendar, and we've applied to TEA to waive the other 4 days so that we don't have to extend our year into the summer," says Howe ISD superintendent Kevin Wilson.

North Field Complete

The renovations by the City of Howe along with Howe Youth Baseball to North Field totaled to \$12,920.99. The new netting and fencing was contracted to T&O Fence Company. The concrete work was done by Lino's Concrete & Construction Services while the concrete was purchased at a discount from Latimore Materials. Mueller Inc got the bid for the dugout roofs. This project was first presented to the city council back in January by Howe Youth Baseball Commissioner Scott Thurman. The council approved to fund the majority of the project and work began immediately.

Haning St. Crepe Myrtle Project

Twenty Red Rocket Crepe Myrtles were recently purchased by Keep Howe Beautiful for a project on Haning Street. The organization wanted to make Howe's most driven street an eye-catching experience. Residential owners of each property were contacted for permission to place one crepe myrtle in each yard from US 75 to Hwy 5. Dig tests by the city of Howe are currently underway so that no lines are severed with the planing of the trees. The city has agreed to provide water to the trees by way of fire trucks. The trees were purchased from Green Acre Garden Center in Van Alstyne who made a contribution in kind to the effort. The trees are scheduled to be planted on Saturday, March 29.

Mar 15th - HPD Officer Gaunnt arrested arrested 22 yr old Brent McKinney of Denison for DWLI after stopping him for an equipment violation on NB US Hwy 75.

Mar 16th - HPD Grant and Jones arrested a 26 year old Howe man for outstanding warrants after stopping him for a traffic violation. He was booked into the Grayson County Jail for FTA, No Insurance and DWLI with previous convictions.

Mar 20th - HPD Officer Clark was dispatched to a possible intoxicated driver on Hwy 75 SB near FM 902. He located and stopped 26 year old Rebecca Miller of McKinney for a traffic violation. According to Officer Clark, MILLER smelled of an alcoholic beverage and failed a sobriety test. MILLER was arrested and booked into the Grayson County for DWI.

Mar 23rd - At approx 1:20a HPD Officer John Grant arrested 25 year old Jorge TORRES for DWI after stopping him for driving 90 mph on US Hwy 75. TORRES smelled of an alcoholic beverage and failed a sobriety test. He was also found to have an outstanding HPD traffic warrant for his arrest.

Mar 23rd - HPD Sgt. Mike Hill and Grayson SO Deputy Soto responded to a report of a man with a gun who forced his way inside a residence in the 700 block of N. Collins Freeway. Upon arrival, officers encountered 24 year old Brandon PEREZ of Anna, Tx standing inside the open back door of the mobile home, armed with a 9mm pistol. PEREZ eventually complied with officer's orders to put the gun down and surrendered. Investigation revealed that PEREZ forced entry into his estranged girlfriend's residence and threatened two adult men and his (PEREZ') girlfriend at gunpoint. PEREZ was arrested and booked into the County jail for 3 counts of Aggravated Assault with a Deadly Weapon, Felon in Possession of a Firearm, and Child Endangerment. A two year old child was inside the residence at the time of the altercation.

Pastor Serving over 20 Years in Howe

It's hard to believe that it's been 22 years since a young dark-haired overly mustached preacher came riding in to town to preach at First Baptist Church in Howe. As the years have gone by and the times have changed, one thing has always remained the same. On Sunday morning, the Word of God will be transmitted through Roger Tidwell on Davis Street in Howe.

Mr. Tidwell was called to the ministry while a young man living in Dallas and working for his father and the more he grew in the business, the more he became dissatisfied with it. He began to get heavily active in his church and his walk with The Lord. He finally went and talked to his pastor about it who informed him that it sounded like he might be called to the ministry. So he started studying the Bible and started preparing a sermon and became excited and more and more satisfied when studying the Word and became on fire for Christ.

Tidwell was pastoring a little church in Austin, Texas. Looking to grow as his family grew, he contacted the Director of Missions in Austin who had previously pastored in Whitewright, Sherman and Denison. He informed Mr. Tidwell that First Baptist Church in Howe was looking for a pastor and even wrote a letter of recommendation for him. After the going through the interview process and being heard by the committee, he was called in the spring of 1992.

Mr. Tidwell spoke of Howe's close-knit community. "I would have given my right arm to grow up in Howe, Texas as a kid. People support these kids in Howe whether they are church kids or school kids or band kids or football kids or whatever. They are not just supportive in good times, but they are supportive in not so good times as well." Mr. Tidwell said.

Former Howe Student To Preach at First Baptist Dorchester

Stephen Dedman has been called to be the Pastor at FBC Dorchester and will start serving on April 6, 2014. Dedman's family moved to Howe in 1981 and became members of FBC Howe. It wasn't too long after that, while in Kindergarten, he was seriously injured in a car accident that took the life of his younger brother. Six months later, he lost his mother to cancer. Her last request was for her husband to keep Stephen and his brothers active and involved in church. Stephen was saved in a Spring Revival at FBC Howe when he was in the 2nd grade. He graduated from Howe in the Class of 1994. Next week's edition will feature a full story on the return of Mr. Dedman.

When asked about his favorite book in the Bible, Mr. Tidwell said that it depends on what he's going through in his life at that time. "Hard to beat Psalms and Philippians, but if I had to pick one, it would be Philippians."

When asked about his favorite scripture, he said Romans 1:16 which reads, "For I am not ashamed of the gospel, because it is the power of God that brings salvation to everyone who believes: first to the Jew, then to the Gentile."

Mr. Tidwell is a pretty funny

individual who often uses self-deprecating humor. He's a humble man who doesn't thrive for the lime light, but gives the Glory to God for all things good.

Mr. Tidwell can also be heard at each Friday night home varsity Howe Bulldog football game as he serves as "The Voice of Bulldog Stadium."

He said, "I think God put me on this earth to pastor First Baptist Howe. I will stay until I retire or die...or get fired. This is it for me. This is home."

BULLDOG SPORTS

Over the weekend, Howe junior Joaquin Lopez was set to compete at state in Abilene for powerlifting in bench, squat and deadlift. However, Lopez had hurt his back the previous week at regionals and was scratched before the competition. He was accompanied by Howe coach Nick Grimes. Lopez also plays football for the Bulldogs.

PEOPLE

By Mame Roberts

This is a story of a former Howe boy who has won success and fame and remembers with pride and loyalty that he was born and reared at Howe.

Jewel (Mule) Davis of Lubbock was born and reared at Howe, the son of Mr. and Mrs. John Davis, prominent pioneer settlers of Grayson County.

The John Davis family was large. There were four sons and five daughters. Remembering them as they all attended Howe schools, Sunday school and church, driving in from their big home a mile east of Howe in a fringed-top surrey before the automobiles. There were Fred, Roy, Jewel and Bill; Lela, Winnie, Artie, Alma and Myra. They were a closely knit family, all proud of their heritage and opportunities.

Jewel's first success and fame came while a student at Texas A&M College where he became prominent in athletics and won the name of "Mule" as a star player in football. He transferred to Texas Tech at Lubbock and for many years was head

coach at Lubbock High School and was widely known in athletics throughout the Southwest.

Greater success came to Mule through the teamwork of his lovely wife, Liz, in business — the Davis Camp near Las Vegas, New Mexico, for the youth of the Southwest and also adults.

"Camp Davis" has become a recreational center of national fame, a place where teamwork, careful supervision and love for humanity has paid off.

Mule and Liz come back home to worship at the church in Howe where the Davis family grew up. Always loyal and proud of Howe.

DOGS! DOGS!;

I have a problem with two yellow dogs. One is small, has a cute curl in his tail, seems to have spent a lot of time in the house. The other, a large bobtail, could be a boxer. He sleeps in my tulip bed. Owners will please collect said dogs and keep them at home. If you have trouble catching them, come to 916 South Maple.

Mrs. W. P. McDaniel.

KEEPING YOUR MIND RIGHT

By Mrs. Lillie Overbey

Your mind controls your body. Keeping the mind right is essential through life; letting your mind guide you from evil thoughts through life.

Don't do anything or say anything which you think might be wrong. The Lord reminds you it's wrong when you think it is wrong, so don't do or say it; it might be wrong.

Keep your mind on the right things and not on the evil things.

Love everyone. Pray for the ones whom you think do not like you. That's been my motto for years.
