

Howe's That

In a recent USA Today poll, 73 percent of those surveyed agree that somewhere between the ages of 12 and 17, kids should call it quits on Trick 'R Treating.

Early voting data shows World War I veterans overwhelmingly support Hillary Clinton.

We at the Howe Enterprise boldly predict that Donald Trump will make a fortune off of a new chewing gum called, "Bigly Chew."

In all seriousness, America needs to vote. It is a privilege that we don't quite get or understand because we have been too spoiled and coddled for many years due to the brave that came before us. If we don't recognize or value the importance of it, a reset button will take place.

In Howe, you can vote on election day from 7:00 am - 7:00 pm at the Howe Community Center at 700 W. Haning Street.

Rowdy voters beware: The voting location in Howe also houses the Howe Police Department.

By the way, although many of you have asked, you can't just write in your favorite newspaper editor for president. There are people that had to go through the process to qualify as a write-in. So please don't waste your vote by choosing the person who is best suited for the office.

In one of the toughest districts in the entire State of Texas in any classification, Howe (6-3, 2-2) needed to win Friday night over the Pilot Point Bearcats (2-7, 2-2) to lock up a playoff berth. With many scenarios put forth that could get Howe there, the easiest path was, as the late Al Davis would say, "Just win, baby." Howe did

that in dominating fashion, 31-3, and once again doing it by controlling the clock and the number of scoring opportunities for the Bearcats.

Howe had not played Pilot Point since a bi-district loss back on Nov. 18, 1999. That coming one year after, what

some people call, the biggest win in school history in a bi-district game at Denton in 1998. But none of that mattered as this year's crop of seniors were born that same year and this night was all about them as they were paraded in front of the home crowd before the game with their family for "Senior Night." One of those seniors was born three months after that 1998 Pilot Point take down and he would be the story of the 2016 night. Seth Seibold intercepted three Bearcat passes - one to open the game, one to close the first half and one to close out the game in his final moments under the lights of the oldest stadium in North Texas.

In this old stadium plays an old style of ball-control offense. Howe ran 73 total plays compared to Pilot Point's 45. The 'Dogs held the ball for 32:28 of the game's 48 minutes which severely hampered the Bearcats chances of any momentum throughout the game.

Pilot Point, playing without star quarterback Quincy Kemp, who suffered concussion symptoms in the previous game with Pottsboro, went with junior Coy Holman to run the offense. He, and the Bearcats, looked impressive in the first drive until Seibold stepped in front of a pass on the seventh play of the drive and halted the drive that took the game's first 2:57 off the clock.

Howe took over at their own 41 and put together what now is a typical 12-play, 49 yard drive that

took 5:53 and ended on a 3-yard Tyler Grisham score, his 14th of the year. Howe led 7-0 after Brice Honaker's PAT with 3:12 remaining in the first quarter.

Pilot Point started at their own 26 yard line and drove 35 yards on 9 plays before Jamie Taveras booted through an impressive 39-yard field goal to cut the Howe lead to 7-3 with 11:25 left in the second quarter.

Howe's Jaden Matthews got rolling in the second with long runs and set up the Bulldogs next score from the 3 yard line. After an unsuccessful attempt from the 3, Wall would score on the next play on an untouched bootleg around the left end which he could've walked a four-month-old puppy in for the score. Howe's drive was 9 plays, 67 yards which took 4:24 off of the clock. The 'Dogs led 14-3 with 7:51 left before the half.

Taveras' first kick was so impressive that Pilot Point would attempt another field goal on their next drive, however, his kick 41-yard attempt came up just short with 6:34 remaining in the second. Howe took advantage of the opportunity and went 75 yards on 14 plays and ended with their kicker banging through a 29-yard field goal to extend the Howe lead to 17-3 with :59 left in the half. Four Pilot Point plays later, Seibold had his second interception on the night and Howe took the 17-3 lead to the locker

Congressman Ratcliffe's statement on the reopening of the FBI's Clinton email Investigation

WASHINGTON – Rep. John Ratcliffe (R-Texas) issued the following statement in response to the FBI's announcement today that it would launch new investigative actions into former Secretary of State Hillary Clinton's use of an unsecured personal email system:

“When Hillary Clinton was inexplicably let off the hook for her reckless mishandling of our country's most sensitive national security information, the American people were rightfully outraged. Since then, I've taken aggressive action to hold Attorney General Loretta Lynch and FBI Director James Comey accountable for the enormous shadow of doubt cast over this investigation. The FBI's new investigative steps on this case confirm the need to ensure that the whole truth is uncovered and that

justice is finally served.”

Last month, Ratcliffe introduced the Classified Information Protection Act (H.R.6034), which amends two statutes (18 U.S.C. 793(f) and 18 U.S.C. 1924) to clarify that intent to harm the United States is not required to prosecute individuals who grossly mishandle America's most sensitive information. In exchanges with Congress, FBI Director Comey said the Department of Justice added factors to the criminal code into its consideration of Clinton's case, which may have impacted FBI's original decision not to prosecute.

Ratcliffe has also led a coalition of 50 Members of Congress in calling for a special counsel to investigate the Clinton Foundation.

room.

Howe, who loves to defer to the second half, took the ball with aims of putting together a drive that would take the entire third quarter and virtually seal the game. But Matthews and the offensive line, Matt Griffin, Tim Helpenstell, Connor Jackson, Chase Harvey, Tanner Hartsfield, and Clay Marshall moved the ball quicker than anticipated and Howe scored on "only" a 9-play, 69 yard drive that took "only" 3:52 off of the clock. Grisham plowed through Pilot Point like an Olympian-thrown bowling ball from the 12 yard line for his 15th touchdown of the year and Howe extended the lead to 24-3 with 8:10 left in the third.

Pilot Point's next possession ended on a Hartsfield caused fumble that was recovered by Cameron Blesi at the Howe 35 yard line. The Bulldogs would fumble it right back, however as Wall put it on the turf in the process of being sacked. The game stalled a little as the Bearcats punted on their next two possessions. But between those two was another Howe drive that went 69 yards, chewed up 5:23, but ended on a missed 32-yard field goal attempt by Honaker.

Howe's last drive of the night was another time consumer taking 5:44 off of the clock, resulting in an 11 play, 54 yarder, ending on Grisham's 16th touchdown of the year which was from 6 yards out. It left only 1:35 on the clock which was all the time needed for Seibold's third interception of the night which turned out the lights on Pilot Point and at Bulldog Stadium for the last time ever for the Seibold and his senior companions.

Howe rushed for 419 yards on the night to give them their total. The 'Dogs held Pilot Point to 59 rushing yards and 92 passing. It is the fourth time this season Howe has rushed for more than 400 yards in a game.

Currently, Howe is in a four way tie with Pilot Point, Van Alstyn and Whitesboro with a 2-2 district record. A two way tie breaker would result in the previous head-to-head outcome of the two teams. If there are multiple teams tied, then points against each tied team would come in to play. In that situation currently, Howe has defeated Pilot Point by 28 and Whitesboro by 11. That total equals 39. Having been defeated by Van Alstyn by three takes Howe's point total to 36. Currently, that would give Howe the number two seed in the playoffs, however, Van Alstyn will play Pilot Point on Friday night which will put one of them at 3-2 and one at 2-3. If Howe wins against Callisburg and Pilot Point defeats Van Alstyn, Howe would remain the number two seed. But if Van Alstyn wins, they are the number two seed and Howe would be the third due to the head-to-head loss to Van Alstyn.

Faith by Debbie Wallis

“If you’ve gotten anything at all out of following Christ, if His love has made any difference in your life, if being in a community of the Spirit means anything to you, if you have a heart, if you care— then do me a favor: Agree with each other, love each other, be deep-spirited friends. Don’t push your way to the front; don’t sweet-talk your way to the top. Put yourself aside, and help others get ahead. Don’t be obsessed with getting your own advantage. Forget yourselves long enough to lend a helping hand. Think of yourselves the way Christ Jesus thought of Himself. He had equal status with God but didn’t think so much of Himself that He had to cling to the advantages of that status no matter what, no, not at all. When the time came, He set aside the privileges of deity and took on the status of a slave, and became human! Having become human, He stayed human. It was an incredibly humbling process. He didn’t claim special privileges. Instead, He lived a selfless, obedient life and then died a selfless, obedient death—and the worst kind of death at that—a crucifixion,” Philippians 2:1-8.

Christians must seek to imitate the attitudes and behavior of Jesus. This is a very difficult task! We tend to think and react like the people in the world around us. Romans 12:2 says we “are not to be conformed to this world: but be transformed by the renewing of your mind that you

may prove what is good, and acceptable, and perfect, will of God.” If you claim to be a Christian you must strive to be Christ-like. You can never allow yourselves to be content with thinking and acting in ways that Jesus Christ would not. I confess that I fall miserably short of this. I can preach His word and then cop an attitude and behavior that is nothing at all like the way Christ would behave. All of us feel this way at times. If your shortcomings make you feel like giving up...don’t. Our lives in Christ are a process not an accomplishment. None of us has grown to the point the Lord would have us to be. God recognizes our weaknesses. God patiently, lovingly and forgivingly bears with us as He draws us to repentance. Having the mind of Christ is a growth process. Strive to do away with your own will and thoughts and submit to the authority of Christ and what He says we are to be. To do that you must understand what the mind of Christ is; the main thing we are to be like. “Let us behave decently, as in the daytime, not in carousing and drunkenness, not in sexual immorality and debauchery, not in dissension and jealousy. Instead, clothe yourselves with the Lord Jesus Christ, and make no provision for the desires of the flesh,” Romans 13:13-14.

What is "the main thing" in Christianity? Is it our view of man and the unity of humanity as one race under God? Is it ethical and moral standards? Is it the emphasis on marriage and the family which is central to all of life? What is the central thing about Christian faith? Is it our hope in the hour of death and in overcoming the great enemy of mankind when we come to the end of life? Scripture is very clear. Both the Old and New Testaments indicate that the "main thing" about Christianity is Jesus Christ Himself. He is the center of our faith, He Himself as a living being who imparts to us new life by faith in His name. His life, His death, and His

resurrection are the central themes around which all truth gathers. All truth; whether it is a religious, a scientific, a moral or political nature must center on that. Jesus Christ is the central truth of Christianity. The fundamental question of life from the Bible's point of view is, “What is your relationship with Jesus?” Jesus Himself put it in those terms when He said to the people, “What think ye of Christ? Whose Son is He?” Matthew 22:42. The fundamental division of all humanity questions that point. It’s frustrating that the people who confess to know Him and to have a relationship with Him don’t agree with what His thinking is. That confusion is not from God. He is the same as He always was and He will remain the same no matter what we disagree with. God is God. He is Who He says He is and He does what He says He does. It isn’t up to your parents, your spouse, your pastor, a Television host or even this author to align your mind to the mind of Christ. All of the previous has influence and we each will be

accountable to the Lord for anyone we lead astray. When it is all said and done and we stand before our Creator...He will talk to us one on one. I will answer to if and why I failed on this earth, after all, I had The Book all along with all the answers and an opportunity to learn from the Master. My heart; my mind, my will and my emotions will answer to agreeing or disagreeing with Christ. The good news is He is a good and faithful God and with every breath we have a second chance of redemption. You are loved beyond your comprehension by the only true God.

“The natural man does not receive the gifts of the Spirit of God, for they are folly to him, and he is not able to understand them because they are spiritually discerned,” 1 Corinthians 2:13.

Learn about antiques and collectibles with Dr. Georgia Caraway

Even though tonight is the official celebration for Howe Halloween, we are going to move into Thanksgiving month. This year I feel especially appreciative for my new Howe friends and my Howe business opportunity—Howe Mercantile.

Quite often folks come into the shop and with a worried expression and tone of voice ask if the shop is doing well. They follow up with, “we need more small businesses in Howe and want you to make a success of the shop.” So do I. Not only for myself, but for the other dealers in the shop. If you have not met them on an occasional Thursday, Friday or Saturday when they take over operating the shop, come in to say hello.

Trudy handcrafts beautiful wind chimes and garden flowers out of old pieces of glassware. Imagine your delight from the charming tinkling of old glass and silver on your porch. And brilliant touches of color in your flower beds when winter has taken away your blooms.

Lyn has handmade religious icons that have an interesting twist as she makes them from “found objects.” Her unusual and original crosses made of railroad spikes and nails and keys are reminiscent of Christ’s sacrifice and symbolize our entry into the kingdom.

Marilyn specializes in Pennsylvania primitives. She arrived this month with a large selection of rare and not-found-in-Texas items from old farmhouses from the late 1800s to the early 1900s.

Cindy, our newest dealer, has a delightful array of vintage floral cups and saucers and other china and decorative plates. She also

makes the most unusual solar lights to illuminate your path. These glow-in-the-dark decoratives will spark up your porch or walkways.

Jennifer creates the most beautiful art jewelry from unusual beads, glass, and stones. You will not find anyone else wearing these unique pieces. So forget the all-look-alikes from Sam Moon and buy yourself an artist piece from Jenn.

Keely has the best natural products for your best friend—“Fido.” And don’t forget about the so-cute dog pillows for just about every breed. We also have Howe Bulldog paw necklaces for \$5. So cute for Howe students to show their school spirit.

And remember that downtown Howe has its own fresh baked goods from Mama Suzy’s Sweets and Eats. This amazing caterer continues to provide a convenient location at Howe Mercantile to buy homemade cookies, muffins, and other goodies. Come get them while they last.

So not only am I grateful for my loyal customers, but I am also thankful to have such talented and creative vendors in the shop.

SHOP LOCAL. LET US SHOW YOU HOWE.

Dr. Georgia Caraway, former director of the Denton County Museums for 14 years, and her friends opened the Howe Mercantile at 107 East Haning. Store hours are Thursday through Saturday noon until 8 p.m. She has written five Denton history books. Her latest book, *North Texas State Fair and Rodeo*, is available at Howe Mercantile. She hopes her next book will be the history of Howe.

Texas History Minute:

Dr. Ken Bridges

Dr. Bridges is a Texas native, writer, and history professor. He can be reached at drkenbridges@gmail.com.

Lorenzo de Zavala was a man of great ideas. He was an outspoken writer and editor as well as a diplomat, businessman, physician, and statesman. With all these accomplishments in his short life, he became revered as one of the architects of Texas independence. He was born in 1788 in the Yucatan in southern Mexico when it was still under Spanish rule. From a young age, it was clear he had a brilliant mind, voraciously reading any book he could find. His family arranged for the best education possible, and he eventually learned to speak four languages.

He started several newspapers as a young man, writing against the Spanish monarchy and its oppressive rule over the region. Because of these stands, he was arrested in 1814. Unswayed, he continued his writings and also began studying medicine. By the time he was released in 1817, he had become a practicing physician.

After Mexico's independence in 1821, he was elected to the national Congress in 1822 and to the Senate in 1824. He briefly served as governor of the State of Mexico, the largest state in Mexico and briefly served as the secretary of the treasury.

Zavala's star was rising in the politics of the young Mexican nation. However, the infighting and intrigues that plagued Mexico in those years soon derailed his career. In 1830, the president was ousted in a coup led by the vice-president, and Zavala was arrested once again.

Recognizing the danger to his life, Zavala fled to New York. When the government changed again, he returned to Mexico. By 1834, with

Gen. Antonio Lopez de Santa Anna in charge, Zavala was sent as a diplomat to France. But when Santa Anna became a dictator to put down the unrest in Mexico, Zavala resigned and returned to America.

In 1835 while in New York, he reunited with Stephen F. Austin, whom he had met on many occasions while in Mexico. Austin convinced him to come to Texas. Zavala settled in what is now Channelview, a Houston suburb, at a home he called Zavala Point.

As the Texas Revolution erupted, Zavala served on the Permanent Council in October 1835 and helped coordinate supplies for the Texas army. To protect themselves from Santa Anna's despotism, he and others began arguing that Texas must be independent.

Zavala was elected to represent the Harrisburg (modern-day Houston) area in the Convention of 1836. There, with 58 other delegates, he signed the Texas Declaration of Independence on March 2. He led the effort to create a stable constitution, one close to the Constitution of the United States. Thus, the Republic of Texas was born. Impressed by his accomplishments and his passion for the cause of Texas, the convention chose him to be the interim vice-president, serving under interim President David G. Burnet. He served for seven months until the elected administration of President Sam Houston took charge in October.

Initially, Zavala was selected to accompany Santa Anna back to Mexico to argue for their government to accept the agreements he had made with Houston after his defeat at San Jacinto. Mexico, however, argued the treaties were made under threat and therefore invalid. The outright rejection ended the plan to escort him back.

He died after a sudden illness in November 1836, at the age of 48. Zavala helped steer Texas through its most desperate days. He would be honored greatly across the state in future years. Legislators named Zavala County in South Texas for him in 1858. Many schools are named for him as well as the State Archives building in Austin.

Over \$100,000 in Texas Farm Bureau scholarships available

Paying for college could soon be a lot easier for Grayson County students.

Texas Farm Bureau (TFB) offers more than \$80,000 in scholarships to eligible members.

“Our local, district and state scholarships provide a great opportunity for students to earn money to further their education,” Randy Watson, Grayson County Farm Bureau president, said. “I encourage all eligible students to apply.”

TFB’s largest award, \$5,000 per semester, is the S.M. True Jr. Agriculture Scholar Award. It’s awarded annually to a student who is at least a junior in college.

Three \$2,000 scholarships are also available statewide to college students who have a minimum of 45 semester hours. The Young Farmer and Rancher Scholarship for Enrolled College Students is awarded based on academic achievement and the applicant’s desire to pursue a career in an agricultural field.

The Dick Mitchell Memorial Scholarship is valued at \$1,000. It’s awarded to a junior or senior in high school who has attended TFB’s

Youth Leadership Conference in Stephenville.

One student in each of TFB’s 13 districts is also awarded a \$1,000 Young Farmer & Rancher (YF&R) scholarship based on academic achievement and the applicant’s desire to pursue a career in agriculture.

In addition to the YF&R scholarship, three scholarships of \$1,000 are awarded in each TFB district.

Scholarships are based on academic achievement and the completion of a project that promotes agriculture.

The top student in each of the 13 TFB districts will also receive a \$1,200 scholarship.

“These scholarships are another way TFB and the Grayson County Farm Bureau invest in the future of our community and state,” Watson said.

Applications for local scholarships are available at the Grayson County Farm Bureau office.

Applications for 2017 scholarships will be posted online in January at www.TexasFarmBureau.org/ Youth/Youth -Opportunities.

FOOTBALL

The Prosper Eagles clawed the Howe Bulldogs to bits here Friday night 28-0.

Halfback Roger Bell started the scoring in the first quarter with a 60-yard touchdown run. The try for extra points failed and the half ended 6-0 Prosper.

Bell took a punt in the third quarter and ran it 55 yards for the second Eagle touchdown. Quarterback John Christie passed to Bell for the extra points.

Prosper touched paydirt twice in the fourth quarter on runs by Christie, the first

Leading Howe's defense were Gary Moody, Jesse Farmer and Lee Bailey. The Howe-defense stood up pretty good for the first three-quarters of the game, but then our smaller boys seemed exhausted by the much larger Eagles. Almost all of Howe's games, both Seniors and Juniors have been against larger boys.

This week Howe goes to Anna and Prosper plays Collinsville at Prosper.

HOWE JUNIORS TASTE FIRST DEFEAT

The Howe Junior High School football team suffered their first defeat of the season largely because of fumbles. Howe lost the ball on fumbles four times. The game was played in the mud and with a heavy dew and the ball, in spite of the constant wiping with towels by the officials, was almost always wet and slippery.

The Puppies though made a good showing against the much larger boys from Anna.

Just after the first Anna touchdown, Rickey Cody took the kickoff on his 20 yard line and ran it back 80 yards for a TD, extra points failed and Anna led 8-6. A little later Rickey intercepted an Anna pass but they were not able to consistantly move the ball.

EVERY VOTE COUNTS INCLUDING YOURS

If Americans follow their usual voting habit this November, they will stay away from the polls in droves. Most of them will use the lame excuse that "my vote really doesn't matter anyway." Nothing could be farther from the truth.

The records contain hundreds of elections which were decided by the slimmest of margins. And in nearly every case the people who don't vote hold the balance of power.

—Lindon Johnson was first elected to the Senate by a majority of 87 votes in the whole State of Texas.

—In 1956, despite a heavy popular vote for President Eisenhower, that election actually was decided by one out of every ten eligible voters. The 40,000,000 American who did not vote represented nearly 40 percent of the total voting public.

—The 1956 gubernatorial election in Illinois was won by less than one vote per precinct.

—In 1948, President Truman carried the states of Ohio and California by a margin of close to one vote per precinct. Ohio was won by only 7,017 votes in 9,247 precincts, California by 17,865 votes in 16,802 precincts.

—Our 1960 presidential election proved how close an election can be. John F. Kennedy's plurality over Richard M. Nixon was only 112,803, and there were 68,833,241 total votes cast. A shift of 1,838 votes in just two states (Illinois and Missouri) would have turned the election.

One of the most common mistakes in a presidential election is that the voter casts his ballot for president and ignores the rest of the contest. For instance, in the Fifth Congressional District in Ohio in 1956 122,018 persons voted for president, 9,600 of this number did NOT cast a ballot for congressman. The same thing happens very often.

We Americans no longer can no longer afford the luxury of trusting "the other guy" to determine who will govern us and how. Your vote is vitally important. Use it. But remember, you can't vote unless you are properly registered.

The **Howe Enterprise**

THE HOWE ENTERPRISE, THURSDAY, OCTOBER 28, 1971, VOL. VIII--No. 15

Don't you forget it!
This is the week of the lost hour — or whatever you may want to call it. At 2:00 a.m., Sunday, October 31st, you're supposed to run your clocks, watches, sun dials, etc, BACK one hour.

If you're on the grave yard shift, and some Howeites are, and if you go to work at one o'clock, you may have to work until two, when the boss will run the clock back to one — and you'll have to start your day all over again. Most of them really won't be that hard on employees — most time pieces will be moved back before the appointed time — but it's a possibility.

If you're an hour early for work on the day shift Monday — don't check your watch cause it will be an hour fast.

More about busing!

As schools are now reopened busing of students for the purpose of integrating schools remains a hot issue in Dallas.

Also, busing is becoming a heated topic of conversation in the suburbs, because it is anticipated that an effort will be made to bus children in the suburbs in a few years.

The United States Supreme Court has ruled that busing be used as means of promoting integration. President Nixon has come forward to say that federal funds will not be used to aid in the busing of students.

This leaves unanswered several questions.

The first is, as busing becomes a commonplace in metropolitan areas for the purpose of integration, someone is going to pay for the new buses and the salaries of new bus drivers who will have to be hired to operate them.

No matter who pays, this money will be diverted from the dollars that have been earmarked for educating our children. The end result, of course, at a time when educa-

Four million road bond issue to be voted Saturday

Qualified voters in the Howe area will have an opportunity Saturday to cast ballots for or against a proposed \$4,000,000 county road bond right-of-way program for the Sherman and Denison area. Balloting will be in the First Baptist Church annex, from 7 a.m. until 7 p.m., Election Judge A. L. Reeves said.

A county committee for the proposal has stated passage of the issue would increase county taxes by four cents on the \$100 valuation.

But they estimate that the almost \$4 million needed for right-of-way will pave the way for the state and federal governments to contribute almost \$75 million to the construction projects. The federal government's part of this figure is expected to be about 40 per cent.

And, they note, once the county has purchased the right-of-way for the federal and state projects, Highways 75 and 82, half of those expenditures will be refunded to the county by the two governments.

Naturally, the committee says, the Grayson County economy will get a big boost from the influx of almost \$75 million in construction funds throughout the 10- to 15-year period expected to complete the proposed road work.

The committee estimates that a large percentage of that figure will be introduced into the county through wages, purchases and other expenditures.

The industrial proposition is based on the assumption that industry requires or prefers locations on controlled access highways, they note.

And the committee cites that

Grayson County is limited now in both large and small industrial tracts on controlled access highways.

Another related industrial aspect the committee says is that better highways will give employees quicker, easier and safer routes to jobs. This factor will permit them, if they prefer, to live in one part of the county and work in another.

Finally, revenue from a tax collected on every gallon of gasoline sold in Grayson County in other counties in Texas which can provide the right of way, they report.

Track Club Banquet Set Saturday

The Howe Track Club will hold its Annual Banquet on Saturday Night, October 30th at 8:00 P.M. at Underwoods Restaurant in Sherman.

Twenty eight members are to receive Awards for Outstanding Service during the year. Eight are to receive ribbons for wins in the State TAAF Finals. Over fifty athletics performed for the Howe

Roadrunners during summer track and field and cross country events that rounded out a year round program. Over twenty meets were participated in.

All members and their families are urged to attend.

Guest speakers will be furnished. Some new policies to improve next years program will be discussed.

***** Howe takes district opener, 19 12; showdown with Celina Friday night *****

Howe had a perfect homecoming last week climaxed by a district opening win over Prosper's Eagles by a score of 19-12. Showdown is scheduled this week, however when the Bulldogs meet the Bobcats at Celina for the lead in the district race. Game time is 7:30 p.m.

Highlight of the halftime activities last Friday was the crowning of the 1971 Football Sweetheart, and the election and presentation of "Mr. Touchdown" and "Miss Pep Squad."

Elected Football Sweetheart was Miss Theresa Cooper, a senior, and daughter of Mr. and Mrs. Robert Cooper. Other candidates were Kathie King, Cindy Newman and Paula McClellan. Presented as "Mr. Touchdown" was Bulldog half

back Robert Trotter, son of Mr. and Mrs. Paul Trotter. Receiving "Miss Pep Squad" honors was Kathie McClellan, daughter of Mr. and Mrs. James Howdeshell.

Fumbles Plague Bulldogs
Fumbles played a key role in the football contest, with the Bulldogs losing five after jumping to an early 13-0 lead.

First miscue was lost on the first Howe drive at the Eagle 43 but the 'dogs forced a punt in four plays and then moved in for their first TD, covering 43 yards in three plays. TD play was a 40-yard aerial from Quarterback Vincent Hash to Roger Lankford. Steve Underwood booted the extra point with less than six minutes elapsed playing time.

Howe scored again less than a minute later when Lenny

Gray picked up a Prosper punt and scampered 55 yards untouched. The Eagles apparently thought the play was dead after a Prosper player touched the ball. Officials' upraised arms indicated the six points would stand.

Prosper's initial score was placed on the board on the first play of the second quarter, via a 53 yard pass and run. Drive started at midfield, and the aerial was on a third and thirteen situation, an obvious passing situation. Attempt for a two-point conversion was short.

Prosper moved even closer to the Howe score late in the second period, scoring from the Howe 34 over right guard to climax a 64 yard drive. Another attempt for a two-point conversion also fell short.

Howe led at halftime, 13-12.

Robert Trotter returned an Eagle punt to the Prosper 35 late in the third quarter to set up the final score. Fullback Donald Pearce added the six points from the three after hitting for six yards each on two prior plays. Boot for the conversion was unsuccessful.

Prosper recovered the sixth Howe fumble late in the game and threatened to put a damper on the Homecoming. The Eagles picked up a first down on the Bulldog 19, but lost the ball on downs at the 16.

Howe's that...

WANTED: Hot air balloonist! The Howe Elementary School is looking for someone who has or knows someone who has a hot air balloon and who would be willing to bring it to the school, inflate it and take off while the students watch. This would be a good lesson on hot air, observation, sequence of events, safety, challenge, adventure and story writing followup. If you can help with this project, call the school at 532-6014.

FOOTBALL - If you usually read my write-ups on the varsity football games, you can tell from this week's story that I didn't attend the game. Due to an early Saturday morning appointment, my husband didn't want to make the trip to Callisburg. So I missed what sounds like a good game - 50-0. Wow! In three out of five district games, the Bulldogs have shut out their opponents: S&S, 76-0; Whitewright, 32-0; and Callisburg, 50-0. During district play Howe's opponents have scored only 13 points (Pilot Point beat Howe, 7-3; and Howe beat Aubrey, 33-6.) That stingy Bulldog defense has done a great job so far - keep up the good work, boys! And the offense hasn't done a bad job either, racking up a total of 256 points in eight games for an average of 32 points per game. Let's go all the way, Dogs! Beat the Tom Bean Tom Cats and the Bells Panthers! We know you can do it!!!

JORDAN is a hit in Paris - Paris, Texas that is. His dad's grandmother has several relatives in the Paris area. Every once in a while she takes Jordan to Paris to visit with all the relatives. He is such a little "ham" that he shows off for everyone and, of course, they all enjoy his antics.

His vocabulary is increasing as well as his jabbering. Some words we understand, others we don't. Right now he calls both dogs and cats - "gog" or "goggie." In fact, most all animals are "goggies!"

Volleyball Update

On Oct. 19 the volleyball teams competed against Callisburg. This was the day of the band contest and we had six freshmen, seven JV and eight varsity players.

The freshmen lost, but played proudly. Top scorer was Terrie Carson with 9 points in one game (10-15, 6-15).

The JV lost but gave them a run for their money (13-15, 7-15). Top scorers were Meranda Dobbs with 6 and Beth Juddkins with 7.

The varsity won (15-2, 15-7). Top scorers were Diane Bement with 5 and 4 respectively; Jennifer Troxell with 4 and 7 respectively; and Amy Campbell with 4.

On Oct. 22 the varsity only went to Nocona for a practice game and played some head's up ball only to lose in a three-game match (15-10, 8-15, 3-15). All members shared the scoring effort equally.

Dogs Roll Along With 50-0 Victory of Callisburg

For the third time in district 11AAA play during the 1991 season the Howe Bulldogs shut out their opponent, this time it was the Callisburg Wildcats. The final score Friday, Oct. 25, was 50-0.

Howe now holds a 6-2 season record and is 4-1 in the district, while Callisburg remains winless for the season. Bells is the current 11AAA leader with a 5-0 record while Howe is tied for second with Pilot Point who also holds a 4-1 district record.

The stingy Bulldog defense allowed the Callisburg Cats only 52 yards total offense, all on the ground. Howe's offense racked up a total of 288 yards for the night, 228 on the ground and 60 through the air.

The Dogs scored one TD in the first quarter, two in the second and three in the third. They ended their scoring in the fourth quarter with a field goal and a TD.

Howe wasted little time getting on the scoreboard as Brian Thomas scored a TD on the opening kickoff with an 85 yard run. Thomas was just promoted from junior varsity this week and proved he was up to varsity action from the first play of the night. Monte Walker booted the extra point for a 7-0 lead with 1:47 left in the first quarter.

Michael Bailey was the next Bulldog to cross the goal line as he scored on a 44-yard run which capped a 6-play, 47-yard drive. The kick failed and with 10:54 left in the second quarter, Howe was ahead 13-0.

Just over two minutes later Domingo Rivera scored a 1-yard TD. Walker's kick was good for a 20-0 score with 8:15 left in the first half. The Dogs used 4 plays to score starting at the Callisburg 14-yard line.

Rivera scored again early in the third quarter. The Dogs used 2 plays to advance the ball 36 yards to the end zone. Rivera's run for the TD was 25 yards. Walker's kick was good for a 27-0 lead with 9:04 left in the third period.

On Oct. 26 all teams played in the Howe gym against Aubrey.

The freshmen won!! (7-15, 15-9, 15-10) Top scorers were Carson with 3/ Meg Keene, Erin Freese, Stephanie Anderson and Jamie Middleton with 3 each/ Middleton, 5 and Keene- 4.

The JV won!! (15-6, 12-15, 16-14) Top scorers were Lori Collins with 5 in the first and 6 in the last and Brandi Hash with 8 in the second.

The varsity lost in a stay-alive-in-district match; however, they gave the tied-for-district Aubrey team something to worry about with 11-15 and 10-15 games. Top scorers were Amy Campbell with 5, Cindy Koonce with 3, and Heidi Keene with 3. Although the girls are out of the district race, they played Pilot Point Tuesday in a game that could make a difference. It was the seniors' last volleyball game. We're all proud of the distance they've come.

Three minutes later Jay Carson scored a TD on a 3-yard run. This successful drive used 5 plays to advance the ball 18 yards. The kick failed. With 6:13 left in the third quarter, Howe had increased the lead to 33-0.

With 2:14 left in the third quarter the Dogs advanced the ball 25 yards in 6 plays to score with quarterback Brian Freese making the final 2-yard run. Walker's kick was good for the 40-0 score.

Monte Walker booted a 28-yard field goal with 7:56 left in the game to bring the score to 43-0.

Scott Grogan scored the final TD of the night on a 42-yard punt return with 5:09 left on the clock. Walker's kick was good for the final 50-0 score.

TOM BEAN HERE FRIDAY Howe will host the Tom Bean Friday, Nov. 1. Game time is 7:30 p.m. at Bulldog Stadium.

Coach Joey McQueen said, "We are excited about facing Tom Bean. Anytime you face a quarterback as good as Adam Ball, it fires you up. This is always a big rivalry. The kids know each other the coaching staffs also know each other

pretty well." In Tom Bean's 34-7 win over Whitewright last Friday, Ball completed 25 of 43 passes for a total of 368 yards. The Tom Cats are now 2-3 in district play and 3-5 for the year.

Advance tickets are \$2.00 for students and \$2.50 for adults. They may be purchased until noon at the Howe High School office, Howe Middle School office, and Howe State Bank. At the gate tickets are \$3.00.

Howe's that

by Lana Rideout

At the football game last Friday night, I saw some friends across the way - about two benches below me and at the far end. At least I thought I saw my friends. When trading emails with my friends, I learned that they were unable to make it to the game due to some severe health problems.

I was still recovering from my allergy problems and maybe I had a little too much cough syrup! Anyway, the article below is cute and while I am not ready to retire - maybe I should!

Thoughts of a retired mind - Did I print this already?

I had amnesia once -- or twice.

Protons have mass? I didn't even know they were Catholic.

All I ask is a chance to prove that money can't make me happy.

If the world was a logical place, men would be the ones who ride horses side-saddle.

What is a "free" gift? Aren't all gifts free?

They told me I was gullible... and I believed them.

Teach a child to be polite and courteous in the home and, when he grows up, he'll never be able to merge his car onto the freeway.

Experience is the thing you have left when everything else is gone.

One nice thing about egotists: they don't talk about other people.

My weight is perfect for my height -- which varies.

I used to be indecisive. Now I'm not sure.

The cost of living hasn't affected its popularity.

How can there be self-help "groups"?

If swimming is so good for your figure, how do you explain whales?

Show me a man with both feet firmly on the ground, and I'll show you a man who can't get his pants off.

Is it my imagination, or do buffalo wings taste like chicken?

From the Superintendent's Desk

by Randy Hancock

A little while back I was out visiting with our Pre Kindergarten students while they were on the playground. One of the young boys passed by me, as he was on a mission of chasing down a toy that had managed to escape him, and in my most energetic, encouraging voice I said, "Hey little man what's up?" He stopped looked up at me, and in his most direct, determined voice said, "My name is no little man, I'm Jose." It was one of those precious moments we all experience with young children that we just never forget. I was also about to learn a very important lesson.

As I watched the body language of Jose, I realized he was not just trying to be cute or funny, he was serious. The bottom line is that he was proud to be Jose. As often do, I began thinking about how the lesson I just learned applies to me, our students, and to you in life. Here are some of my thoughts:

First - We need to be proud of who we really are. Our actions, attitudes, and behaviors are the things that allow us to do just that. I believe that everything we say, everything we do, and everything we think has an influence on how we see ourselves. The most important lesson we can learn in life is that we must be honorable, honest men and women of integrity that are determined to make a difference in the world, no matter what our position is in life, no matter how much money we have, and no matter how big the world may be treating us at the time.

Second - Let others see the pride you have in yourself

We must all remember that others are always watching us and taking note of our efforts. When we fail - do we get back up? Do we do our best to make things better, or do we seek to blame someone else and look for the mistakes of others as if their weakness makes us stronger? Do we approach our day to day activities so that as others see us, they are proud of us because of the way we live our lives? Just as importantly, are we avoiding that haughty pride that cometh before a fall, or the attitude of thinking we are better than everyone else? There is a balance that must be achieved between too much and not enough.

Third - We should show our pride for others, as well as for the school and the community. As you know, I have a great love for the people of this community and for this school district. I am proud of where I live and where I work. I know that you all feel the same way. I want to encourage you to show that support and show that pride. Our community needs people that are willing to participate in the Chamber of Commerce, in our volunteer fire department, and to be willing to serve on the city council. Our school district needs people that are willing to serve in our PTA, our booster clubs, and serve on our school board.

When you boil it all down, it is all about the same thing - being proud of who we are - just like Jose. I am proud to be a citizen of Howe, Texas; I am proud to be a Howe, Bulldog; and I am proud to be who I am and I want to make a difference in this world. Please join me in that goal - we will be amazed at what we can accomplish.
