# The Howe ENTERPRISE

Leader in News First in Service

THE HOWE ENTERPRISE, THURSDAY, FEBRUARY 25, 1971 - VOL. VII - No. 32

Future Farmers of America members from the local chapter made the rounds in the business district last week, offering to paint store fronts, if building owners would only pay for the paint. Now that sounds like a bargain, in fact, can't think of anyone who would do it any cheaper.

Which brings to mind the fact that a few former members of the Chamber of Commerce are interested in re-organizing that group. President of the Chamber is Postmaster James I. Davis. If you're interested let him know.

\*\*\*\*\*  
Someone who reads the fine print more than we do informs us the reason for moving George Washington's birthday from February 22nd, to February 15th. Since both came on a Monday, we couldn't understand the reasons. Now we know. Lincoln's birthday comes on the previous Friday, February 12th. By moving Washington's birthday to the 15th, it will give federal employees a long, long weekend - from Thursday night until Tuesday morning. What do you think about that?

\*\*\*\*\*  
If you didn't get around to registering to vote in January, you have another chance. The Legislature has passed a bill extending the registration period through February.

\*\*\*\*\*  
STOLEN  
When a woman marches into a store to buy something there is usually one of eight reasons for her doing so:

1. Her husband says she can't have it.
2. It will make her look thinner.
3. It comes from Paris.
4. Her neighbors can't afford it.
5. Nobody has one.
6. Everybody has one.
7. It's different.
8. Because.

\*\*\*\*\*  
We celebrated George Washington's birthday, February 15, instead of on February 22 like most people did a few years back.

Three years ago Congress voted to change George's birthday to the third Monday in February, no matter what date it happened to be. This would probably come as something of a surprise to George's ma'am if he were alive. But, the kids live long enough to actually see what powers Congress could come up with.

Who else could change any man's birthday? They could make it retroactive, I guess.

## Jerry Dukes, Rick Orr, Named To 33B All District Basketball Team

Jerry Dukes and Rick Orr have been selected to the District 33-B All District Team. Dukes was selected on the first team, Orr the second team.

In district play, Dukes, a junior, scored 220 points for an average of 18.3. He also had 138 rebounds for an average of 11.5. Jerry had a high point game of 32 against Bell, and scored 30 against district champion Aubrey in the Howe win over Aubrey. In three other district games, Jerry scored 20 points or more.

Larry Powell, a sophomore, led the team in rebounding on the season, averaging 12.6. In district play, Larry led the team in four categories: field goal percentage, 55.9%; free throw percentage 68.5%; defensive rebounds 74 and total rebounding average 10.4.

John Hill, a sophomore, led the team in total points (41) and scoring average 16.5 for the season. In district play he was second in total points 141 and second in scoring average 14.1. John also averaged 8.6 rebounds per game.

Rick Orr, was selected as an All-District player on the strength of his ball handling and playmaking, as well as his scoring. Orr averaged 11.4 points per game. He had a high point game of 25 against Tom Bean, and scored in double figures in all but two district games. Rick also did an outstanding job as co-captain of the Bulldogs this year.

Rick Hanning, a senior, was second in field goal percentage 37.3% for district play. A fine outside shooter, Rick hit 43.3% of his shots for the season. He also contributed nine rebounds per game in district play. Rick the other co-captain of the Bulldogs this year, did an excellent example of the true Balldog spirit on the court and in the classroom.

Some statistics on the other varsity players are follows:

Robert Billy, a junior, did an excellent job as playmaker although this was his primary responsibility, he did average 5.4 points for the year, and hit 58.3% of his free throws in district play.

Rick Hanning, a senior, was second in field goal percentage 37.3% for district play. A fine outside shooter, Rick hit 43.3% of his shots for the season. He also contributed nine rebounds per game in district play. Rick the other co-captain of the Bulldogs this year, did an excellent example of the true Balldog spirit on the court and in the classroom.

## Easter Seal Drive Begins Monday

Mrs. Al Norrell, Executive Director of the Grayson County Crippled Children's Center, in Sherman, announced today the 1971 Easter Seal Campaign will begin March 1, and continue until April 11, Easter Sunday.

help raise money for the drive. The goal for 1971 in Grayson County is \$3,000.00. All funds received are used to provide services to any child or adult in Grayson County. These services are provided thru the modern, well equipped Easter Seal Center at 1208 Hillcrest, in Sherman. The services are a physical therapy program, speech and hearing therapy, pre-school for the deaf, pre-school for handicapped children and a loan equipment program. "The people of Grayson County have always responded to our needs, and I feel certain they will make it possible to increase Easter Seal Services to the handicapped of our area during the coming year," said Mrs. Haring.

Mrs. E. A. (Milly) Haring has been named Chairman of the 1971 Easter Seal Campaign in Grayson County. Mrs. Haring has been a resident of Sherman since 1947. She is co-owner of Haring Office Equipment Company with her husband, Mrs. Haring has been active in civic affairs and was named one of the outstanding women of Sherman in 1963.

**CORRECTION -**  
David King, resident of Western Hills, was listed as one of those objecting to the proposed apartment complex here, during the Planning and Zoning meeting to consider a zone change for the project. Mr. King, who maintains a Real Estate office in Sherman, spoke in favor of the project.

## try a little KINDNESS

You're not the only one who gets hot and bothered on a warm day. Consider the sewer hole where someone has poured a cup of drink or an ice cream pop.

After you finish the number you want from the information page, please say "Thank you. Have a nice day."

Can you sing or perform? Volunteer to entertain at the hospital. If you're shy, start with a small group in the child room to read.

## Faces of God

### THE MAN WHO IS BLIND

It is hard to successfully relate a personal testimony about what God has done for me. No wonder the Pharisees were annoyed when they saw the "blind man healed." Though I am blind, my face, "I can't argue with facts plainly stated."

The Pharisees did their best to trap Him in theological issues. He (Jesus) cannot be from God because He does not keep the Sabbath. What do you think about that? He knows He is a sinner, so how can He be from God? They tried to catch Him about His own identity, but He cut that short by saying, "I am he." At no time did He permit Himself to be drawn into controversy. He stuck to His personal testimony: "Though I was blind, now I see."

When Billy Graham was asked about his "Word of Faith" hysteria, he is reported to have responded, "I believe in Him only this morning."

Christians who do not wish to confine their testimony to their own experience, "I feel put in this way." "We cannot all speak of what we have seen and heard" (Acts 4:13). Jesus Himself said: "We speak of what we know, and bear witness to what we have seen" (John 1:14). His testimony is an experience as a personal experience. "The thing I know, that though I was blind spiritually now I see."

Has your experience with the Lord been so real that nothing can shake it? When did you feel someone about it?

## The stars still shine on Texas

In the beginning, the stars shine all over America. And something happened. As the air slowly got drier and drier, the day came when you could see the stars. First in Pittsburgh, then New York, then Los Angeles, then New York, then Denver, then Cleveland. But the stars still shine on Texas. Because Texas air is clean. And at Lone Star, we're doing our best to keep it clean. One thing we're doing in supplying the clearest burning fuel known to man. Pure natural gas. And we've equipped 600 of our service trucks to run on liquefied petroleum gas. (This means 97% less pollution than if these same trucks were running on gasoline.)

The student receiving red ribbons were: Helen Lawrence in Money Management, Betty Blankenship in Home Improvement, Beverly May in Public Speaking and Jimmie Little and Candy Cole in Beef Cattle Symposium.

The junior division blue ribbon winners were: Peggy Mathews and Karen Greig in Dairy, Bruce Johnston and John Fry in Electricity, Debbie Craig and Sharon Greig in Home Preparation, and Linda Kincaid in Public Speaking. The red ribbon winners were: Sandra Aleson and Cathy Bryant in Community Improvement, Vicki Ungert and Jo in History in Civil Defense, Timothy Craig and Jo in Science in Public Speaking, Cheryl Francis and Ann Reddy in Home, and Charles Griffin in Beef Cattle Symposium.

The judges for the contest were: Ms. Gloria Roberts, Mrs. G. M. Hootman, Mr. T. L. Talbot and Mr. Don Hayes. These were selected by fifty people for this 4-H contest.

## OUR TOWN

by Jim Baird and Bonnie Baker.

Have you ever taken a good look at your town? If it's YOU, TOO!

If you will notice on the southeast corner of Hanning and Hanning there is a building known as Happy's Cafe. This old building is an eye sore to the visitors in our town. It still shows remains of its previous owners, along with faded advertisements. Even though the building in Howe doesn't mean in itself much, it is one of many like it all over our town.

This is the first of a series to inform you, the citizen at large, of the condition of your heritage.

The bulk of our research has taken as far as back as 1907 when Mr. W. M. Collins had a drug store in this building. It was also used as a restaurant or eating car cafe. The back of the building was used as a building which built up while the southwestern portion was

used as a ticket office. The interior transit ran from Denton to Dallas. It ran for about forty years and was opened up around 1905. It was closed about 1970, when Highway 6 was opened and the line was moved one block east to the alleyway next to the post office.

To get back to the issue, the building (Happy Cafe) has had many previous owners. Among them are Charles Holloman, R. K. Coxe, The Willipack, the McCays and Haggarfield.

Something should be done to preserve our town. The restoration of this and other historical cities in the area is a time. Too much of our past has already been destroyed. One day you may look and those may not be there.

There are always those willing to do more—to give more of themselves in the interests of others. They're community builders assuming many roles. They're progress planners. Leaders. Ordinary people doing neighborly good deeds. Many of them are T&E employees.

For many T&E people, community service begins when their 8-hour workday ends. You'll see them as scoutmasters as workers with young youths groups... as church and

school workers, hospital volunteers, members of civic and other organizations. All working to better the communities where they live.

Texas Power & Light Company is proud of its extra-effort people.

## FHA Talent Show

The Howe High School F.H.A., is planning a Talent Show, since it is a Talent Show, not a U.S.A. It is vital need of a show of talent, with our talents, there can be no show. They will accept anything smug, acts, hits, dance, tap, baton twirlers, dog acts, anything. Even Arnold the Pig is welcomed.

Age is no requirement, any age, of any age, young or old, junior or club, can participate, as long as you have talent. Take notes on your "talent", or bring parents, the don't consider your baby talented just because he can say "ay" "Tiddy".

If you are a talented individual, just contact Debbie Miller by March 31, the show number is 429-0000.

The Talent Show is on March 30, 1971, at 7:00 p.m. in the junior High Gym. Adult tickets are 75c each. Children are 50c each and entries are allowed to display their talents to an unexpecting world for only 10c each.
