

Howe's That

by Monte Walker

Thankful For...

I'm thankful for the Father the Son the Holy Spirit for everlasting life; my beautiful wife for her devotion and love; our two boys that have huge hearts; a home that is safe to protect my family; my mom who has given me the burning desire to be the best at everything I do; my dad for giving me the wisdom to do things the right way in my quest at being the best at everything I do; Papaw Walker who shared with me his enormous heart; Mamaw Walker for disciplining me; My aunt Pearl Smith for her quiet, stoic nature...and her plum jelly toast, pet milk coffee and hot wheels at Christmas; My aunt Lady who spoiled me to no end; For my job(s) of getting to promote the greatest small town in America; my childhood best friend Chris Garner who I competed against at everything only to most times come up just a little bit short; Jim Fryar for making me earn my way; Joey McQueen who taught me it's okay to tell your players that you love them; Billy Hill who showed me you don't have to be voted in to be a leader; Bill Harrison who said, "business leaders don't call in sick"; the hard lessons I learned early in life that have shaped me to be I am today; the true heroes that have served our country to make it the best place to live in the universe; the little things like sharing a hotdog at the ballpark or shooting hoops in the backyard with the kids; enjoying the moonlight evening with my wife; coaching kids which gives me the opportunity to mold and shape them into young men and to keep passing the torch; second chances and third chances; positive minded people; the advertisers who make this possible and for the readers that love Howe as I do.

Howe finishes 10-2; equals best record

The approachment of downtown coming up Haning Street put a certain "Dandy" Don song in the heads of those over-40 Bulldogs fans. The Victory Light may be turned off for the next nine months, but the darkness of the downtown corner doesn't drown out the ability to reflect on one of the greatest seasons in Howe Bulldogs history. All this 2015 team did was reiterate to Howe and surrounding communities that the 'Dogs are in a new era under the direction of proven leadership and are enjoying the fruits that come with rallying a school, a city and yes, people all over the country. A certain swagger and pride once again drips

from the lips of those who call Howe home. For those fairly new to the Howe community, this is something new. For those who remember "Dandy" Don's famous late Monday night downer opera, it's

been a long time.

While a good football team shouldn't reflect the reputation of a school and city, in Small Town, Texas, it does. A great marketing plan is essential for a city's

economic development program, but a good football team may in fact be more important.

Howe (10-2) won the coin-toss and Coach Zack

Howe Christmas Parade theme is "Victory Town"

With what has taken place over the past 12 months with the Bulldogs winning four gold footballs in 12 months and the Lady Bulldogs collecting their hardware on the basketball court and softball fields, one could very easily refer to Howe as "Victory Town" - at least for this one

year. The Howe Area Chamber of Commerce is labeling Howe that for one night anyway and has named this year's annual Christmas parade theme in fact, "Victory Town."

The chamber is not charging a fee for entering a float in this year's parade

that starts at 4:30 pm on Saturday, Nov. 12. Howe's newest version of the chamber formed this time a year ago and are still in growth mode.

The parade route will not change from last year as the trip through downtown sparked an excitement from the community. Floats will line up at the Howe Community Library and make the trip from Beatrice Street to Duke Street and then left on Denny Street (Highway 5). From there, the route will take a right turn on Davis Street in front of FBC Howe and then left for a block on Hughes in order to go through the heart of Howe on Haning Street's downtown district. With the route heading west on Haning Street, it will then take a left on

King Street and then back to Howe Community Library.

The float registration form can be found online at howechamber.com on the bottom of the home page. Some of those that have already registered are radio stations K-Lake, KMKD and Mad Rock, Grayson County Commissioner Jeff Whitmire, Candidate for Grayson County District Attorney - Bobbie Peterson Cate, Howe Enterprise, Howe Area Chamber of Commerce, and Howe Youth Football 3rd and 4th Grade Super Bowl Champions.

The highlight of the parade each year is the Highway 5 Band that consists of the high school marching bands of Anna, Van

The parade will be the final one of a day full of floats. Anna will begin their parade at noon followed by Van Alstyne's 2:30 start. For businesses, it's the perfect situation to be involved in

three different communities by being in all three parades.

Last year's parade was chalked full of spectators but was not as heavy in participants that the chamber is seeking in 2015.

2015 Howe Christmas Parade Route

"With the turnout we have had throughout 2015 so far for our events, we are expecting similar results from the Christmas parade this year." said Howe Area Chamber of Commerce President Robert Cannaday. "From our experience, community involvement has been great this year, so we believe that we should have a large turnout come December."

The businesses downtown will be open and available for shopping and dining.

The chamber and Keep Howe Beautiful will be decorating Howe very soon with candy canes, lollipops just as a year ago. They are hoping that all high-traffic homes will participate in a decorating contest. More information on that to be released soon.

Lady Bulldogs take Bells Tournament Championship

Holly Hawkins

It's been quite the week for the Howe Lady Bulldogs (6-0). All they've done is swoop into Whitewright and take down the Lady Tigers, 52-39 and travel to Bells to come away with the tournament championship. On Tuesday Howe, by way of a dominating defensive second quarter, put the hammer down. Howe's 13-2 win of the that period gave the girls breathing room while Holly Hawkins started to take over the game. Hawkins scored 15 points and pulled down 5 rebounds, added two assists and one steal in route to Derek Lands' 329th career win. Three-time District MVP Riley Harvey added 11 points and 7 rebounds. Other scorers were Peyton Streetman (8), Kayla Anderson (5), Alissa Smith (5 and 9 rebounds), Darci Foster (4), Payton Griffin (2), and Landry Rhoten (2). Rhoten made her first appearance in Whitewright after transferring from there.

On Friday in Bells, Howe would open the tournament with Honey Grove and would jump all over the Lady Warriors, 12-1 after the first period. Harvey had her first double-double of the season with 21 points and 13 rebounds on the way to a 51-

Hudson chose to receive the ball for the first time all season. Facing a high-powered West Rusk (11-1) offense that had scored 388 points coming into the game, Hudson wanted to get an early lead by taking most of the first quarter clock with him. However, things didn't go as planned as the kickoff was booted by Brent Masters and he had to go back and pick it up inside the endzone which led to Howe starting from their own 1 yard line. The Bulldogs overcame the deep start and drove down inside Raider territory to the 40 yard line, but facing a 4th and 6, the 'Dogs weren't able to convert. West Rusk and their high-powered offense quickly drove the length of the field and scored on a 1-yard touchdown by Nick Ballard. West Rusk led 7-0 early in the first quarter.

Howe's next possession start at their own 30 yard line and once again, the offense moved to ball down the field but came up three inches short on a 4th down run by Tyler Grisham. All season long, Howe has been able to convert 4th downs to keep drives alive but the inability to pick up the two crucial 1st downs played a major role in the outcome in this football game.

West Rusk took the ball at their own 30 yard line and drove deep in Howe territory but the 'Dogs defense made a stand and held the Raiders to a 25-yard line drive field goal by Jose Cerda. West Rusk extended their lead to 10-0 with 7:23 left in the second quarter. The Howe offense, which moved the ball well early on got a big burst when quarterback Brandon Wall bounced out and ran 47 yards to the 20. Four plays later, Grisham would push it in from the 6 yard line. The drive went 67 yards and took 2:36 off of the clock and cut the Raider lead to 10-7 with 4:47 before half.

West Rusk answered back quickly with their ferocious speed. Quarterback Dee Starlin and the bowling ball back of Ballard ran their way to paydirt with 2:06 left before half. Ballard ran it in from the one and the Raiders took a 17-7 lead.

Howe had a chance to make it a three point lead before the half with the ball starting at their own 34 yard line, however a quick exit gave the Raiders the ball :55 left before half after a great punt by Nick Wilson. Howe's defense held

the Raiders and the teams went to the locker rooms with West Rusk leading 17-7.

Due to the coin-toss, the Raiders started the second half with the ball and immediately created extra anxiety for the Bulldogs by scoring on a 51-yard drive. Howe gave the Raiders a short field all night by attempting onside kicks. This short field resulted in a Starlin to Breyon Thurman touchdown pass of 17 yards. Howe trailed 24-7 with 9:24 left in the third.

What we learned about this particular Bulldog team is that they have a little bit of "never quit" in them and answered right back with a 68 yard drive that took 7 plays and ended on a 1-yard touchdown by Howe's leading rusher, Jaden Matthews. Howe cut the lead to 24-14 with 5:47 left in the third quarter.

Things got even more interesting on West Rusk's next possession when Howe forced yet another field goal attempt by Cerda. This one, a 39-yard attempt, never made it more than 10 feet off of the ground and Howe took over at their own 22 yard line. However, the 'Dogs had to punt and give it back to West Rusk at their own 43 yard line.

Howe's defense once again stopped

the Raiders and forced them to turn the ball over on downs. Howe had one final offensive possession from their own 27 yard line with 10:31 left on the clock but again came up empty.

A late touchdown made the game seem more out of hand than it was. Ballard took it over from the 1 yard line with 1:11 left in the game to give West Rusk the area championship with a final score of 31-14.

Howe finished the season averaging 34.17 points per game, which is the most in school history. The defense gave up 14.42 per game which improved by over 12 points per game from 2014. The defense was the best since 2000 and has improved by nearly 24 points per game since Hudson's arrival. The Bulldogs finished with a season margin of victory of 19.75 points which, by that standard, would equate the 2015 Howe Bullogs as the 7th best team in the 72 seasons of the football program.

Most people were surprised to see Howe ranked so high at the beginning of the season. Howe had just lost the school's all-time leading rusher to graduation. But the system remains and the resurgence of Howe remains. "We believe that we will win" was the anthem of the 2015 Bulldogs - and that they did.

43 win. Other scorers were Streetman (8), Hawkins (6), Smith (6), Foster (3), Rhoten (3), Griffin (3), and Kamryn Fulenchek (2).

Game two would see a rematch with Whitewright. The game started extremely slow offensively ending with a 5-3 Howe lead after the first period. It wasn't the second period this time that Howe shut down the Lady Tigers, it was the third. Howe outscored Whitewright 14-4 on their way to a 44-32 tournament opening win.

Harvey busted out with 20 points and 12 rebounds to lead the Lady Bulldogs. Peyton Streetman also added 9 points and 4 boards. Other scorers were Hawkins (5), Smith (4), Foster (3), Anderson (2) and Rhoten (1). Hawkins also ripped down 7 rebounds.

In the semifinal round, Howe took on Decatur, who has 876 listed as their UIL high school enrollment compared to 302 for Howe. To break that down, that's 574 more students - that's roughly 287 more juniors and seniors - that's roughly 143.5 more junior and senior girls to choose from. They couldn't find anyone of that massive population advantage that could match the Harvey-Streetman combo that combined for 24 points and 7 steals and leading the girls to a 43-26 dominating win that saw Decatur not reach double digits in points in

any of the four periods. Streetman led the team with 13 points and was followed by closely by Harvey with 11. Both were 2 of 2 from 3-point range.

Other scorers were Smith (7), Hawkins (5), Anderson (3), Foster (3), and Rhoten (1).

That would set up showdown with Bells for the championship in their home gymnasium. Howe actually trailed after the first period, 11-10 but again, the defense completely shut things down in the second by only allowing two points to Bells. Howe took a commanding 24-13 lead into the halftime dressing room.

Bells outscored the Lady Bulldogs in the second half, 20-16, but the damage was done in the second quarter and Howe hung on to a 7-point win, 40-33 and celebrated afterwards with the championship trophy in-hand.

Harvey led the Lady Bulldogs with 13 points, Smith had her best scoring night of the young season with 12. Streetman added 9 and Foster sunk a three and a bucket to total 5. Anderson rounded out the scoring with one free throw.

The girls are now 6-0 and will take time off for Thanksgiving and will not play until Dec. 1 vs. Muenster.

Faith

by Debbie Wallis

“Then you will experience God's peace, which exceeds anything we can understand. His peace will guard your hearts and minds as you live in Christ Jesus,” Philippians 4:7.

The peace which God gives comes with confidence and trust that He has the situation under control. This peace is hard to understand, its calmness surpasses the capacity of our thoughts. It can be known by only true believers in Christ Jesus. Whether you're a national leader sitting across a table from other world leaders, or a businessman facing the pressures and deadlines at the office, a homemaker trying to corral the kids, or a student just trying to make it through the semester, everyone wants peace.

People search for peace, pray for peace and fight for peace yet we live with more stress than ever. People talk about peace but experience little. Americans live in comfortable homes, but domestic violence is high. Our cities are the most modern in the world, yet the streets are unsafe. Technology is unsurpassed, but communication is misunderstood. People are filled with anxiety and drugs companies keep getting rich. There is nowhere on this earth we can discover lasting and fulfilling peace. The place of peace is actually a person of peace. The only lasting source of peace is God Himself.

"Therefore, since we have been declared righteous by faith, we have peace with God through our Lord Jesus Christ," Rom. 5:1. We've got to have peace with God before we can have any other kind of peace. There is no peace for the unsaved, the un-right with God. You cannot experience personal peace if you have not experienced the Prince of Peace in your life. First step is to admit to God that you are a sinner and that your sins separate you from Him. Believe that Jesus Christ is God's Son, that He lived a sinless life, was crucified and paid the price of death for your sins and that He conquered the grave and rose three days later. Tell others of your faith in Jesus Christ as Savior and Lord. Give Him your life and make Him your Lord.

If you know Christ as your Lord you can go through any problem. You can face death and still have the peace of God in your heart. When tragedy shows up you can have a peace that you don't understand because the Holy Spirit has taken residency in your heart. This peace is not the absence of sorrow, but an ability to cope with the conflicts and frustrations of life. Even in the midst of difficulties God's peace will be present. We must have peace with God before we can experience the peace of God. The lack of peace is the lack of believing God is who He says He is. The Scriptures says in 1 Corinthians 14:33 that God is not a God of disorder but of peace. Paul wrote, "Don't worry about anything, but in everything, through prayer and petition with thanksgiving, let your requests be made known to God. And the peace of God, which surpasses every thought, will guard your hearts and your minds in Christ Jesus," Phil. 4:6-7.

"And let the peace of the Messiah, to which you were also called in one body, control your hearts. Be thankful," Col. 3:15. This verse says you should let the peace of God be the ruler in your lives. Letting Him is in your control. God will give you an internal ruler who will keep you at peace even when everything seems chaotic. That ruler is the Holy Spirit who every Christian has freely. Be thankful. Over and over we are told to be thankful.

Peace with God speaks of God's Lordship. If you truly want to live a life of peace and experience the peace of God continually you must allow Christ to rule and control you. "Abundant peace belongs to those who love Your instruction;

nothing makes them stumble. . . . I obey Your decrees and love them greatly," Psalms. 119:165, 167. God says peace comes when you live in obedience with Him. God's Word is your owner's manual for life. It contains principles for health, finance, marriage, relationships, business, and much more. If you don't obey the principles as they relate to the various areas of your life you won't experience peace.

"You will keep in perfect peace the mind that is dependent on You, for it is trusting in You," Isaiah 26:3. We have a choice of either focusing on our problems or focusing on God, who holds the solution. If you look at the world, you'll be stressed and loose hope. If you look within yourself, you'll be depressed and lose motivation. If you look at Christ, you'll have a peace that's unexplainable to the world around you. It's what you concentrate on that determines your level of personal peace. When you stop trying to figure out why God allowed something to happen and just started trusting

Him, peace will come. All of your questions are not going to be answered in this lifetime. Even when things don't make sense, we must trust God. Some things in life are senseless. Some things in life are beyond your control. We live in a sinful world. Just trust God and don't try to figure life out yourself. Time and energy are lost and relationships get broken by trying to figure things out that are beyond your capability. God urges us to just trust Him. "Trust in the Lord with all your heart, and do not rely on your own understanding; think about Him in all your ways, and He will guide you on the right paths," Proverbs: 3:5-6.

A proclamation signed by President Abraham Lincoln on October 3, 1863, set aside the last Thursday in November as a national Thanksgiving Day. This came after nearly 20 years of petitioning by a woman named Sarah Hale. She wrote editorials for years encouraging the 150,000 readers of the "Boston Ladies Magazine" and "Godey's Lady's Book" to join with her in soliciting support for this national observance.

The Thanksgiving holiday provides some of the most popular holiday collectibles. Most are turkey based (not basted). Turkey figural glass covered dishes; turkey platters; cast iron gobbler doorstops; glass, composition and papier mache candy containers; tin, aluminum, pewter, or wooden food molds in turkey forms; turkey cookie cutters; tissue paper fold-out decorations; Wild Turkey whiskey containers; blown glass turkey Christmas ornaments; turkey-printed tablecloths and napkins; turkey bookends; turkey stuffed animals and figurines; restaurant menus for Thanksgiving featuring turkey drawings; salt and peppers; sweetmeats and bowls; toothpick holders and postcards all delight collectors.

Many Thanksgiving postcards feature this bird

whose days were numbered. Raphael Tuck Company in New York distributed at least ten Thanksgiving sets. One set comprises 12 colorful turkey designs with comic quotations. A plump bird muses, "I wonder why they are feeding me so lately?" Another tom, elegantly attired stands on a sidewalk outside an elegant restaurant and observes, "Oh yes, I am starred on the bill all right!" Another interesting card depicts the American eagle and the Thanksgiving turkey. The greeting reads, "May one give us peace in all our states, the other a piece for all our plates." Another 1911 card features a nattily dressed turkey that is reading a joke book. The greeting says "Thanksgiving Turkey, Chestnut Fed, with Dressing a La Mode." Turkey postcards are generally inexpensive at \$2.50 to \$10, however the patriotic cards can cost in the \$20-\$25 range. Embossed cards are more expensive than flat cards.

May the world find peace in the coming year and may your plates be full.

City Departmental Reports

David Wortham, Public Works Director reported five leaks and 46 work orders.

Monte Walker, President of Howe Development Alliance spoke to the council about the need to purchase property through the EDC. He gave a recap of the sales tax income for the city and projections based on cities to the south.

He told the council that he was excited to get some projects turned in to the MPO. With Prop 7 passing earlier in the month, it could provide major improvements to the state highways in the city.

Walker said he and City Administrator Joe Shephard met with a development firm interested in tax-credit multi-family housing. The two told the developer that Howe would be a tough sell for more tax-credit multi-family housing unless it was a high-end senior assisted development. Walker is scheduled to fly to Houston to visit one of the firm's similar properties.

Walker told the council that the property owner in front of Hash Field is actively marketing the property and that the city will need to consider longterm plans for the current baseball fields that are located just off of US 75.

Shephard told the council that the city has little over \$300,000 in cash. The court generated \$29,000.

Howe Police Reports

Howe Police Department Chief Carl Hudman turned in this report council:

PERSONNEL/TRAINING:

Oct 21st - The following officers attended a free 4 hour Legal Update class sponsored by the Bells Police Department: Sgt. Michael Hill, Officer Jordan Clark, Officer David Morris, Officer Jamie Morris, Officer Brandon Ozuna, and Officer Keith Milks.

SIGNIFICANT ACTIVITY (not a complete listing of incidents handled):

Oct 31st - Officers conducted a Death Investigation at a residence in the 100 block of Western Hills Drive. The resident was a 48-year-old male with health issues. Officer Ozuna, Sgt. Hill, and Det. Keith Milks conducted the investigation.

Oct 29th - Officer David Morris arrested a 27-year-old Dallas man on an outstanding Dallas County warrant for Credit Card Abuse after stopping him for a traffic violation on Hwy 75.

Oct 28th - Officer Jordan Clark arrested a 45-year-old Plano man for [PCS PG 1 < 1g] possessing less than a gram of Methamphetamine after stopping him on Hwy 75 for a traffic violation.

Oct 25th - Officer David Morris arrested a 29-year-old Howe resident for outstanding Richardson PD traffic warrants.

Oct 15th - Officer David Morris arrested a 45-year-old Howe man at his residence on 2 outstanding warrants for Assault Causing Bodily Injury Family Violence.

Oct 12th - At 0014 hours Officer David Morris responded to an alarm at Sonic. He discovered the drive through window shattered. Nothing was missing from the business.

Oct 7th - Officer Brandon Ozuna and Chief Hudman responded to a residence on Western Hills Drive regarding a report of Indecency with a Child. Subsequent investigation by Det. Keith Milks resulted in the arrest [by warrant] of 41 year old Howe man on October 16th.

Oct 1st - Officer Jamie Morris responded to a

report of a two vehicle crash in the 1400 block of N Collins Freeway. She arrested the at-fault driver, a 60-year-old Sherman man, for DWI. The man has a prior conviction for DWI.

On November 17 at 11:19 pm, HPD Officer Brandon Ozuna arrested a 25-year-old Tulsa man for DWI after stopping him on US Hwy 75. The stop was a result of a complaint of reckless driving and Ozuna observed multiple traffic violations by the suspect prior to the stop. The suspect consented to a blood draw request. He was taken to a local hospital where the sample was obtained. He was then booked into the Grayson County Jail. A DPS Trooper assisted Ozuna during the stop.

On November 14 at 4:15 pm, HPD Officer David Morris arrested a 23-year-old Denison woman for outstanding Grayson County warrants after stopping her on US Hwy 75 for speeding. She was arrested and booked into the Grayson County jail for Failure to Maintain Finance Responsibility, Burglary of a Habitation, and ACBI.

On November 15 at 1:45 am, HPD Officer Jordan Clark arrested a 40-year-old man from Durant, OK for DWI 2nd after stopping him on US Hwy 75 for a traffic violation. The suspect failed a sobriety test and refused a request for a consensual blood draw. A search warrant was obtained and the blood draw was conducted at a local hospital. He was then booked into the Grayson County Jail.

On November 14 at 2:00 am, HPD Officer Jordan Clark arrested a 37-year-old Howe woman for DWI 2nd after stopping her on S. Collins Freeway for a traffic violation. The suspect failed a sobriety test and consented to a blood draw. She was taken to a local hospital for the blood sample and then booked into the Grayson County jail.

On November 12 at 5:00 pm, HPD Detective Keith Milks arrested a 36-year-old Howe man on a warrant for Theft of a Firearm. The arrest was the result of an investigation into a theft that was reported a day earlier from a residence on Timbercreek Drive in Howe. The firearm, a Marlin 30-30 rifle, was found at a pawn shop in Sherman. The suspect, a resident of the house from which the firearm was stolen, pawned the firearm on October 3.

On November 2, Sparks Trailers reported a theft from their business at 412 W Haning Street in Howe. Investigation revealed that the theft occurred on October 30 at 6:03 pm, and that an unknown person driving a white, newer-model, extended-cab pickup removed a 22' tandem axle tilt car-hauler from the parking lot of the business. The case is still under investigation.

125 years

**It's been a privilege
serving our customers**

For 125 years our Agency has had the privilege and the honor of serving wonderfully loyal customers. Henry Benton wrote in his letter celebrating the 75th anniversary of our Agency in 1965, "No business could even survive for 75 years much less prosper as has ours unless it had some very fine friends and customers". A half century later the same is so true today.

Our Agency has been richly blessed by having had exceptionally knowledgeable, caring staff that has been fully committed to our customers.

**THIS WEEK'S
\$125 Winner**
Bill and Melissa Evans,
Scott Webb,
Ricky Kirby

As our way of saying "Thank You"

We will be celebrating our anniversary the entire month of November. Each day we will draw a name from our Insurance and Real Estate customer list and give away \$125 each day. In 1965 the Agency gave away a 25 inch Zenith color TV. On our 100th anniversary we gave away a 32 inch color TV. In keeping with tradition established in 1965, on November 30th we will draw for the grand prize of a 60 inch flat screen HD TV. Look for the names of our winners on our marquee, Facebook page and on our print ads.

Peggy's Porch thanks Howe ISD

by Mary Martha Stewart

We just wanted to take this opportunity to thank Howe ISD for inviting Peggy's Porch to partner with them in order to provide free warm clothing for the winter to those in need this week. We are pleased to report that 50 children at the Elementary and Middle School walked away with bags full of jeans, shirts, sweaters, sweatshirts, jackets, socks, athletic wear, accessories and more!

Special recognition goes to Library Director Becky Hogenson, who spearheaded this effort. Without her, this initiative would not have happened. She was a tremendous asset--providing the place, "Peggy's Porch bucks," and incredible internal communication and external promotion! We'd also like to thank the Principals, Vice Principals, Guidance Counselors and Special Education teachers at the Elementary and Middle Schools--all of whom played a key role in making this a success. Furthermore, it is evident that all of

the teachers at both schools really care about the kids--they were all extremely supportive...what a joy it is to work with your team on events such as this one!

We hope to build upon this effort in the future and welcome any feedback or recommendations for improvement. Again, thank you for the opportunity to collaboratively and positively impact the lives of Howe families. Just another reason we are grateful to be a part of this community during this blessed Thanksgiving season!

High-speed chase through Downtown ends in arrest

On 11/19/2015 Howe Police Department obtained an arrest warrant for John B. Rowland II, for Evading arrest/detention with a vehicle. This warrant stemmed from the pursuit on 11/18/2015 that began when Officer David Morris, and Sgt. Michael Hill

observed a black Dodge pickup driving recklessly. Officer Morris activated his patrol unit's overhead lights and sirens to signal the driver to stop, but the driver exited the highway, ignored a stop sign and sped through the city of Howe at a high rate of speed. The pursuit took multiple agencies through the back roads of South Grayson County. During the pursuit, Officers lost sight of the fleeing vehicle. The vehicle was located a short time later, but the driver had fled the scene.

A Howe I.S.D. bus driver on Enloe Road may have saved the life of a young student with his quick

thinking of seeing the pursuit and quickly shutting the door and keeping the child from exiting the bus.

On 11/19/2015 at approximately 11:00pm, Whitewright Officer Rick Webber, along with officers from Bells PD, Tom Bean PD, and the Sheriffs Officer located John Rowland II at the Quick Check store in Whitewright. He was arrested on the outstanding warrant, and pending other charges out of the Whitewright Police Department. Other Charges may be filed by the Howe Police Department after further investigation.

Dr. "Red" Duke

Dr. Ken Bridges

The television image of the man with the thick mustache and thick Texas drawl dispensing life-saving medical advice captivated the nation. Dr. Red Duke rose from modest Texas roots to becoming a respected surgeon and a beloved personality.

James Henry Duke was born in Ennis in 1928. The family moved to nearby Hillsboro a few years later. Duke grew up working a series of jobs such as digging ditches, picking cotton, and delivering newspapers before graduating from high school in 1946. Because of his red hair, he picked up the nickname "Red" along the way.

He earned a degree from Texas A&M University in 1950 and served in the U. S. Army working on tanks. Here, his interests began changing, coupled with his intense curiosity about the world. After his army service, he earned a divinity degree in 1955 at Southwestern Theological Seminary in Dallas. He later said that reading a book about the

famous missionary and physician Albert Schweitzer inspired him to pursue medicine instead. He earned his medical degree from UT Southwestern in 1960. He then began his formal medical residency at Parkland Hospital in Dallas.

One of his earliest cases as a trauma surgeon was also one of his most tragic. He was working in the emergency room at Parkland on November 22, 1963, when President John F. Kennedy was rushed into the hospital. Duke was among the first to examine the fallen president, whose injuries were fatal. He was then ordered to tend to the other critically injured patient arriving with Kennedy, Gov. John Connally. Connally barely survived.

Duke left Parkland in 1965 and began serving as a surgical professor at UT Southwestern. He also became a professor at Columbia University Medical School in New York. His continuing concerns over the state of trauma care in the country led him to found the American Trauma Society with other trauma surgeons in 1968. In 1972, he returned to Texas as part of the staff at Texas Medical Center in Houston.

In 1976, he created the Life Flight air ambulance system, creating a network of helicopters and paramedics who transported

critical patients to Texas Medical Center. Duke would serve as medical director of the program from its inception for the rest of his years. The program was initially designed to fly patients from remote areas or from areas with insufficient medical care within a 150-mile radius of Houston. As the program grew, it expanded to providing airplane flights for patients across the globe into Houston.

While transporting patients to hospitals by helicopter had begun as early as the Korean War in the 1950s with the U. S. Army thus transporting patients to field hospitals, Life Flight was a new development in civilian medicine for the region. A similar system for North Texas-area hospitals outside Life Flight's 150-mile radius started in 1979. This organization, CareFlite, was established in no small part thanks to the success of Dr. Red Duke's Life Flight system.

Life Flight continues to fly more than 3,000 missions each year and has flown more than 140,000 patients in its 35-year history.

In the 1980s, he began delivering regular reports on health issues on television stations across the country. Howe's that...

DUE TO EARLY deadline because of Thanksgiving holiday, several news events could not be covered in this week's issue. Look in next week's paper for the story on the Nov. 19 school board meeting and other items received too late for publication this week.

HOWE 'BOUT THEM DOGS!!!
- If you weren't at the Howe-Celina game Saturday night, you missed one of the best high school football games of the year. It was a great night for Howe fans. The entire team played super football. Our defense has played great all year, even when we lost the game. And our offense has improved steadily each game. But Saturday night it was a great team effort. Player of the week award would have to go to each and every member of the team. Thanks, Dogs, for a great game. BEAT OLNEY!!!

Howe VFD Members

Get Hands-On Training

Several members of the Howe volunteer Fire Dept. received training in various firefighting tactics at the Sherman Municipal Fire training field.

Most of those attending have recently joined the department and this was some of the first hands-on practice they have had. Instructors for the day-long training session were veteran members of the Howe VFD, according to Fire Chief Bert Dowlen.

Firefighters received training in interior structure fires, ventilation, ladders, hose handling, self-contained breathing apparatus use, public relations and fire science. The culmination of the day's training was a live fire situation in a confined space on a two-story structure.

Firefighters were required to don breathing apparatus, full protective clothing and attack

required number of hours and have become certified.

The fire department meets for training sessions on the first and third Tuesday of each month and on the second Tuesday for business meetings. All meetings begin at 7:30 p.m. The public is invited to attend any meeting and are invited to visit the station whenever possible.

Members of the department are also available to speak to civic groups and other organizations regarding fire prevention and fire safety.

The department will begin its annual fund-raising campaign in the coming weeks. A letter explaining some of the goals of the department along with a survey pertaining to the public's opinion of the services provided by the department will be distributed during November and December. The department

is attempting to raise funds to purchase a pumper/tanker truck to supplement the firefighting capacity of the department. Also funds are always needed to keep equipment up-to-date.

Howe Wins Bi-District Title

For the second straight week the Howe Bulldogs came from behind to win crucial games. Last week they beat Bells, 12-11, and advanced to the playoffs.

Saturday night, Nov. 17, the Dogs met the Celina Bobcats for a bi-district playoff at Clark Stadium in Plano. The game ended in a 14-14 tie, but Howe advances on penetrations.

At the half Celina led 14-0, but Howe came back to tie the score with TDs in the third and fourth quarter. The two teams were tied at penetrations, 2-2, until the last play of the game when Monte Walker caught a 24-yard pass from Wade Carson on the Celina 10-yard-line. That penetration gave Howe the bi-district championship and the Dogs now advance to area play against Olney Friday, Nov. 23, at UTA (Maverick) Stadium in Arlington at 7:30 p.m.

However, the Dogs also led in first downs, 14-4, if the next step in a tie breaker had been needed. A tenacious Bulldog defense held Celina back all night with the exceptions of the two Bobcat TD's in the second quarter and a couple of first downs late in the fourth quarter. Those three occasions were the only times the Bobcats could get enough yardage to hold the ball for more than four plays.

Total offensive yardage racked up by Celina was 193 while the Dogs had a total offense of 274 yards.

Coach Joey McQueen expressed great pride in the effort of his team. "I love these kids. I knew they would put forth their best effort."

During the first quarter of play, the Dogs managed three first downs while holding Celina to four plays per possession. But just as the second quarter began the Bobcats took over on their own 2-yard-line. They advanced the ball 2 yards and then on the next play sprinted 96 yards to the end zone. The PAT kick gave Celina a 7-0 lead with 11:15 left in the second quarter.

Once more Howe advanced the ball gaining a first down before a holding penalty stalled their drive. Celina took control at their own 34 and advanced the ball to the end zone on 9 plays gaining three first downs. The PAT kick succeeded for a 14-0 score with 4:51 remaining in the half.

On their next possession Howe racked up three first downs and a gain of 36 yards before Celina intercepted a pass to kill the drive. In their final possession of the first half, Howe gained some yardage but was stalled in the middle of the clock ran out.

When the third quarter began Howe's defense remained strong as they kept Celina from moving the ball. With 6:13 left in the quarter Howe took control at their own 36. Two plays later Michael Bailey found a hole in the Celina line and raced to the Bobcat 18 where he was forced out of bounds. A personal foul penalty on Celina set up play on the 9-yard-line. Four plays later Carson connected with Damien Horton on a 4-yard TD pass and Walker kicked the PAT for a 14-7 score with 4:17 left in the third period.

On Howe's next possession their drive was stalled when Celina intercepted a pass at the Bulldog 31, but a clipping penalty on Celina put the ball in play at the 46. Four plays later Howe took control at their 38. Bailey and Domingo Rivera combined in carries to advance the ball to the Bobcat 32. Shawn Stephenson caught a 20-yard pass to set up play on the 12 and on the next play Michael Ross ran into the end zone. Walker's PAT kick tied the score at 14-14 with 5:30 left in the game.

Two minutes before the game ended, Celina managed two first downs, but a quarterback sack and a penalty pushed them for a loss. A couple of passes fell incomplete and the

ball passed into the hands of the Bulldogs with 44 ticks left on the clock. In the final play of the game Carson tossed the long pass to Walker at the Celina 10 and the game ended in victory for Howe.

Bailey led the team in rushing 127 yards on 18 carries. Carson completed 9 of 19 passes for 96 yards. Joey McMillion, Horton, Walker, Stephenson and James Fulencheck all were on the receiving end of the football.

The Bulldogs now advance to the area playoff. See separate article for details about when and where, directions to stadium and information about pep rally.

"Bi-District" T-Shirt Spurs Howe Win!!

It seems that the Celina Bobcats were a little overconfident about winning the bi-district game they played against the Howe Bulldogs last Saturday night.

Before the game someone in Celina had printed up T-shirts stating, "Celina Bobcats, Bi-District Champions." We're told the Celina football team members were wearing those shirts under their uniforms Saturday night so they could show them off as soon as the game ended. Also shirts were being passed out to Celina fans on their side of the stadium earlier during the game.

Well, things don't always work out the way you want them to. And things went wrong for the Bobcats when during the second half of the game the Bulldogs came from behind to tie up the game, 14-14. The Dogs and Cats were also tied on penetrations, but the Dogs were far ahead of Celina on first downs. Then just as the game ended, the Dogs pulled ahead on penetrations too as

Monte Walker caught a pass from Wade Carson on the Celina 10-yard-line.

Winners need to have confidence to win and Celina had won District 12AA in an excellent season. But we feel a little respect also needs to be shown to the other team and their efforts. The Howe Bulldogs were runners-up in District 11AA. On Saturday night they outplayed the Celina team - see game statistics and write up. The Bulldogs put forth great effort and they deserved to win. Celina should remember that you play one game at a time and you should never count a game won until it is over! And certainly, counting it as a win several days before it is played is, in our opinion, quite arrogant.

By the way, I understand that the members of the Bulldog football team each had under his uniform a small piece of one of those Celina "Bi-District" T-shirts to help as a reminder of this "arrogance."

SHOW 'EM HOWE!!!
