Six Arrested On Marijuana Charge

Six Grayson County young people were arrested in the 3-0-11-8 Laundry here for possession of marijuana at 2 a. m. Sunday. Charges were filed in Pea c e Justice A. L. McGlin's court in Sherman Monday.

Named in the charges are two Sherman boys, Ronald Dale Skipworth, 17, and Tommy Ray Hearn, 15, two Darchester men, Robert Donald Taylor, 18, and Charles Mikie Billy, 21; a Gunter boy, Lonnie David Morrison, 18, and Kenneth H. Caldwell, 24, from Howe.

A small amount of marijuana in a plastic bag was found in Taylor's coat pocket, according to sheriff's Deputy H a r r i - son French, one of the arresting officers. Assisting in the raid were Howe policemen, O. E. Powers and J. W. Trammell, and Ralph Day, a member of the sheriff's posse.

French said he received information that six boys were at the laundry located in the north section of the city smoking marijuana. He said they watched the boys from outside the laundry for a short time then entered the building. He said two of the boys ran to the rear room located in the southeast corner of the building. French suspects they had marijuana down the w-m-n-d-o.

French added that a ha u been known for some time that marijuana smoking was going on in Howe, and that "we didn't get all of them." He indicated that other arrests would be made on similar charges within the near future.

"In fact, two or three youths last night were in the area before we entered," he said.

INCUMBENT Mayor Lloyd Butts, left, receives best wishes from former Mayor Dan Wortham during City Council meeting last Thursday night.

State Stops Trash Burning At Dump

Final legal papers on settlement of a lengthy dispute between Sherman and Howe were presented City Council Thursday night by outgoing Mayor Dan Wortham. Under agreement reached by representatives of the two towns, Sherman acquired approximately 45% acres of the former Nolan property, 1385.49 along the west access road from a point midway between the ranch house and the coliseum, and approximately 976' west between the two buildings to Clear Creek. Settlement was agreed upon recently to pave the way for an industry scheduled to occupy the coliseum building. The facility is to receive water and sewer services from the city of Howe, with contract for the services already let to Schellenger.

Wortham also read a letter to council members received recently from the Air Quality Board, notifying authorities that burning rubbish and garbage at the city dump was in violation of state regulations. Wortham said a letter had been prepared in answer to the state letter, complying with the request, and that city officers were patrolling the dump at regular intervals to prevent citizens from setting fire to rubbish. No mention was made in the letter in regard to burning in trash barrels or other containers within the city.

Before turning his seat over to incoming Mayor Lloyd W. Butts, Wortham reported that around \$21,000 had been collected in taxes for last year, with around \$1,000 on out. Tax receipts last year totaled around \$17,000.

Monthly report of bills and promptly listed expenses of \$3,555.28, with income in the amount of \$9,968.41. Sales tax

Insurance on the county storage building was ordered raised from \$5,000 to \$10,000. The court appointed Judge Kennedy, Sherman lawyer, to assist the 13th District Court grand jury in an investigation of any public official or officer of the county and approved a resolution commending the Grayson County Bar Association

If the range has a self-cleaning oven, you're free of messy, between-meals cleaning chores. And if you wish, you can have other convenience features on your electric range such as an automatic stove, timer, and food warmer. With a big, electric refrigerator, you can prepare such as casseroles and frozen whole meats ahead of time and store them for quick use. Cleaning up after meals, too, is easier and easier with an electric disposer and dishwasher, and a modern, all-electric kitchen stays cleaner and cooler.
