Door To Door Drive Monday In Easter Campaign

They're hitin', fishermen — Judy Harmon snagged this five pound, 10 ounce bass last Tuesday evening while fishing with Jimmy Finney and younger brother Harmon, Boney. And, neither of the trio would give the location of the catch, nor the date of 'cookin'.

Jiminy didn't fair so well, but did catch a few to replace the bait he lost.

★ VOTE SATURDAY ★

Read in one of the big papers other day that some folks in Dallas are trying to get the law to make it against the city to be hungry!

Great gods of horseradish—what next—

Every since Washington declared the war on poverty we have been in hiding. Thought they planned to kill the poverty stricken.

And now they want to make it against the law to be hungry. What about us people who are on a diet, or should be? Who is going to enforce the law? How are they going to know that just because a guy bulges around the middle a little, he is not dying for a big juicy steak or a meaty sandwich?

And, what happens when a person is convicted of being hungry? Do they toss him in a cell on bread and water, or do they just take him out and shoot him?

Don't think such a law will work — for one thing there are more of us hungry people than there are well-fed po-

Awards Banquet Set At Muenster

GAINESVILLE — The Upper Elm-Red Soil and Water Conservation District will hold its 22nd annual Awards Program in Muenster on May 13 at 7:30 p.m. in the public school gymnasium.

This decision was made Thursday afternoon at the conservation district's program planning meeting in Gainesville. Approximately 25 representatives from Grayson, Cooke and Montague counties attended the session at the First State Bank community room.

The awards program is sponsored by 20 banks, 10 newspapers — and six radio and television stations in the three-county conservation area. Awards are given to farmers and ranchers who have done outstanding work in soil, water and plant conservation, to encourage conservation efforts in the district.

The program is held in cities throughout the district on a rotating basis. This year, Muenster was first on the list.

General Chairman William A. Claunch Jr. of Gainesville presided at the meeting Thursday and was elected to another term as chairman.

Nominated to banquet program positions were: Judge Louis Holland of Montague, opening chairman; Clyde Wells of Canbury, master of ceremonies; Gene E. Foster of Whitesboro, narrator for slides; and

Community Meeting, Mayor Election Set At Dorchester

A Community meeting will be held in Dorchester Thursday, April 8 at 8:30 p.m.

Mr. Biggs, water engineer, will outline the proposed new water program for the town, which voted incorporation at a recent election.

The meeting will be held at the Baptist Church annex.

Voting to elect a mayor for the town is scheduled May 1. Deadline for filing for the office was Wednesday.

Candidates are L. M. Harmon Jr. and Kenneth L. Hayes.

Continued on page 2

CITY SCHOOL TRUSTEE ELECTIONS SATURDAY

Office of Mayor, two city councilmen and two school board members are to be elected Saturday, April 3.

Voting hours will be from 8 a.m. until 7:00 p.m. in the Junior High School building on North Denney Street.

Seeking the mayors post are

Quarterhorse Association Officers Named

Members of the Tenoxa Quarter Horse Association elected new officers at a meeting held March 23.

Named president of the organization was O. H. Lazenby. Other officers are Lee Anderson, Vice-President; W. D. Hayes, Treasurer; Gus Robinson, Secretary; Claude Williams, Parade Marshal; Cynthia Houston, Club Sweetheart; Dark Duckworth, Mascot.

New directors were Robinson, Glenn Neaseath, Jerry Lazenby, Hayes, Billy Joe Halterman, Dale Hill, Ed McKee and Glenn Price. Holdover directors are O. H. Lazenby, Newton Chandler, Claude Williams, Howard Backel, Ray Houston and V. L. Gaines.

Annual Horse Show has been scheduled May 30, with the Club Rodeo slated for July 14 through 17 at the club arena between Sherman and Denison.

Burglars Hit Again — At Catching Bros.

Burglars took an estimated \$3,000.00 in tools, tires, office machines and other loot Tuesday night at Catching Bros. Farm Supply, Highway 75 So.

This is the third burglary of the firm within the past year.

Investigation of the thefts continued Wednesday.

★ VOTE SATURDAY ★

Price Hanning, owner of Hanning's Garage and Lloyd Buis former employee of the Board State Bank who is currently attending East Texas State University. Not seeking reelection is Dug Worham.

Council candidates include incumbents Jimmy Don McMillon and Overton E. Jay. Dwayne Roberts and Herman

FFA PROJECT SHOW SATURDAY

Local FFA Project Show is scheduled here Saturday, this year in a new location at the Pee-Wee League baseball park.

Livestock are scheduled to be in place by 10:00 a.m. and remain in place until all animals have been judged.

Judge for the events will be T. J. Davidson, Head of the

CUB ACHIEVEMENT BANQUET HELD

Local Cub Scout Achievement Banquet was held Saturday night at Junior High gym, with several Cans advancing. Opening ceremony was presented by Den 4 with Webelos in charge of the closing. In conjunction with the achievement program, the annual Pinewood Derby was held, with Scouts pitting their home made cars against opponents for first places in each den, and a grand champion.

Receiving achievement awards were:

- Wolf — Norman Van Meter, Doyle Peacock, Eddy Bolton, Bobby Vaughan, John Martin, Todd Corbin and Gary Hawthorne.
- Bear — Tommy Wall, Gold Arrows — Todd Corbin Rocky Hawthorne, Tom Wall, and Danny Spencer.

Dr. "Sarge" Davis.

School trustee candidates include Dr. Neil Cup, presently a member of the board, Mrs. Shirley Melton, Ray Bledsoe, Donald R. Palud, Mrs. Eva Lois Smith, Jack Norman and John Hash.

Voting in both elections will be held in the school building in separate rooms.

AGRICULTURE DEPARTMENT AT COOKE COUNTY JUNIOR COLLEGE IN GAINESVILLE.

Judging will begin at 1:00 p.m. with the 4H rabbit exhibits with Sheep, Dairy and Swine and Beef Displays to follow.

Lay Lake Project Show will be held the following weekend.

SILVER ARROWS, TODD CORBIN, BOBBY HAWTHORNE AND TODD SMITH.

Demmer, Steve Bailey, Barry Watson and Noel McKinney. Assistant Demmer, Mark Harper, Tracy Goldenstein and Gary Hawthorne.

Ray Bedsoe FOR HOWE SCHOOL BOARD
 Saturday is election day, and you will place two people on the school board. Most of you know me, — at least we have met, but I'd like to take time to say why I am seeking this position.
 Certainly I have no such to contend for anyone. I feel that Howe School stands in our state and is envied by some who would like to reach the standards which we have already attained. These have come about slowly by planning and effort by the school board, faculty, pupils and those of the parents who have said: "What can I do to help my child, or to help this teacher." With this concept, we are going to do even better in the future.
 You know my position with young people in the community the year 'round. We work closely with them because they begin to face, as they with a sense of responsibility. I feel that I can be of help to the administration. Won't you in the Howe School District give your vote of confidence to Ray Bedsoe on Saturday, April 3rd.
 (political adv. paid by Ray Bedsoe)

Representatives were elected and the group was addressed by their leader, Mrs. Billie Jo Williams.

Katherine Hepburn stars in the Broadway production of "Coco", to be presented on tour at the State Fair Music Hall in Dallas, April 20-24.

Electrolysis — A Unique Service in Howe

Howe has been able to service—no unique in the area—that draws patronage for treatment from other neighboring towns and cities including Richardson City, Wren, Dallas and Fort Worth.

For the answer to this offer—additional service since in addition to the master of NEW BARBERIES in Howe during last year, we went to a registered Electrolysis, Mrs. Beverly (Nita) Decker. Nita is the owner and operator of NITA'S ELECTROLYSIS CLINIC located at 1021 W. Canton Avenue in Howe and has enjoyed almost and expansion during the last year's practice. It was necessary to add a technician, Mrs. Claudia (Dorothy) Jackson, who has been associated with the clinic for eight months.

Nita is very proud of her profession—and one could not help but sense the love and dedication to her work as it is reflected in the atmosphere of the very busy "Nita's Electrolysis." Nita related with much pride that, with the opening of her clinic, a stream of many years, because a "wonder" that she dreams could be fulfilled through proper training, she did considerable theoretical research on electrolysis and discovered permanent hair removal. Naturally, this strong interest in her profession was deeply appreciated by the members of our community.

YOUNG IDEAS

"I'M NOT OLD ENOUGH TO VOTE?" Greg Allan Hillman, age 4, is the son of Mr. and Mrs. Dean Hillman of Howe. He has just received his baby, the first Grand-parenthood at age 4, from Mrs. C.A. Tronetti of Howe and Mr. and Mrs. M. T. Allison of Sherman.

Business & Industrial Review

knows. After completing her training as an Electrolysis at the Texas Institute of Electrolysis, she was associated with Barbara's Electrolysis Clinic in Dallas as a practitioner and instructor for approximately one year.

Nita tells the story of Electrolysis with much enthusiasm and was quick to add that this profession is a most fascinating and rewarding experience. She happily noted that the reward for her painstaking work comes from satisfied patients who spontaneously agree that her successful follow-ups with electrolysis have given them the greatest personal pleasure and emotional security they have ever known—Nita added, "Yes, THE PAINFUL HAIR REMOVAL AND ELECTROLYSIS IN THE ANATOMY OF Electrolysis is the only safe and permanent way to remove unwanted hair forever...for most people, unwanted hair are a form of private torment. The common nose hair are discovered on the

face or body, worried question come crowding in, "what could have caused them?", and "what can be done to destroy them?" There is only one positive way to remove hair which will remove hair permanently and safely—and that is Electrolysis—but, it is definitely not a new technique.

The technique has been acknowledged and respected ever since its discovery by a physician in the 1870's and a hundred years ago! The procedure requires skill and concentration often to the point of the Electrolysis. A very fine needle, as used in this as an actuality, is gently introduced into each follicle, and a small opening in the skin from which the hair issue. A carefully controlled electric current is then applied, and the follicle's ability to produce hair is destroyed.

Some 60 years ago a world hair-fate five minutes or more to treat each hair. Since then, innovations have been made which shorten the treatment period considerably. A really revolutionary change occurred only recently with the introduction of HIBT WAVE Electrolysis which is much faster and more efficient.

It is true, this is a time of miracles and wondrous tools, one must approach new concepts cautiously. Hardly a month ago but without more advertisement or heavy credit about a "total, new and permanent" hair remover, such as "natural optical," "hair-eradicator," "beard-mulcher" etc.—"This is simply another case of misleading the public.

Still, in 1971, we can reaffirm the proposition that Electrolysis is the only known safe method of permanent hair removal.

Nita further noted, "No one can know all the answer to this perplexing job, but we are convinced that we are able to help each other. By this, we have added a few new words to our vocabulary such as unity and brotherhood, as well as practicing others already in use, such as cooperation, service, improvement, education, honesty, dedication and loyalty.

The service of permanent hair removal—no Electrolysis—is being publicized more and more because the development and perfection of modern Electrolysis makes it possible for women to help each other. By this, we have added a few new words to our vocabulary such as unity and brotherhood, as well as practicing others already in use, such as cooperation, service, improvement, education, honesty, dedication and loyalty.

Treatment at Nita's Clinic assures you the best of care and the effective, quick solution to your hair removal problems. Nita invites you to come by the clinic to take a peak and share her teaching experience and a conversation without obligation so you can see and feel the remarkable difference electrolysis can make.

Mrs. J. P. McCoy, Mrs. C. L. Ross and Mrs. Marie Holcomb, school nurse, will assist with the parents. Parents should bring their children if they are available. Hospital records of birth cannot be accepted.

Cong. Ray Roberts Ask Rekevelopment Aid For Perrin Area

In response to a request from Congressman Ray Roberts, the Texas Employment Committee has recommended that the Sherman Development Council be authorized to study the Perrin area for the benefit of the area. The committee also recommended that the committee be authorized to study the Perrin area for the benefit of the area. The committee also recommended that the committee be authorized to study the Perrin area for the benefit of the area.

The Committee outlined its recommendations and letter to the U.S. Department of Commerce. The committee also recommended that the committee be authorized to study the Perrin area for the benefit of the area. The committee also recommended that the committee be authorized to study the Perrin area for the benefit of the area.

Mr. Roberts said that the Committee also recommended that the committee be authorized to study the Perrin area for the benefit of the area. The committee also recommended that the committee be authorized to study the Perrin area for the benefit of the area.

THE BULLDOG BARK

STUDENT NEWS OF
HOWE HIGH SCHOOL

Teacher of the Week

Our teacher of the week this week is Mrs. EE Clark at the Howe High School. She has three children, Mrs. W. H. Long of Ft. Worth, William H. Long of Hutchins and Mrs. Gerald Wilson of Howe. She also has 7 grandchildren. Mrs. EE Clark is the English teacher at Howe this year while she is Mrs. Charles Spencer and the principal this year.

She is a graduate of Dodson High School and received her Bachelor of Education degree in 1935.

Her education credits include:

Senior Reporters: Laura Wall, Senior Reporters: Laura Wall, Dick Davis, Daniel Walker, Debbie Davidson, Sophomore Reporters: Cheryl Walker, Mary Allen and John Scarborough, Freshman Reporters: Greta Akers, Chris Cavender, Jeanne Newman

Bachelor and master's degrees from Austin College in Sherman, Miss. She was the only member of the First Baptist Church in Howe, Texas that is the organist and superintendent of the Wednesday-Sunday School. She also has 7 grandchildren.

FHA Week Schedule

The week of April 6-9 has been designated as FHA Week at Howe High School.

Evening will be as follows:

MONDAY-Freshman recognition day. All freshmen will be blessed by Seniors.

Tuesday-Senior/Junior Gym Session.

Tuesday-Sales Hawkins Day.

Wednesday-Vita Loud Mouth and Miss Particular Day.

THURSDAY-Color Day.

FRIDAY-Western Day.

Howe Senior Personalities

CARLENE WILSON

This senior the personality this week is Carlene Wilson. Carlene participates in so many activities that it is difficult to list them all here. She has been Miss Pop Squad, a cheerleader and a candidate for Football Sweetheart. She is the official mascot for both the Chapel Club and the FHA Club. If you think all she does is play sports football, she has played volleyball, basketball, and even football. She takes track, where she really shines and has not been, she plays basketball. She was the team basketball captain and was also voted an all-district player.

Carlene tells us that she has her hobbies, playing the piano and K. J., not necessarily in that order. She enjoys the things that most girls like, such as pretty clothing, movies, and good country and western music such as a record by Floyd Cramer.

Carlene says that her chief ambition is to settle down soon where with the man she loves (we all know who that is).

EDDIE HAMILTON

Eddie Hamilton is one of the senior personalities this week. Eddie was born March 31, 1948. He is the son of Mr. and Mrs. Wallace Hamilton. Eddie also has a brother and a sister. Eddie participated in many school activities. He is a member of the school annual staff and an active worker in FHA. Eddie is a member of the Executive of the Hamilton Students in Sherman, Texas. Eddie admits that he favorite sport is football, but he also enjoys tennis in tennis and baseball. He was a member of the all-district team football this year. Eddie's favorite television show is the "Fly Wilson Show." His favorite films are Gone With a Wind and Danny Kaye. Eddie, graduate of the Central Christian League in the Sulphur Springs Branch of the World Wide. After graduation he plans to return college at East Texas State University in Sherman.

Bulldogs Drop First In Sherman Meet By Lone Point

The mile relay which is the last event in a track meet, was the determining factor in the Texas Relay held at the Sheraton Hotel track field last Saturday. SSB Continental was able to edge the Lone Point team out by 1 point. The SSB team was able to finish the 500 800 points. How 87 points; Lone Point 86 points. There were a total of 11 teams which were in the relay. SSB is the only team which is in the Howe district. Lone Point was the only team which they did get 5 second place. Lone Point was the only team which they did get 5 second place. Lone Point was the only team which they did get 5 second place. Lone Point was the only team which they did get 5 second place.

The Methodist former

Our regard to Mr. Bob Arm strong at the top of his father of County, Texas.
