

Howe's That

Howe-lloween is approaching and Saturday night will be an event in Downtown Howe for kids and adults. Vendors will be lined up throughout downtown with games and candy. Howe Fire Department will also have a fire truck in the downtown area for kids to see upclose.

The following evening, Sunday, Oct. 28 is the annual Harvest Fest at First Baptist Church in Howe. That event is always a hit and Trick 'R Treaters will have three chances to dress up this season as traditional Oct. 31 Halloween this year falls on Tuesday.

Being able to coach the kids of the fifth and sixth grade Bulldogs since they were in kindergarten has been an overwhelming joy. This Saturday, we will be playing in and trying to win our third Super Bowl Championship. We've won around 30 games in a row with this particular group and have outscored our opponents 555-25 in the last two seasons. We are asking for your support for these kids as they play at home this Saturday at 2 pm. The third and fourth grade have also earned a trip to the Super Bowl and will play at noon. The cost is \$3 and will be well worth it. Please support your home town kids.

Early voting starts today for the Howe ISD Bond

Early voting begins today for Howe ISD tax payers on a \$17 million bond that would allow for the district to construct a new four-grade campus to help with overall crowding of the 50-year-old campus that sits in the center of N. Collins Freeway, Roberts, Beatrice, Aubrey Streets. Early voting starts today through Nov. 3

reduce the traffic count during morning and afternoon times.

The new school would house the four grade levels of pre-kindergarten, kindergarten, first grade, and second grade. The new school would be constructed in a way that would allow for easy expansion to become a full elementary school as growth continues. The additional facility would allow for much more breathing room at the present elementary and middle school campuses where students are currently sharing one cafetorium and grade levels are eating lunch from 10 am through 1:40 pm. It would also

The ISD says that the school is growing by nine percent annually and that the approved bond would mean that a home appraised at \$100,000 would see a tax increase of \$14.31 per month. A home valued at \$250,000 would see an increase of \$42.94 per month.

A group has been formed by the name of "Bulldogs 4 Bulldogs" that have placed yard signs and banners throughout the city. They are also held a Silver Spike tailgate party on Friday in hopes of swaying voters in favor for the bond.

Band receives first division rating at contest

The Pride of Howe Marching Band successfully completed the first step in the advancement process by receiving a first division rating at the UIL Region 25 Marching Contest. At the

region level, bands are adjudicated by a panel of three judges and each judge is evaluating the complete show---music, marching, and overall

City officially annexes southern tip of US 75 property; sewer plant for development underway

Scott Norris of Tomlin Investments gives the city council information of development.

After 12 years of discussions between Tomlin Investments and the City of Howe, an agreement was reached and a round of applause broke out at the city council meeting on Tuesday night after the council members voted unanimously of an annexation of approximately 469 acres located between State

Highway 5 and US Highway 75 along Blythe Road.

The city put together a Chapter 380 Economic Development Program and Agreement that would allow for the developers to reinvest for future infrastructure development.

Van Alstyne makes it 11-straight over Howe, 53-27

Van Alstyne's Dylan Porter (14) tackled by Howe's Hunter Cheatham (7) and Dylan Moreau (12).
Michelle Carney/Howe Enterprise

The Silver Spike will remain in Van Alstyne yet again for another year as the Panthers (5-2; 1-1) came to Bulldog Stadium on Friday night and cruised up and down the field for 53 points against Howe (0-7; 0-2). Van Alstyne has now won 11-straight over Howe dating back to 2001.

Howe's last win was in 2000 - one year prior to the Silver Spike trophy coming into existence.

The Bulldogs started with the ball first and put together an impressive drive by running between the

Annexation

Continued from page 1

Conceptual drawing of the development in South Howe.

The development will take 36 to 48 months to be recognizable as a future site due to the process of constructing a wastewater treatment plant to serve the development and eventually the entire city.

"This has been going on for quite some time," Howe City Administrator Joe Shephard told the public. "There have been many many meetings between city representatives and Tomlin Investments. We've worked out an agreement that we think is both beneficial to the city as well as the investment company that will form a district to finance the infrastructure."

Shephard said that the best part of the agreement is that there will be a sewer treatment plant at the southern tip of the city in which the city will be able to tie into it in the future.

The city and Tomlin Investments agreed to a five-year period where Tomlin must meet certain criteria in order to qualify for the agreed upon reinvestments. Current and future Howe taxpayers that are not located in the newly created district will not be affected on any reinvestments provided to Tomlin Investments - only those within

the new development.

Shephard commended City Attorney James Tidwell and City Engineer Bob Helmberger on their efforts to move this deal forward with Tomlin.

"We just asked that the city be treated fairly and these guys did a great job," said Shephard, who then personally thanked Tidwell.

Scott Norris, representing Tomlin Investments told the council that the sewer treatment plant should be in operation in 36 to 48 months and that the paperwork is ready to be submitted to the State of Texas.

"We are going to spend an exorbitant amount of money and we're going to get a portion of that money back," said Norris. "Our reimbursement comes from our future residents and they're treated just like your current residents with police and fire protection that are already in place for Howe citizens."

The development will include commercial property designations on both US 75 and Highway 5 that is in the Howe sales tax base. The home values in the new development are expected to be in

Our Kids Need Help

Howe ISD is GROWING!
Enrollment is increasing over 9% PER YEAR!
We NEED a new school to protect our future.

What the Bond Will Do?

\$17M will provide a new school for grades pre-K through 2 designed specifically for expansion of higher grades as growth continues.

How Much Will the Bond Cost Me?

If your home is:
\$100,000 = \$14.31 Per Month
\$150,000 = \$23.85 Per Month
\$200,000 = \$33.40 Per Month
\$250,000 = \$42.94 Per Month

If you are 65 or older or have other exemptions, this will not affect your taxes.

What Can You Do to Help?

Register to Vote

If you haven't registered to vote, or know someone who hasn't and is eligible, visit:

tackles with Andrew Griffin. The big play was a halfback pass from Mason Riggs to Ty Harvey who walked a tightrope down the sideline before running out of bounds. Howe was first and goal from the ten when they attempted their first quarterback pass which was incomplete in the endzone. Howe's next two running plays lost a yard and Calley Vick hooked a 28-yard field goal attempt which made the 11-play, 60 yard drive empty of points to start the game.

Van Alstyne, who came into the game averaging 37 points per game, wasted no time marching

down the field and punching in the game's first score with a 61-yard touchdown run on a quarterback keeper by the speedy junior signal caller Rhett Gallagher. The PAT by Austin Moore gave Van Alstyne a 7-0 lead with 4:43 left in the first quarter.

Howe's next possession was a four-and-out punt that gave the Panthers the ball at their own 33 yard line. Three plays later, Gallagher scored again, this time from the seven yard line. After the Moore PAT, the Panthers led, 14-0 with 1:45 remaining in the first quarter.

Bulldogs *Continued from page 2*

Howe quarterback Chase Harvey (25) moments after scoring one of his three rushing touchdowns on the evening.
Michelle Carney/Howe Enterprise.

Howe's offense began to find a groove again by marching down the field on 10 plays for 49 yards. But again the drive stalled out with no points.

In the second quarter, Van Alstyne started a drive at the 10:04 mark from their own 20 yard line. The Panthers took nearly three minutes off of the clock on a 10-play, 80-yard drive that ended on Gallagher's first touchdown pass of the night. Chase Wilson hauled in a 17-yarder to give the rival Panthers a 21-0 lead with 7:13 left before the half.

Howe finally broke through the scoring drought on their next possession on an 8-play, 75-yard drive that was capped off by a 5-yard bulldozing run by Andrew Griffin. That cut the Van Alstyne lead to 21-7 with 3:45 left on the clock in the first half. That turned out to be well enough time for the Panthers to score again and this time it was Moore to catch a 29-yard strike over the middle from Gallagher. The PAT was no good and the Panthers led, 27-7 with 1:36 left on the clock. Howe's drive ended the first half with a punt.

Van Alstyne started the second half with the ball and took only six plays to score when Gallagher hit Dylan Porter on a 34-yard touchdown pass. The Panther lead crept up to 33-7 with 9:25 left in the third.

Howe answered right back, however, with a 1-yard quarterback keeper by Chase Harvey. The score was 33-14 after the Vick PAT.

As Howe's offense continued to move the ball on Van Alstyne, Howe's defense was unable to stop the Panthers attack. Tanner Jones scored from the eight to cap off a 4-play, 75-yard drive and extend the lead to 39-14 with 5:38 left in the third quarter.

Howe again answered back on a 6-play, 58-yard drive that ended on Chase Harvey's second rushing 1-yard touchdown of the evening. The score became 39-21 with 2:44 left in the third.

But again, Van Alstyne was able to slice through the Howe defense and scored quickly on six plays, going 71 yards. Porter caught his second touchdown reception from Gallagher on a 19-yarder to put the score at 46-21 with only five seconds remaining in the third.

Howe's offense was finally snuffed out and Hunter Cheatham boomed a 42-yard punt to put the Panthers back at their own 31 yard line. But Van Alstyne slowed down the pace and took five minutes to go 11 plays and 69 yards before sophomore Jake Carroll punched it in from the four yard line to make it 53-21. That left 6:02 remaining in the game and Howe was able to punch in another score on a 12-play, 75-yard drive that ended in Harvey's third rushing touchdown of the night, this time from the six yard line. Howe cut the Van Alstyne lead to 53-27, but that became the final only seconds later.

Griffin had 141 yards on 25 carries to lead the Bulldogs. Chase Harvey added 80 yards on 12 carries. Others were Austin Lee (5-25), Mikey Hymel (1-15), Mason Riggs (2-(-3)), Dylan Moreau (1-(-1)).

Chase Harvey threw 10 passes, completing three of the m for 79 yards. Riggs also was one of one for 26 yards. Hymel threw one incomplete pass.

Andrew Griffin caught a middle screen for 63 yards for his only reception. Ty Harvey had three catches for 42 yards before he left the game with a knee injury.

Howe had 257 rushing yards and 105 passing yards. Van Alstyne rushed for 260 and passed for 306. The 566 yards given up by Howe were the most since eventual-state champion Waskom had 608 in the regional championship game in 2014

The playoffs for Howe are still a possibility as they need to beat Pilot Point and Callisburg and also have help in the points category.

Howe travels to Whitesboro on Friday. The Bearcats are 4-3 on the season and 2-0 in district play with wins over Van Alstyne and Pilot Point.

Learning to read our heavenly blueprint

Dr. Billy Holland

I recently spent an afternoon with a young man as he was sharing about his search for personal direction. In his attempt to discover what type of life God wants for him, he's hoping that he will eventually find happiness and contentment. I truly respect anyone (especially a teenager) that is trying to do the right thing and willing to invest the time it takes to search until they find it. I remember a few years ago reading about another young man named Guiseppe, who was also trying to find his place in the world. His parents had come to America from Sicily and his father was from a long line of fisherman (no pun intended). His father was very proud and considered it an honor to carry on this profession and he expected all of his sons to continue just as all the generations before. The problem was that even though he wanted to please his father, the Sea and the smells of dead fish made Guiseppe nauseated. Instead of this type of work, he had a passion to play sports. Sadly, throughout his teenage years, his father was very disappointed and constantly declared Guiseppe was lazy and would grow up to be good-for- nothing. Nevertheless, in spite of the emotional hurt and pain, he continued with his vision and surprisingly ended up more successful than anyone in his family could have ever dreamed. You may have heard of him, his full name was Guiseppe Joe Dimaggio.

Horace Bushnell is quoted, "There must be detail in every great work" and if we stop and think for a moment, we can see that paying attention to even the smallest features and components can make a huge difference between success or failure. Creative individuals are called dreamers and visionaries and its true with high expectations they achieve wonderful accomplishments but somewhere within the advancement process you will find that either themselves or a team of trusted supporters worked diligently to make sure all the tiny elements and aspects of the original idea was taken care of. Mr. Bushnell went on to say, "Accurate and careful minding of common and small tasks, combined with general scope and vigor, is the secret to efficiency." This is an excellent principal to our natural life but we can also apply this wisdom to our spiritual life as well. Becoming a Christian does not complete our mission – it enables us to begin. Until our spiritual eyes are opened, we are not able to interpret how our divine blueprints were meant to guide our everyday life. The same way that a good education or a successful profession does not just fall out of the sky, we must accept that becoming spiritually sensitive and developing our faith also does not just automatically happen.

So, how can we begin to pay attention to our divine blueprint and become more enlightened to what God's will is for our life? We begin with the desire to know what He wants us to do. As we are constantly making decisions let us remember that God will not force us to follow His instructions. For example, we know that praying is the most powerful spiritual action we can take, but to what level are we willing to persevere in order for prayer to become an essential part of our life? It would be such an inspiration if we could grasp how God has planned a wonderful destiny for us and is just waiting for us to not only see it but also to become determined to accomplish it. When we take a serious look at this concept, we notice right from

the beginning that our level of desire will ultimately measure our how successful we will be. We have heard the old saying that, "if we can dream it – we can build it" but let us also be reminded there is no substitute for hard work and no such thing as an overnight success. Herman Melville is quoted, "It is better to fail in originality than to succeed in imitation." We can reach for the stars but may we keep

in mind the purpose of our destiny is not necessarily for our pleasure or glory but in order that we might fulfill HIS plan.

Dr. Holland lives in Central Kentucky with his wife Cheryl, where he is a Christian author, outreach minister and chaplain. Learn more at: billyhollandministries.com

Learn about antiques and collectibles with Dr. Georgia Caraway

Dr. Georgia Caraway

pranks were relatively harmless, but modern mischief-makers escalated their practical jokes to more dangerous activities. I remember my dad telling me about turning over outhouses up and down the alley that faced his neighbors' backyards. Seemed pretty harmless until they turned over one occupied by an elderly neighbor. Many cities organized community activities to channel destructive energies into more peaceful alternatives.

After WWII Halloween underwent another transformation influenced by the post war economic boom. Mass produced costumes of not only ghosts, demons, and witches, but also popular culture icons such as cowboys, princesses, and comic book characters became common.

We follow this tradition today. The top trending costumes for 2017 are super heroes (esp. Wonder Woman and Superman), politicians (Hillary and Bill and President Trump), characters from Game of Thrones, clowns (made popular by Stephen King's It and American Horror Story), orange prison costumes (from Orange is the New Black), Minions, Star Wars, and Harry Potter characters, and even techy symbols like emojis and hashtags.

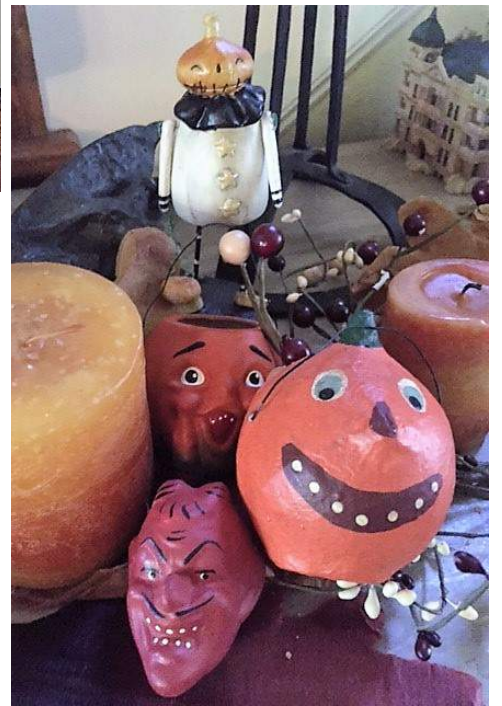

Howe Mercantile will be having a Trick or Treat Flea Market sale in the backyard of our buildings from Thursday through Saturday October 26 - October 28 from 9 a.m. until 3 p.m. each day. Come buy some bargains. Sales will benefit the Save the Church restoration project.

Then plan to dress up and bring your costume-clad children and grandchildren for Howe-lloween October 28 between 6 pm and 9 pm in Downtown Howe. There will

Dr. Georgia Caraway, former director of the Denton County Museums for 14 years, and her friends opened the Howe Mercantile at 107 East Haning. Store hours are Thursday through Saturday noon until 8 p.m. She has written five Denton history books. She hopes her next book will be the history of Howe. If anyone has photos that she can copy, please bring them to Howe Mercantile.

Downtown Howe has two gift and antique shops—Howe Mercantile and Stark Farms Gifts. SHOP LOCAL. We can show you Howe!

be vendors giving out candy, entertainment, good eats and treats, FUMC's trunk or treat, and Howe Mercantile will be open with some special sales to start the Holiday season off right. This event allows children and adults to have fun with this spooky night and promotes safety for everyone.

A special feature will be Bucky (Wayne Carlisle) and his Howe-made goat milk soap from Bucky's Goat Soap.

Texas History Minute

Dr. Ken Bridges

Dr. Bridges is a Texas native, writer, and history professor. He can be reached at drkenbridges@gmail.com.

History knows well the story of John Hancock, the patriot from the American Revolution whose name is featured prominently on the Declaration of Independence. But there is another John Hancock who had his own adventures in war and politics. This John Hancock would travel to Texas, serve as a judge and attorney, and later become a member of Congress.

John Hancock was not related to his famous namesake. This one was born in October 1824 in Jackson County, Alabama, a lightly populated area in the northeast corner of Alabama. He was the seventh of ten children born to John and Sarah Hancock.

Hancock's oldest brother, George, was 17 years his senior. In 1835, he had left Alabama for Texas where he served in the Texas Revolution, fighting at the famed Battle of San Jacinto in 1836. He later became a respected and prosperous merchant in the Austin area. Tales of his adventures in far-off Texas inspired the younger Hancock, who began planning for his own successful career.

After spending his childhood on the family farm, he went to nearby Knoxville, where he studied at the University of East Tennessee. After graduation, he began an apprenticeship with an attorney in Winchester, Tennessee, not far from his childhood home. He studied the law and procedures carefully before going to an Alabama judge to show his competency in the law. As a result, in 1846, not yet 22, he was admitted to the bar in Alabama.

The next year, Hancock moved to Austin and started his own law firm. It proved very successful, and his reputation grew. In 1851, at the age of 27, he was elected as a district judge. On the bench, he was well-regarded by court observers and attorneys. His proceedings were respected as efficient and fair and his rulings were sound. Though elected to a six-year term, he apparently grew bored with serving as a judge and became enticed by other

opportunities. He resigned in 1855, began ranching and resumed his law practice.

As tensions between North and South flared, he was drawn back into politics. He was elected to the state legislature in fall 1859 as a Unionist Democrat determined to keep Texas in the Union. The Texas Hill Country and the Red River Valley were known for their strong Unionist stands. After the election of Abraham Lincoln as president in fall 1860, secessionists began driving southern states from the Union.

Gov. Sam Houston was also a devout Unionist, at one point declaring that Texas had shed its blood to get into the Union. Hancock stood with Houston against the forces of secession, but it soon became clear that Texas Unionists were far outnumbered among voters and legislators. Houston reluctantly called for a secession convention and a later vote. Texans voted overwhelmingly for secession, and the secession convention demanded that all officeholders swear an oath of loyalty to the Confederacy or their elected offices would be declared vacant.

For Hancock, political expediency did not matter. Principle was what as stake. He refused to take the oath supporting the Confederacy. Like Houston, Hancock was expelled from his office by March 1861.

He remained a conscientious objector throughout the Civil War, often moving from one place to another. He still worked as an attorney, practicing only in Texas courts and refusing to try cases in Confederate courts. After the Confederate draft was enacted, officials began looking for him to press him into the army. Hancock fled to Mexico in 1864 rather than serve, still determined to support the Union. By the spring of 1865, he was in New Orleans when he learned of the Confederate surrender and returned home.

Hancock returned to politics, serving in the 1866 State Constitutional Convention, working to make Texas part of the United States again. In 1870, he was elected to Congress, representing most of Central Texas. Much of his work in Congress dealt with policies relating to the treatment of Native Americans. Settlers on the frontier had long been enraged with the fights between settlers seeking new lands and the tribes determined to defend their own lands. Hancock's stances toward the tribes were harsh, echoing the policies of President Ulysses S. Grant and many other westerners at the time. He supported the policy forcing tribes on the reservations, pushed legislation cutting rations provided by the federal government, and pushed laws allowing hunting parties to

leave reservations only when accompanied by the army.

He was defeated for re-nomination in 1876. He returned to Congress in 1882, served one term, and declined to run again in 1884. He retired from politics altogether, but he enjoyed a lively law practice. He remained an active and popular presence in Austin courtrooms, sometimes defending the most notorious clients. He died in Austin in July 1893 at the age of 68.

Howe Community Library Report

Howe Community Librarian Melissa Atchisson gave an update to the city council on Tuesday on circulation counts, budget, attendance, and volunteers.

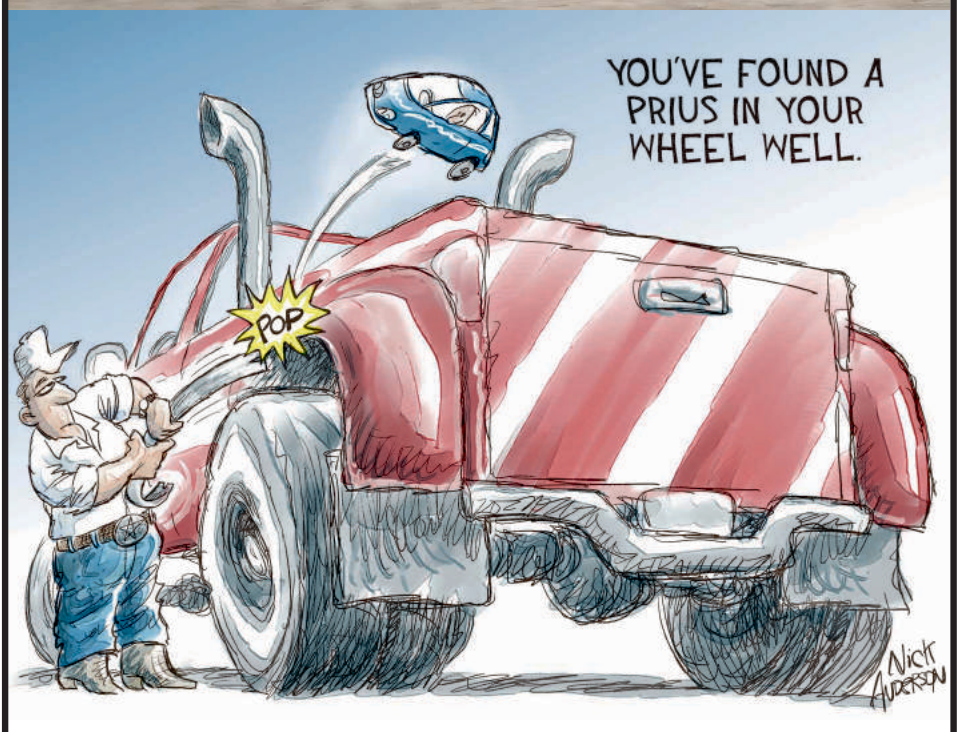

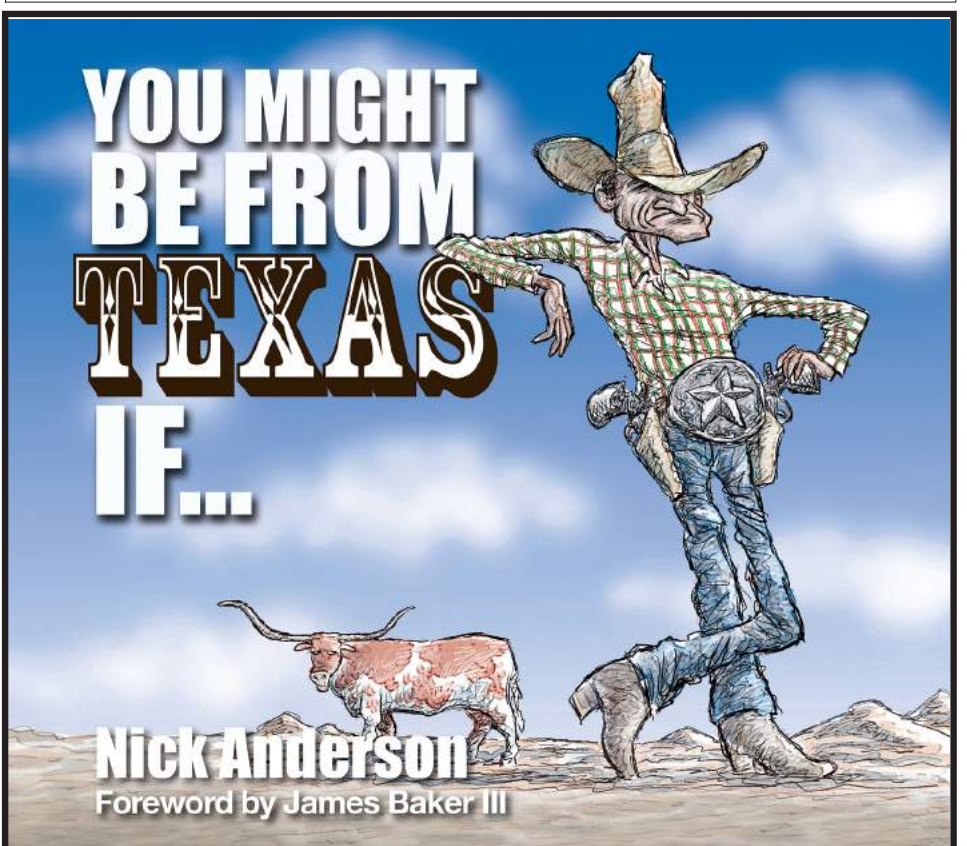

She reported that the circulation of books is up from 34,405 to 37,590 from the previous year. Atchisson attributed that to the growth of the amount of students at the elementary and middle school campuses. Also increasing was eBooks from 2,022 to 3,071 and Audiobooks up from 98 to 135. Videos were down from the previous year which was attributed to the growth of online movie companies such as Netflix.

Overall, the circulation was up from 38,712 to 42,826.

The budget of the Howe Community Library is comprised of a partnership with Howe ISD, the City of Howe, and Grayson County.

Congruent with other Howe programs, volunteers and hours were way down from a year ago. Attendance programs were up with child and adults, but down in the youth category.

The overall gate count for city patrons was up from 7,762 to 9,775. New library cards issues went up from 86 to 103.

Fifth and sixth grade Dogs making third trip to Super Bowl

Cooper Jones scores on a 37-yard reverse to start Howe's scoring barrage. Jennifer Daniels/Howe Enterprise

Defense was the name of the game on Saturday as the Bulldogs held the Tom Bean Tomcats to negative total yards of offense. Howe scored on the first play of offense on a 37-yard reverse to Cooper Jones. Jones also caught the 2-point conversion from Jacob Campbell. Campbell and Jones connected for a 38-yard

touchdown pass to give Howe an early 14-0 lead.

In the second quarter, Garren Lankford scored on a 49-yard run to up the lead to 20-0. Braden Ulmer ran the opening second half kickoff back 53 yards for the score. Ulmer also caught the 2-point conversion pass from Campbell to give Howe

Howe's third and fourth grade advance to Super Bowl with win

The Howe third and fourth grade Bulldogs played Leonard in the semifinal round on Saturday. The 'Dogs lost to them in the regular season 26-0. However, they were able to shut them down and win 13-6 and advance to the Super Bowl to be played at noon in Howe this Saturday.

It was 13-0 when the clock hit 00:00 but a penalty gave them a free play from the one yard line in which the Tigers scored. It took the entire team putting in a very good practice week to get ready for the game and the coaches credit the kids that ran

the scout teams for the starters.

This win was a true team effort but there is no contention for the highlight of the game. The boys ran a flea flicker pass play they have named "monkey wrench" for a touchdown. The team said it was a big morale boost to have Coach Simmons on the sidelines.

Howe will play Collinsville in the Super Bowl at noon on Saturday at Bulldog Stadium in Howe. The Bulldogs beat the Pirates, 19-13 in the regular season on Sept. 23.

the 28-0 lead.

Marshall Larsen scored the games final touchdown on a 27-yard sweep. He also scored the 1-point conversion for the game's final score of 35-0.

The coaches said that the non-starters who worked so hard in

practice running scout team were the biggest reason for the win. They want to thank the parents for the true team spirit they have shown as well as their great kids.

The Bulldogs are 8-0 and have outscored their opponents 282-14. They will play Blue Ridge (8-1) in the Super Bowl at 2pm in Howe.

Middle School Recap

Howe played a combined seventh and eighth grade game on Thursday and started the night off with a good start. Luke Lopez, Sabian Acevedo, and Kevin Bateman all had a good game running the ball. Lopez had a couple of touchdown runs longer than 50 yards. Both teams traded touchdowns back and forth and finished with a 18-18 tie.

The seventh grade played a hard fought game. They controlled the time of position throughout most of the game and pounded it on the ground. Ryan Hough had a big night catching the ball and secured a touchdown catch. Austin Haley threw for a touchdown and ran one in on a quarterback sneak. Carson Daniels ran hard all night and scored a touchdown as well. Matthew Hayes, wearing Tate Harvey's jersey number 15, had a

big interception in the redzone that halted a Van Alstyne drive. In the end the Bulldogs came up short, 24-18.

The eighth grade played one of their best games of the year. If it wasn't for a few costly mistakes they very well could have won the game. Kelyan Jaresh had a touchdown run and ran the ball well all night. Clay Parish made some good plays from the defensive end position and had a couple of tackles for loss along with Jaryn Grisham. Ethan Lopez returned an option pitch for a defensive touchdown that brought the Bulldogs right back into the game late. Eli Wilson had a touchdown scamper after running the ball well on a long drive. Final, VA 34 - Howe 20.

Howe's first and second grade end season with 14-0 loss

Phillips to speak to Texoma Patriots

Submitted by the Texoma Patriots

The Texoma Patriots are inviting the public to join them at their next meeting which takes place next Monday, October 23, at 7 p.m. at Buck Snort BBQ in Downtown Van Alstyne. The top will be the seven amendments to Texas Constitution on the November 7 ballot. The speaker will be Texas House Representative Larry Phillips - District 62. The address for Buck Snort BBQ is 224 E. Jefferson, Van Alstyne TX

Larry Phillips, Texas Representative, District 62, has once again volunteered to come explain and answer the questions about the amendments to the Texas Constitution that require voter approval before they take effect.

Election Information:
 First Day of Early Voting Monday,
 October 23, 2017
 Last Day of Early Voting Friday,
 November 3, 2017
 ELECTION DAY, Tuesday, Nov. 7, 2017
 - 7 a.m. to 7 p.m.

Have you heard about ANTIFA? The group will show a short film explaining the movement.

Rep. Larry Phillips (R)

Everyone is welcome and there is no charge to attend the meeting. The barbecue buffet will be open at 5 pm so they invite you to come early to eat.

Howe High School

October 2017 Update

Compiled by: Taylee Moss, Yearbook Copy Editor

Dressing up

In true Howe Spirit, students met the Homecoming dress up prompts fully and with creativity. This year's spirit week focused on the American spirit and patriotism.

On Monday of spirit week, students were divided into upper

and lower classmen to dress in stars and stripes respectively. Tuesday was "Tacky Tourist Day", and teachers and students dug out their Hawaiian shirts and fanny packs to dress as tacky as possible. Wednesday had the school seeing double as pairs of friends dressed alike for twin day. Bulldog nation day was Thursday. Students were dressed head to toe in black and white to support the bulldog spirit. Finally, on "Freedom Friday", the patriotic spirit of Howe was overwhelming as students wore anything and everything stars and stripes or red, white, and blue. The students and staff had a great time dressing up and showing their school spirit!

Dance or workout?

Saturday the 23rd had various students of Howe High and their dates gathered in the cafeteria to dance the night away. The homecoming dance was casino themed, and the cafeteria was covered in playing cards and poker chips. Students danced their hearts out, and a fair amount of sweat as well! The high school cafeteria was full of energy as music pounded out of the speakers masterfully compiled by Mr. Gerald Pilkilton. Students had a great time and got in a good workout while they were at it!

Howe Royalty

Each year the students of Howe High vote on a boy and a girl to represent the school as the Homecoming King and Queen. The queen was announced before the homecoming football game on September 22nd. It was revealed that Alli Morgan was this year's homecoming queen and she was excited to hear the news while standing on the field that Friday evening. The following day, Cade Courtney was announced as king during the homecoming dance. Cade was enthusiastic about his victory and celebrated through dance.

Harvey Volunteers

Student Council had several volunteers collect donations at the homecoming football game. Student volunteers stood at the gates and wondered the stadium asking spectators for donations to

the hurricane Harvey cause. The students were vastly successful the money will be donated to a school in the Houston area to help in this needy time.

College Fair

On September 19th representatives from colleges across the country came together to inform curious students about the schools they are representing. Students were excused from class briefly in order to gather in the cafeteria and receive any information they want about a school they are interested

in attending. Students were able to give the colleges information about themselves in order to remain informed about the school and its opportunities.

Students gained valuable information and insight into schools they are interested in, and left thinking about the future.

BULLDOGS 4 BULLDOGS

Howe High School

October 2017 Update

Compiled by: Taylee Moss, Yearbook Copy Editor

Interacting with the Community

Senior, Connor Jackson, took the initiative this year to start a Howe chapter of the Interact club with the help of Ms. Heilman, the school counselor. Interact is the student run high school branch of the Rotary club. Connor has done the brunt work in starting the organization and Ms. Heilman is proud of the work he has put into it.

Despite its infancy, the Interact club has already elected officers, done a community project, and taken representatives on a field trip.

Connor was unanimously voted to be the organization's president, the other members of the leadership team include Gage Hendrickson (Vice President), Stephanie Lukash

and Amanda Miller (serving together as Treasurer), Micaela Wade (Secretary), and Karsyn Fleming and Jorie Seibold (Public Relations). The members of the leadership team are enthusiastic to serve the organization and community.

In order to help those families displaced by hurricane Harvey, the Interact Club began to collect jars of peanut butter. The organization was able to collect 54 jars for their cause!

On September 30th, the Interact club leaders took their peanut butter to a conference where they learned about starting a chapter of Interact and compared their peanut butter haul to other chapters. The Howe chapter was only two jars short of coming in 4th place!

See You at the Pole

On September 27th students gathered around Howe High's flag pole to pray. Students prayed over a variety of subjects and joined

hands in a show of fellowship. Students had a positive start to their day and a doughnut at this heartwarming gathering.

Chipotle Fundraiser

Throughout the two weeks before October 6th, the high school Student Council adamantly advertised their "Chipotle Fundraiser". The student council partnered with the restaurant in order to raise funds for the organization. When ordering food at the restaurant, if a customer said they were with Howe Student Council or showed the cashier a flyer, the restaurant donated 50% of the proceeds to the student council. Thanks to the supportive members of the Howe community, the student raised \$278! These funds are put to good use by the student council for various events and activities.

We're not playing

One Act Play is underway! Ms. Nail and Ms. Wilson of Howe High School have already held auditions and assigned roles. Rehearsals began on October 11th. The cast and crew alike are ecstatic for their performance of *Monster* by Don Zolidis. The play has a dark and creepy tone and tells the tale behind the writing of Mary Shelley's *Frankenstein*. The team is determined to be stiff competition this spring when they compete.

Two Howe students appeared on the RFD channel

Two Howe students, Ainsley and Kelton Denham and their horses made an appearance on the RFD channel on Wednesday morning. The two students have a tradition of riding their horses to school on the first and last days of school.

Their father, Jeff Denham, a Howe ISD Board of Trustees member submitted photo to the RFD

channel which caught the eye of the producers of the news show that is on from 8 am to 1 pm.

The Denham family is active in the community and active in the local rodeo circuit as well as youth baseball, basketball. The Denham family is very active volunteering their time in various Howe programs.

Howe ISD School Board report

Howe ISD held a public hearing for the FIRST rating, which is a rating system that scores the financial integrity of Texas school districts. Howe ISD was proud to report that it received a perfect score and a Superior Rating for 2016-17.

The 2016-17 audit report was presented by Rutherford Taylor & Co., and Howe ISD received a clean audit.

The district and campus improvement plans were adopted

for 2016-17.

The November meeting was moved to Nov. 16 due to the fact that the regular meeting date fell during Thanksgiving break.

Shannon Chapin was offered a teacher contract.

The enrollment in third grade reached 90 students last week, necessitating the creation of a fifth section in order to comply with the state-mandated 22:1 student teacher ratio. That transition will take place this coming week.

Band *Continued from page 1*

musicianship/general effect. This year, 1A, 2A, 3A, and 5A bands who receive first division ratings from at least two of three judges can advance on to the next level. The Howe Band received "1's" from all three judges and will be competing in the Area B Marching Contest at C.H. Collins Athletic Complex on Saturday, October 28th. (The schedule will not be

finalized until after Wednesday, when all other Area B regions have completed their contests.)

"We're excited to work hard this week and continue to improve each detail of the show," said HHS Band Director Angie Liss. "This area (Area B) is an incredibly competitive area with several quality bands. It should prove to be a day with excellent shows."

Annexation *Continued from page 2*

the \$250,000 range to begin and migrate upward.

The city says that the agreement will retain a portion of the taxable amount within the district. The eventual wastewater treatment plant would allow for the separation of the current sewer contract through the City of Sherman that sees the City of Howe paying the rate of a commercial business. It has yet to be determined who will own and operate the treatment facility upon completion, but the cost of sewer for citizens should be well reduced due to the extinction of the current contract.

The district will also make water improvements to the development and construct a storage container for water. The addition of homes will be able to reduce the water cost to Howe citizens due to the addition of homes sharing the cost.

The benefits to Howe and Howe citizens are not only the reduction of utility costs but the new opportunities that come with new developments.

In a recent citizens survey, the number one want and need was

indicated to be a grocery store.

"In order to attract a grocer or other retail centers to improve the quality of life and bring jobs, those companies have to have a certain population criteria in order to qualify," said Howe's Economic Development Director Monte Walker. "With the addition of Summit Hill and this future development, the city is getting closer to reality for those opportunities."

The residential growth that inspires the commercial growth will feed the local city's economy which will result in better streets, parks, and overall infrastructure. Currently, Howe has the least amount of sales tax revenue for any city along Highway 75 or Interstate 45 from the Red River to Palmer, Texas - which is 28 miles north of Corsicana.

The round of applause after the motion was passed was in part due to the finalization of hard work by many involved for many years. But it also may have also been for the sudden realization that the financial opportunities that will soon begin for Howe have finally come to fruition.

First Baptist Church Harvest Fest

HHS Robotics

The Howe High School Robotics team started building their robot back in September for the competition that took place over the weekend. Howe made it to the semifinal round and placed first in the wildcard round and overall finishing 16 out of the 52 teams.

The Howe High program is led by teacher Sam Wingate who has been involved with the robotics competition for over four years.

"We've got one experienced builder, but we have others that are experienced in other areas such as marketing and presentation," said Wingate.

Bryant Slawson is the experienced builder. He has been attending Howe schools since kindergarten.

"I've been working on the assembly to shoot golf balls with the musket," said Slawson. "I've been working to get it able to shoot with a lot of power but it is more difficult than I

thought it would be."

Slawson likes the robot's simple design choice with multiple functions.

Early exposure to hands-on learning and STEM education is one of the best ways to engage students and ultimately set them on a long-term path for success in college and a career of their choice. Robotics programming allows students to receive exposure to real-life problem solving in a competitive, fun environment.

The UIL robotics pilot program began during the 2015-2016 school year and continues for 2016-2017. The pilot program has two divisions, UIL Robotics: BEST™ Division and UIL Robotics: FIRST® Division. The FIRST Division will include two programs, the FIRST Robotics Competition (FRC) and the FIRST Tech Challenge (FTC).

This Week In the News

PREPARED BY STAFF WRITER

VOLUME XVII HOWE, GRAYSON COUNTY, TEXAS, FRIDAY, OCTOBER 18, 1940 NUMBER 38

UNDER THE Dome at Austin

By GORDON K. SHEARER
United Press Staff Correspondent

Austin, Texas (UP)—Four pensioners of Texas' War for Independence receive \$37.50 quarterly from the state. All are widows of men who have participated in the struggle that resulted in establishment of the Republic of Texas more than a century ago.

A bounty of 640 acres of land was given to the soldiers who fought in that war, when the Republic took over the vast land areas that formerly had been under Mexican control.

Later pensions were granted to the families of Deaf Smith and other participants in the war by individual pension acts. Some of these acts provided money grants; others grants of public land.

It was not until 1870 that a general pension act for the survivors of the Texas War for Independence was passed.

Curiously enough the annual appropriations to pay these "widows' mites" are classed as payments for widows of soldiers of the Mexican War. For this reason many have confused the recipients with widows of soldiers who participated in the later war between the United States and Mexico. The "Mexican War" referred to is one between the Republic of Texas and Mexico.

At least two of the remaining pensioners married a participant in the decisive battle of San Jacinto, in which the Texan forces under Gen. Sam Houston defeated the Mexicans under General Santa Anna. The husband of another of the pensioners was Santa Anna's guard after capture of the Mexican army commander.

This pensioner is Mrs. Julia Kersting Redfield of Giddings, Texas. She married Henry P. Redfield in 1872. Redfield threw in his lot with the Texans when a mere youth. Born in New Hampshire in 1819, he came to Texas in 1830, settling near San Felipe. He is said to have taken part in the opening battle at Gonzales in 1835. He later participated in Indian battles and was in Gen. Zachary Taylor's army in the war between Mexico and the United States. He served also in the Confederate army.

His widow was a native of Washington county, born near Long Point, Nov. 8, 1855.

Mrs. Mary C. Berry, living near Baird, is the widow of a Texas freeman who fought at San Jacinto. He was Andrew Jackson Berry, born in Indiana in 1816. His father brought the family to Texas in 1828 settling on what now is known as Berry-Creek in Williamson county. Young Berry became a member of Capt. Jesse Billingsley's company of volunteers. He served later in the Confederate army.

In 1847 he was given 640 acres of land for his participation in the battle of San Jacinto. Mrs. Berry was a girl of 18 when she met Berry while visiting in Williamson county. His first wife had died and they were married in 1871. The couple lived for a time in Lampasas county later removing to Callahan county where he died in 1899. Strangely enough this man who has served through two wars met his death in a peacetime accident when a team of horses ran away with a wagon in which he was riding.

Mrs. Mary Langley of Abilene, another of the pensioners of the War for Texas Independence, is the widow of Campbell Langley. Records of the Texas Veterans' Association show that he was born in Tennessee about 1818. He apparently came to Texas for the purpose of joining the Texans in their fight for independence for he arrived in the state in 1836 and enrolled in Silas M. Parker's ranger company. He lived until the 80's near Salado, Bell county.

The other pensioner is Mrs. S. R. Freeman who lives near Elkhart, Anderson county.

There were several freemen in the Texas army, among them Sylvester Freeman.

Provisions for Confederate pensioners.
See DOME On Page Five

Draft Advisors Are Named

Advisory boards to assist registered men fill out the questionnaires which will be mailed to them as their numbers are called were named this week by Judge R. M. Carter. In addition to those named, all members of the Grayson County Bar Association are also eligible to assist in filling out the questionnaires. Such services are free of charge.

Board members for this area are as follows:

Howe—W. B. Wheeler, Will M. McCoy, W. B. Camp and Y. R. George.

Tom Bean—C. H. Lackey, A. S. Luby, and W. M. Pierce.

Farrington—Maurice Miller.

NINETEEN ON TRUCK ESCAPE INJURY IN COLLISION

Nineteen men, women and children riding on a model T Ford truck escaped injury when the truck left the highway after a collision on Highway 76 about four miles north of Howe Saturday night.

The truck had slowed up to pull off the highway when struck from the rear by a light roadster and was pushed from the highway and turned over. The roadster burned. The driver of the roadster was arrested in Sherman for an injured hand.

Occupants of the truck lived in Oklahoma and had been picking cotton for H. E. and Earl King.

COMMUNITY PRAYER AT BAPTIST CHURCH SUNDAY

The community prayer meeting will be held at the Howe Baptist church at 3 p. m. Sunday, G. W. Holloway announces. N. L. Johnson will be leader.

COTTON GINNING 10,000 BALES UNDER 1939

The census report of G. O. Peterson, special agent for the Department of Commerce, shows that 25,056 bales of cotton were ginned in Grayson County from the 1940 crop prior to October 1, as compared to 35,143 bales from the 1939 crop on the same date last year.

BAPTISTS TO MEET IN HOUSTON NOV. 12-15

Houston. (UP)—This city, Texas' largest, will be host to 15,000 delegates to the Baptist General Convention of Texas Nov. 12-15.

This year marks the centennial anniversary of Baptist work in Houston.

The year in 1940 also marks the close of the best 12-month period in the state for the denomination during the last two decades. In intervening weeks before the convention, 3,088 Baptist churches will stress mission gifts in a campaign designated as "The October Roundup," endeavoring to exceed this year's million-dollar budget.

Two large auxiliary meetings will precede the convention proper. The Woman's Missionary Union will meet in a two-day session and will feature the work of Baptists among young people.

The Pastors' and Laymen's Conference will convene at the same time. Three thousand outstanding Baptist ministers and laymen are expected to attend.

THE JUDGE PROBABLY HAD PICKED HIS SHARE

El Paso. (UP)—An El Paso county judge charged Robert Flores with vagrancy and was ready to pronounce sentence.

The man said he could prove he was no vagrant because he was a cotton picker.

"Let me see your hands," the judge said.

The man held them up to the judge.

"I fine you \$90 for vagrancy," said the judge. "Where are those cotton picker's callouses and scratches? You haven't been picking any cotton!"

Swor Brothers at State Fair

Jim and John Swor of the famous Swor Brothers minstrels are shown top, engaging in a none too friendly game of poker between acts. Bert, king of the blackfaces, is posing below. They present all-girl minstrel three times daily at the State Fair of Texas as a free attraction.

READER'S DIGEST TO PUBLICIZE HOWE

Notice has been received that the Reader's Digest will carry a story on Howe in the November issue. The Digest, which has a circulation of 4,000,000 copies, is the third publication with a nation-wide circulation to carry an article about Howe.

159 REGISTERED AT HOWE

A total of 159 men were registered for military duty at Howe Wednesday, it is reported. This number is somewhat larger than was expected, the increase being due to a number of transients who are engaged in cotton picking.

PREACHING AT METHODIST CHURCH SUNDAY

Rev. T. W. Lovell will divide his preaching time Sunday, delivering a sermon at the Howe Methodist church at 11 a. m. and preaching at the Tom Bean church at 7 p. m. This will be the last services prior to the annual conference which begins at Greenville next Friday.

Mrs. G. L. Billingsley and daughter, Miss Gwen Billingsley, of Frankston, were guests of their son and daughter, Mr. and Mrs. Wesley Cox, the first of the week.

Mrs. Edgar Jay spent Sunday in Dallas with relatives.

I. S. Shumat, suffered a hemorrhage of the nose Thursday night.

Celtic News

(By Miss Birdie Sollis)

Mr. and Mrs. Jeff McDaniel had as guests Sunday Mr. and Mrs. Hershel Flowers, Mr. and Mrs. Joe Ham of Sherman and Mr. and Mrs. Floyd Flowers of Providence.

Mr. and Mrs. Charlie Wade of Sherman visited Mr. and Mrs. I. Q. Poindexter Sunday.

Mr. and Mrs. J. E. Thomas and daughters of Dallas visited Mr. and Mrs. G. W. Johnson over the weekend.

Mrs. B. L. Sollis visited Mr. and Mrs. Ector Solis at Farrington Sunday.

Mr. and Mrs. Buster Hollins of Tom Bean were guests of Mr. and Mrs. C. R. Walker Saturday night.

Mr. and Mrs. Truitt Holloway were in Sherman Saturday.

Mrs. Jewell Morrison visited in Howe Saturday.

Bulldogs Take 63-0 Win from Collinsville

The Howe Bulldogs continued their conference title march here last Friday afternoon by defeating the Collinsville eleven by a 63 to 0 score. They also maintained their record of not being scored on this season. The Bulldogs have amassed a total of 144 points thus far.

A new passing combination was uncovered in the Collinsville game, Hestlip to Jones, and accounted for three touchdowns and one conversion after touchdown.

McKINNEY MAN BUYS HOLCOMB DRUG STORE

John P. Hubbard of McKinney has purchased the Holcomb Drug Store and re-opened it for business Tuesday. The store has been closed for the past two months because of the ill health of Miss Buena Holcomb.

Mr. Hubbard has been engaged in the market business in McKinney for the past 20 years. He is not a registered pharmacist but expects to employ one in the near future, he said.

PAGE INDUSTRY FOUNDER GOV. O'DANIEL

El Paso. (UP)—Texas, by far the biggest state in America and noted for its many and varied products, has been the recipient of an unusual request through the El Paso Chamber of Commerce.

The request, made by the Tucson Ariz. Chamber of Commerce, calls for rattlesnake meat.

The Tucson chamber explained that it wants the rattlesnake meat (to be put up in small cans) to give away as souvenirs at the premier of the film "Arizona."

Tucson appealed to El Paso in the belief that Texas surely would have such an industry.

Robert Wilson has enrolled in a Dallas business college where he is taking a general business course.

W. C. Snell visited his brother who is seriously ill in Corpus Christi, this week.

Mr. and Mrs. Ray Henderson and Mr. and Mrs. Bob Green and daughter, Mary Catherine, attended the rodeo at the Huntsville penitentiary Sunday.

Edwin and Edward Luper, students at Baylor University in Waco, spent the week end with their parents, Mr. and Mrs. A. C. Luper.

Jerry Davis, a deputy in the Sherman office of the Internal Revenue department for the past several years, has been transferred to the Texarkana office.

Funeral Saturday for Mrs. Julia Helvey

Funeral services are to be held at 2 p. m. Saturday for Mrs. Julia Alice Helvey, 78, who died at 10:45 p. m. Thursday in a Dallas hospital after a serious illness of two weeks. The services will be at the home of her son, Loy Helvey, two miles northeast of Howe, with whom she made her home. George Henry Stephenson of Sherman, Church of Christ minister, will officiate. Burial will be at Akers cemetery under the direction of C. B. Johnson.

Mrs. Helvey was born Miss Julia Alice McKinney, June 6, 1862 in South Carolina. She came to Texas when a small child with her parents and settled in this community. Her father died during the war between the states. She was a member of the Howe Church of Christ. Mrs. Helvey had been in ill health for several years.

She is survived by the one son; a grand-daughter, Miss Wanda Helvey, a teacher in the Austin public schools; and a sister, Mrs. B. H. Hill of Cleveland, Okla.

Palbearers are to be Roman Stegall, E. R. Brodhead, J. A. Hedrick, J. T. Stegall, Ross Woods, and Sam Cooper.

DOYLE POWELL INJURED UNLOADING LUMBER

Doyle Powell was painfully injured Monday while assisting in the unloading of some lumber at the Foxworth-Galbraith yard. A splintered board fell against his right leg and a large splinter pierced the muscle above the knee. He was taken to a Sherman clinic where the wound was cut open to remove the particles of wood. Several stitches were taken to close the wound.

HOWE SESAME CLUB MEETS WITH MRS. ROY MORRISON

Mrs. Roy Morrison was hostess to the Sesame Study club in her home, Tuesday afternoon. The study subject was "American Monuments," led by Mrs. E. C. Calloway, who spoke on the Washington and Lincoln Memorials. Mrs. Omar Calloway gave a review of Borglum's work in making monuments out of mountains. Roll call was answered by naming of an American sculptor.

Seventeen members were present.

The club voted to entertain the County Federation of Women's Clubs, Saturday, November 16.

Mrs. Cannon George and son visited her mother, Mrs. J. W. Johnson, in Tom Bean the latter part of last week.

Davis Chapel News

By Miss Lois Everett

Mrs. J. D. Brown and daughters, Betty Jo and Barbara Ruth have returned to their home in Hobbs, New Mexico, after a month's visit with her parents, Mr. and Mrs. Evert Moss. They were accompanied home by Mrs. Garland McAfee of Sherman.

Mr. and Mrs. A. D. Jefferies and G. W. Davis were in Sherman Tuesday morning.

Mr. and Mrs. J. S. Ballew and son visited his parents, Mr. and Mrs. Jack Ballew, of near Sherman Sunday afternoon.

Mr. and Mrs. Frank Hayes were in Sherman Saturday.

Mr. and Mrs. S. F. Everett and Lois spent Sunday with Mrs. Desisie Cloud.

Mr. and Mrs. Henry Meek and children of Pottsboro visited Mr. and Mrs. Evert Moss, Saturday.

Mrs. R. L. Wiggins and son, Charles Ronald, and Mrs. S. F. Everett were Sherman visitors Wednesday.

Mr. and Mrs. B. M. Davis of Sherman spent Sunday with his parents, Mr. and Mrs. Joe Davis.

STATE—

Dallas reached the goal of the nation's safest city at 9:50 p. m. Monday, at that time passing 135 days without a traffic fatality. The record is on a per capita basis and is an all time high. Providence, R. I. previously held the record. City officials are now endeavoring to pass the mark for all cities over the 100,000 population mark. This will require a 157 deathless day record.

The mysterious disappearance of Howard M. Pierson, 26, from the state hospital for the insane at Austin on April 16, 1938 was solved last Friday when the youth was arrested in Minneapolis, Minn. Pierson, who killed both of his parents in 1935, was adjudged insane and sent to the institution. He escaped at night and no trace of him had been found until his arrest by a detective who recognized him on a Minneapolis street. He has been returned to Texas and will probably stand trial for the murders.

The Supreme Court of Texas heard arguments Thursday in regard to the ruling of Attorney General Gerald C. Mann that state officials cannot retain their positions while serving in the army.

NATIONAL—

Eight members of the German-American Bund were indicted last week by a New Jersey grand jury for making and permitting speeches promoting racial hatred.

Arguments between A. F. of L. and C. I. O. leaders are threatening to bring on a nation-wide strike of longshoremen. Should the strike be called it would virtually bring to a standstill all ship loading in this country.

Clarence A. Dykstra, president of the University of Wisconsin, has accepted the position of Federal Draft Administrator. The post was offered him by President Roosevelt shortly after the draft bill became law, but was not accepted until this week.

The liners Washington and Manhattan have been ordered to prepare for sailing to the Far East to evacuate Americans who have been advised by the State Department to return to the United States. Transfer of United States army flying fortresses to Great Britain is reported to be in the offing.

Know Your Neighbor

By Mame Roberts

If I knew you and you knew me—
If both could clearly see—
And with an inner slight divine
The meaning of your heart and mine
I'm sure we would differ less
And clasp our hands in friendliness

DAVID GRIFFIN

My attention was first attracted to David Griffin, age 19, Howe high school senior, by his courteous manner. He never seemed to be in a hurry, yet he wasted no time. He had a thoughtful consideration for all in his presence. He possessed a quiet dignity that was not quite in keeping with the average high school boy. I wondered what made him different. I sat down to talk with him and I soon learned that he has a definite plan that he is working toward. He is already an ordained minister and has a pastorate.

He was born on a farm northwest of Howe, and graduated from grammar school at Valle View. He attended Sherman High one year, and then for three years was out of school. It was while he was at home working that he felt the call to preach. He knew that he would have to have education, so he entered the Howe high school and is now finishing his senior year. He has plans made to go to college next year.

David is also interested in music. He plays the piano and sings which he says is a help to him in his ministerial work.

He comes from a sturdy pioneer stock, people who have had an important part in the development of Grayson county.

Little things often make or mar one's success. David's courtesy, his thoughtful consideration of others, may seem unimportant to the average high school boy, but they play an important part in success.

50 years ago this week The Howe Enterprise

VOLUME IV

HOWE, GRAYSON COUNTY, TEXAS,

THURSDAY, OCTOBER 19, 1967

NUMBER 15

HOWE'S THAT ?

These open dates during football season lets everyone get out of shape.

Saw Leon Thornhill exercising his scoreboard button-pushing thumb prior to the Howe-Leonard game here last week.

In case you're already making plans to attend the wedding of Rose Mary McDonough and Richard Chase, it's scheduled for December 21, instead of December 31, as published last week. Only ten days difference in the time, but that's important when Christmas is in between. Our mistake.

Sign on acces road on west side of expressway — "Howe, 1 mile."

And on the other side of the expressway — "Howe 1/2 Mile." It must be farther than it appears from one acces road to the other. And, incidentally, both signs are near the center of town, as is the city limits sign just south of the overpass.

Guess Howe's just spreadin' out too fast for 'em.

PHOOLOSOPHY—

An elevator operator had a rather hectic day and her patience was strained.

"What would happen if the cables broke—would we go up or down?" a lady inquired.

"Madam," the operator sighed, "that would depend entirely on what kind of life you've led"

Howe now has a night club.

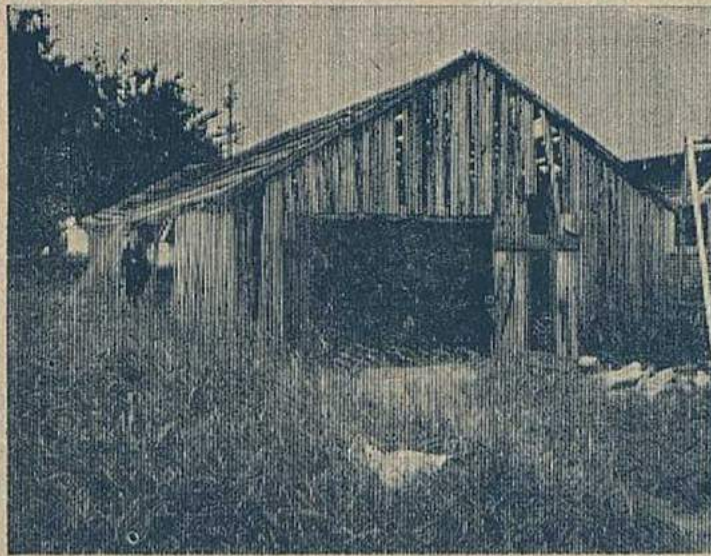

I. Q. Poindexter informed us of this week, during an interesting conversation about the Howe area, past and present.

Mr. Poindexter said a group of ladies recently noted the new brick building under construction on Highway 75 in the north part of town, and, noting a lack of windows in the building, surmised that it is a night club.

Mr. Poindexter says it is — only it's spelled a little differently. Like Knight.

The building will become the new home of the Howe Lodge upon completion.

If your'e planning to send a Christmas package overseas, the gift should be mailed now to insure delivery by December 25. Postmaster Davis stated that packages should be mailed before November 11 if regular postage rates are used. Matches, lighter fluid and similar in flammables are prohibited.

This blacksmith shop, formerly located behind the present Maek's Grocery, was recently razed to make way for a business of a later era, an auto paint and body shop. The blacksmith shop, was supposedly built by Eb Hannah about 1890. V. H. Hazlip operated the shop during its final years.

ALLEN EAGLES HERE FRIDAY NIGHT; BULLDOGS LOSE TO LEONARD, 27-7

Howe Bulldogs will host the Allen Eagles Friday night, beginning at 7:30, in the final pre-district game of the season. The Bulldogs will enter the contest with a 2-3 record, after losing last Friday to Leonard's Tigers, 27-7.

Allen last week defeated the Anna Coyotes, previously undefeated in pre-conference action.

Game Summary YARDSTICK

Howe		Leonard
12	first downs	15
183	yards rushing	227
61	lost rushing	25
4 of 9	passes comp	4 of 12
1	passes intercepted	1
50	yards passing	99
6-33	punts & av.	3-27
5-55	penalties	5-55
1	fumbles lost	0

Score by Quarters:

Howe	0-0-0-7-7
Leonard	6-7-7-7-27

Howe returned the kickoff to their 31, then made four successive first downs in a drive toward the Leonard goal line, with Gary Gray, Lynn Cavender, and Jimmy Watson alternating on five and six yard gainers. Following a first down on the Leonard 20, Howe lost five yards on a fumble and an end run, followed by an incomplete pass for a 4th and 15. Another aerial fell incomplete to end the 50-yard drive.

On Leonard's first series of downs, a third down penalty against the Bulldogs made it 1st and ten from the Tiger 39; three ground plays netted another first at midfield, with another Howe penalty placing the ball on the Bulldog 41 (from place of infraction). Two ground plays netted 27 yards for a first on the Howe 14, with Leonard's

204 fullback, Billy Sagely, scoring two plays later from the 12 with less than three minutes remaining in the quarter. The initial drive by Howe had consumed more than half the first quarter.

Leonard's kicking specialist found the extra point attempt blocked.

The Bulldogs kept possession for two series of downs, when a fumble on third down cost 12 yards and forced a punting situation from their own 32.

Howe assumed possession in four plays on the Howe 27, but Sagely intercepted a pass to set up the second Leonard score. The visitors scored in four attempts, with QB Eddie Brister going over from the two yard line. Successful kick brought the score to 13-0.

The Bulldogs started another drive following the kickoff, at the 27, but the effort fizzled at midfield when an end run lost 12 yards and QB Bill Cloud was dropped for another 13 yard loss on a pass attempt. Watson intercepted a pass early in the third period to halt the Tiger offense, but the Bulldogs were forced to punt to the Leonard 33 on fourth down.

Minutes later, Leonard quick-kicked on third down, only to have the attempt blocked. A fourth down punt was brought back and the Tigers penalized five yards to set the stage for the fourth successive kick by the visitors. The punt was fumbled, with Leonard recovering on the Howe 31. Sagely scored on the third play, midway of the third quarter, with the extra point boot putting the Tigers in the lead, 21-0.

(Continued on page four)

Howe Delegates Attend Convention

Taylor Strawn, Bobby Hamilton and Billy Harrell, Vocational Agriculture teacher in Howe, were among the 10,000 Future Farmers attending the National FFA Convention in Kansas City, Missouri, last week.

The convention is held annually in Kansas City, and this year marked the 50th year of vocational agriculture in public high schools in the United States and the 40th annual convention of the FFA.

Among the highlights of the convention was a 70-minute address by Hubert H. Humphrey, Vice-President of the United States. He commended the FFA

for its outstanding achievements in the fields of agricultural leadership, citizenship and cooperation. Humphrey was presented the Honorary American Farmer Degree which is the highest honor that can be given by the organization.

Taylor Strawn, Star Lone Star Farmer of Texas, son of Mr. and Mrs. E. B. Strawn of route 1, Howe, carried the Texas flag in the presentation of the state flags in ceremonies honoring the Star American Farmer.

The Howe group also attended FFA day at the American Royal Livestock show, Friday, in Kansas City.

HOWE'S THAT

Someone is always coming up with a laugh-provoking sign. If you keep your eyes open you'll see 'em by the dozens.

I've made some notes or read about quips that are worth recounting.

One of some years' vintage that took me a while to make out turned out to be worth the effort. It said simply: KWITCHERBELLYAKIN.

Here are some more: There was a bumper sticker on the back of a young man's jalopy that read: Help stamp out license plates. Go to prison.

In a barber shop window a sign said: Barbershop quartet forming: need bass, baritone and tenor.

A pet shop window sign read: Get a long little doggie. The picture with it was naturally a dachshund.

Another pwt shop has a sign over the canary cage reading: Mother's whistler.

When a nationally-advertised gasoline was promoting "Put a tiger in your tank" we noted a couple of clever competitor signs. One read "We remove tiger fur". Another said: "Put a rabbit in your tank for short hops."

An optometrist's office contained a sign reading "There are two things I'd like to make clear."

On a Cadillac on a used car lot: Like new. Was driven by a doctor who used it only to make house calls.

Bumper sticker: Custer wore Arrow shirts.

Another: Ralph Nader is a four-barreled Car Berater.

On a wrecker: We meet by accident.

A church bulletin board: Come early and get a back seat.

Shortly after the Catholic church ruled St. Christopher was not a Saint, a San Francisco church goods store had a window sign reading: Mr. Christopher medals--50 per cent off.

On a shop selling fireplace accessories: Everything your little hearth desires.

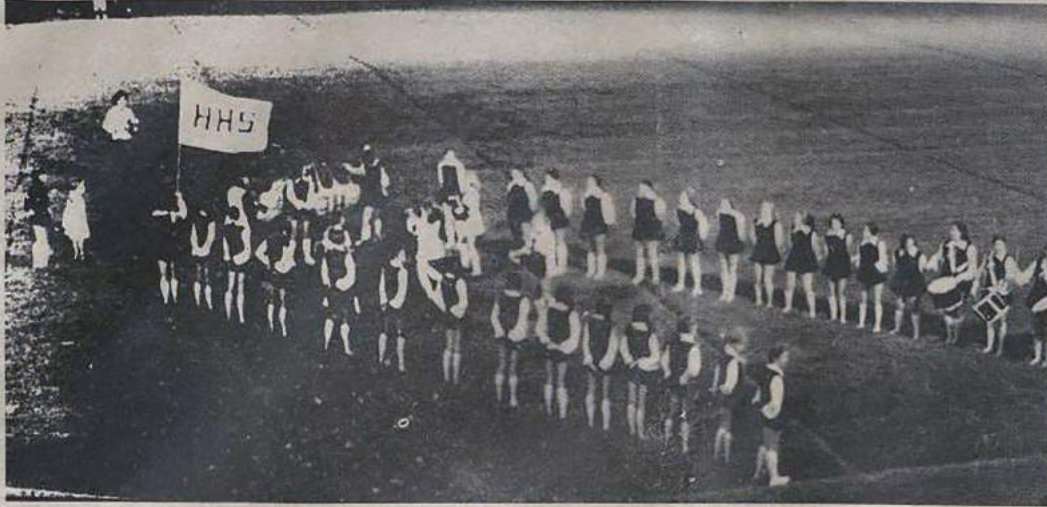

Financial report on Howe's Centennial was still incomplete this week, Chamber President Ray Houston said. Refunds on unused items and the like are holding up the thing, but we will publish a report shortly.

Estimations would be inaccurate, but some of the income figures, include around \$2,200 from the Queen contest, couple of hundred from the bake sale, plus the receipts of the womanless wedding, the concession stand, sale of buttons, hats, ties, etc.

A few more like the bake sale would sure boost the total. Bidding on one cake went to \$30.00, and when the gavel fell, Bob Jensen was still trying to get together some more money to buy the thing, which, incidentally, was made by his wife, Patsy. He must know something the rest of the buyers didn't know. That's unlikely, though, because someone else bought the cake for the \$30 figure.

THE HOWE ENTERPRISE, THURSDAY, OCTOBER 19, 1972--VOLUME IX--No. 15

Howe High School Highlighters, Cheer Leaders and Majorettes provide halftime entertainment at Bulldog football games.

Lloyd Butts Named To Council Seat Vacated By Jimmy Don McMillion

Lloyd Butts, Mayor here for about six months last year, was named to the City Council to fill the unexpired term of Jimmy Don McMillion, who resigned at the last regular session. Butts was named at a called meeting last Thursday night. He will serve until next April, when regular voting for city officials is scheduled. Voting to name Butts to the council were Dwain Roberts, Ralph Muse and Carrie Waller. Councilman Overton Jay and Mayor J. W. Hall, recommended R. L. Cate, based on voting in last city election. Cate, a former council man, received more votes than any of the other candidates defeated in the voting.

cost for new police radios, with the Texas Regional Planning Commission financing the other 75%--
Approved a request for a building permit for renovation of the former feed store building, which will be converted into a recreation area, according to Bill Copeland, who made the request. Included in the recreation will be ping pong, pool, and domino tables, and a snack bar, Copeland said. Copeland said he plans to rework the front of the building and renovate the inside at present. Mayor J. W. Hall read an ordinance regulating pool and domino areas, which set a 9 p.m. closing time for any such business.

Van Alstyne Here Friday For District Game; Whitewright Rambles, 55 7

Last Friday was "Friday, the 13th, but dates didn't have anything to do with the 55-7 defeat of Howe's Bulldogs by the title hungry Whitewright Tiger. Fielding 15 seniors and a perfect season record, the Tigers cruised to an easy victory over the inexperienced Bulldogs in the district opener for both teams.

And Howe will meet Van Alstyne's Panther's on the local field this week without the services of Jackie Monk, halfback, who was injured in a recent game, and Davis Finney, who received a chipped bone in an elbow in the Whitewright game. Monk is expected to return to the lineup in a couple of weeks.

Ronnie Davis and Roger Lanford were also injured in the WW contest, but will be back in action Friday night Coach Dickey said this week.

From the start, the Bulldogs found themselves in a hole, as Whitewright's gifted running back Marvin Arterberry took the opening kickoff on his own eight-yard line and dashed 92 yards for a touchdown. Victor Daniels booted the extra point and the Tigers were leading 7-0 with 11:51 left in the first quarter.

Four plays later, Whitewright had the ball on their own 33-yard line following a Howe punt. Arterberry broke through a hole on the left side of the offensive line and galloped 67 yards to pay dirt. Daniels extra point attempt was wide.

Howe hoped to get some offense going, but Whitewright's Phillip Smith stopped any thoughts of a scoring drive. The 187-pound defensive tackle picked off a Howe pass and gave Whitewright the ball on the Bulldogs' 12-yard stripe.

Two plays later, Whitewright added its third touchdown as quarterback Jimmy Spann found tight end Steve Fortner alone in the end zone, and drilled him with a nine-yard scoring pass. Halfback Joe Ballard carried

the ball over for the two-point conversion.

Scoring slowed down for the next six minutes of play as the ball changed hands four times, but late in the quarter, Whitewright took the ball on their own 44 and three plays later, Arterberry got into the act again as he took a pitchout from Spann and raced around left end for a 38-yard touchdown. Daniels kick was good.

On the next series Howe suffered its first of six fumble losses of the night, and the Tigers' Joe Ballard recovered on the Bulldogs' 43.

Whitewright head coach Charlie Sessom said it was time to retire his starting offensive team for the night, so with the Tiger reserves working, they moved the ball 43-yards in five plays for the score. The scoring play was a 15-yard pass from quarterback Gary Wortham to end Claude Haston. Terry Lewis carried the ball over for the two-point conversion and gave the Tigers a 35-0 lead.

With fourth down and one, Wortham took the honors as he bucked the line for a touchdown, from 18 yards out, with 12 seconds remaining in the half. Daniels kicked the extra point and Whitewright held a 43-0 lead at alltime.

Starting the second half, Howe took the ball and drove down to the Whitewright 30-yard line before a fumble stopped the drive.

Whitewright put another score on the board with 3:10 left in the third quarter. The Tigers took the ball on the Howe 48 and moved to the 34 before Hicks broke through a hole on the left side and dashed 34 yards to paydirt. The extra point try failed.

The Tigers finished their scoring with 11:13 left in the fourth quarter when Gabriel raced 62 yards for a TD. The extra point attempt again failed, but the Tigers were cruising along with a 53-0 lead.

The Bulldogs finally broke scoring ice with 3:13 left in the Tiger fumble on the Tigers' 14 and in four plays moved into score when junior Steve Allison went across from the one-yard line. The try for the extra point was good.

Student Holiday

Friday will be a holiday for Howe school students, Supt. Glen Mitchell said this week. Holiday for the students is the result of a work day for teachers. Classroom work will resume Monday morning.

Debbie Adams Elected FFA Sweetheart

The Howe FFA Chapter met Thursday, October 5th and elected its 1972-73 Sweetheart. The seventy-four boys of the chapter voted Debbie Adams as their Sweetheart. Debbie is the daughter of Mr. and Mrs. Raymond Adams of Howe. Debbie is a Sophomore a cheerleader, and is very active in sports.

There are now seventy-four boys in the Howe Chapter, which makes it the largest Vocational Ag Chapter in Grayson County.

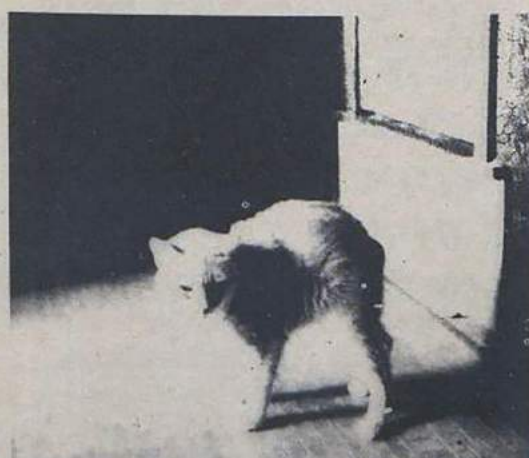

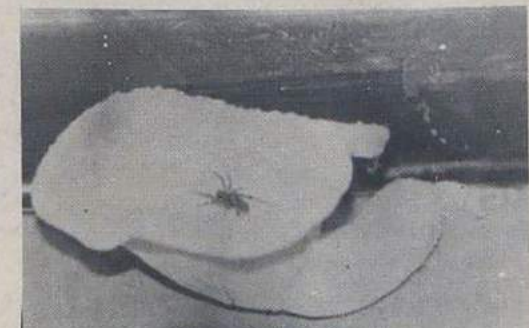

The Chapter would like to thank the public for being as generous and as participating as it was in helping with the magazine sales. There was over one thousand dollars worth of magazines sold. Prizes were given to the two boys who sold the most magazines. Chris Cavender sold the most which was one-hundred and seventy dollars worth, and David Davis who sold one hundred thirty dollars worth.

Veterans Day Holiday Monday

Veterans Day, Monday, October 23, will be observed as a legal holiday by Howe State Bank and the Post Office, officials of the organizations reported this week. Most other businesses will remain open for business.

Agrico Chemical Co. announced the firm would observe the holiday.

Next legal holiday will be Thanksgiving, Thursday, November 23.

ODDITIES--Mushroom-type plant (or animal, upper photo, may not be unusual in certain localities, but it surely is at Howe High School. The plant was noticed by teachers in a room in the middle of the building, growing from under a baseboard. Within a week, it had "mushroomed" into a creature about six inches in diameter. The "thing fizzled a died within a short time. In lower photo, an unusual animal owned by Terry Soechting Troxtell-- a Catabit, age 10. Mother of the part cat and part rabbit arrived at the Soechting home when they lived in Big Spring, in time to give birth to the Catabit. The animal, with a head of a cat, has a "powder puff tail" and back legs of a rabbit, and hops around on its back legs like a rabbit.

Roger Lanford, No. 80, upper photo, prepares to uncork an aerial to Brent Carter after taking a pitch-out from QB Vincent Hash, No. 11, right, while Steve Hollensend protects the passer. Lower photo, Hollensend on an end sweep behind interference. (Enterprise Photos)

SCOGGINS FUNERAL HOME & CREMATORY

36 years ago this week

Howe's that...

WATER-AMENDMENT - One of the more controversial constitutional amendments on the ballot November 3 is the so-called "water amendment", which would set aside part of the state's budget surplus for a "nest egg" to help local communities deal with their water problems.

Critics of the amendment say it will raise taxes, but Governor Bill Clements said, "The truth of the matter is, Texans are more likely to face increased taxes if we DON'T pass Amendment No. 4. That's simply because the surplus will be frittered away every two years with the help of some lawmakers opposing the amendment and we'll end up facing a water crisis down the road that people will demand we take care of, even if it does mean a tax increase."

Two small town mayors spoke out on the issue at a recent meeting in Austin.

Mayor Harry Robinson of Hitchcock, whose community is currently in the midst of an urgent sewage project, put it this way, referring to the state's water development fund: "It's very simple. If there had not been a state fund for us to borrow from, we wouldn't have a sewage project in Hitchcock right now."

"Beyond that, we're saving our taxpayers a great deal of money," he continued. "We do not have a bond rating in Hitchcock. But with the state's help, we were able to obtain financing at a very reasonable cost. We certainly support passage of Amendment No. 4."

Mayor Larry Tonn of Round Rock voiced a similar view in connection with a current surface water project in his community. "The state's funding participation made the difference in our project being feasible or not being feasible."

If voters of Texas pass the amendment to create a new trust fund to help finance the state's water projects, the Texas Legislature will retain control over the monies flowing into that fund. The amendment also would permit cities and towns to back their own bond issues with the state's excellent credit rating, thereby saving millions of dollars in interest costs which would be reflected in water bills to consumers.

SEPTEMBER IN WASHINGTON, D.C. - following is an excerpt of the monthly column by Mary Ellen Hall on life in the capitol. She is the wife of Congressman Ralph Hall and addresses the column to her grandson Jay.

I suppose I have Septemberitis. It must be infectious because the people in Washington, D.C. seem to have it too. There is a quick, silent movement of the feet on the sidewalks. The air is crisp; sweaters and jackets have taken the place of summer clothing; mist fills the air. I believe a new surge of energy has crept into D.C. Individuals feel they must hurry in order to be a part of something new. The month of September must have exploded and sprinkled on everyone a new hope to reach up and out for a better life. I suppose the month of September could be more of a beginning of a new order, rather than an ending. What does it mean to you? Let me list a few things and you check them against your list.

- S - school, sit still, silence, soccer
- E - effort, earn, education
- P - playtime companionship with passing
- T - tall, take time to THINK and say THANKS
- E - energy, exercise (mentally and physically)
- M - many miles, measure, mind, memory
- B - be better, be neat, behave, ballgames
- E - enjoy each experience
- R - respect, response

September is a big month and those words are too numerous to digest, but I believe the word silence would cover most of my feelings about September in Washington, D.C. If one would take a deep breath, turn completely around, think twice before speaking, many times one would remain silent. John Quincy Adams (6th President of the U.S. 1825-1829), well known as "Old Man Eloquent," acquired much of his information by being silent. He discovered (while resting his head on his desk) in the north rotunda that he could clearly hear the whispers from a desk some 50 feet away. At the time of his discovery the then republican party was about to split, and John Q. learned many secrets by keeping his ear in the direction of not so friendly desk. Naturally, the acoustics in the rotunda did lend a helping voice.

A prisoner of war during World War II said, "a word spoken at the right time in the right place is worth one piece of gold, but to keep silent at the right time and the right place is worth two pieces of gold."

USED BOOK SALE

The Friends of the Howe Library will hold a used book sale at the Fall Festival Saturday. Paperback books will be sold at ten cents each.

Anyone wishing to donate books should leave them at the Howe Enterprise office, Clinton Home Furnishings or the Library by 5 p.m. Friday, Oct. 23.

At the Fall Festival the library booth will also be selling memberships in the Friends group which is now a year old. About 106 people joined the group this time last year and more members have been added during the year.

The names of those joining or renewing memberships in the Friends of the Library will go into a drawing for several prizes. Two people will be awarded an airplane trip over Howe. Three people will receive a free 8 x 10 family portrait from George Sappenfield Studio in Sherman. Also to be awarded are free movie passes to the Cinema V at the Sher-Den Mall.

The Friends of the Howe Library has been active during the last year in getting funds for the library and helping to get it open and in operation.

Karen Banner Named Outstanding Future Homemaker

KAREN BANNER

Karen Banner, daughter of Mr. and Mrs. John Banner of Howe, was named Outstanding Future Homemaker of Area V Saturday at the 19th Annual Area V Young Homemakers Convention in Plano.

Karen was sponsored by Howe YHT and she competed with girls throughout the area for this honor. She will now represent Area V at the state YHT convention in Dallas Nov. 13 and 14, competing with other area winners for State Outstanding Future Homemaker. Karen is a senior at Howe High School and involved in many activities.

Elected for Area V Vice President of Awards and Projects was Zetta Smith of Howe. This will be her second year to hold this office.

Arthur Boyle, retired Howe superintendent, was awarded an Honorary Membership to Young Homemakers for his support and assistance. Accepting the award for him was Carolyn

Cavender, Howe ISD board member.

Jean Norman was one of the outstanding speakers at the convention. She reviewed the book, "Lord, Leave Me a Song." Attending the convention were Gaye King, Linda Osborne, Vera Crowder, Lavonna Clinton, Kathy Gunn, Kristy Banner, Carolyn Cavender, Jean Norman, Karen Banner, Zetta Smith and Janie Finney and Jo Etta Penn, sponsors.

London Opposes Nuclear Waste Site

David London, State Representative of southern Grayson County, says that the recently applied for "low-level" radiation temporary storage site application in Van Alstyne is over a year from being seriously considered by the Bureau of Radiation Control (BRC).

The BRC is a division of the Texas State Health Department and is responsible for all non-permanent storage of radioactive waste. "The application for the temporary storage facility," London states, "was made after new legislation was passed by the Texas Legislature this year." London goes on to explain that the new legislation requires the BRC to set up new rules and stringent regulations for temporary storage of radioactive waste, and these rules must

be finalized before any applications would even be considered.

"I am against any low-level nuclear radiation facility to be located anywhere in Grayson County," London adds, "and I will fight any attempt to store low-level nuclear radiation anywhere in my district."

London concludes that he doesn't expect the new regulations to be finalized until the summer of 1982 and that any and all applications will be very closely scrutinized by the BRC for three things:

- 1) Credibility of the applicant;
- 2) Structural soundness and physical safety of the proposed facility; and;
- 3) The application can't be sold to any other group or organization without approval from the BRC.

Library News

The Howe Public Library is proud to announce that over 250 membership cards for checking out books have been issued at the Library. Everyone in the community is encouraged to take part in this service and to help insure the continued growth of the library.

Head Librarian Maxine Willoughby says there are many mysteries, science fiction, and arts and crafts books available. Progress is being made in getting the books in order, but there is still a lot of work to be done. If you are interested in volunteering check with the librarian on Mondays and Fridays.

Due to a change in personnel, the library will be open as usual from 10 a.m. to 5 p.m. on Mondays and Fridays. The hours are somewhat different on Tuesdays through Thursdays - please check at the library, phone 532-6723.

There is place to drop-in due books at the back door. This slot was made for the library by Bill Mullins.

The library is in need of some stoves. If you have one to donate or sell at a good price, please call.

The Arts and Crafts Fair will be held at the Library Saturday, Oct. 24, from 10 a.m. to 5 p.m. A concession stand will also be open. Please come by and visit and support this fund-raising activity.

The Library Board and the Friends of the Library Board will meet Thursday, Oct. 22, at 7 p.m. at the library. All board members should attend.

Library Budget

The Howe Public Library has proposed a budget for the 1981-82 fiscal year from Oct. 1981 through Sept. 1982. Monthly income is \$325 (donation from Howe State Bank, monthly pledges, and from City of Howe).

Expenses total \$743 a month. These are: building payment - \$148; loan payment - \$100; salaries (\$180 plus Social Security); utilities - \$125; office & cleaning supplies - \$50; building maintenance - \$25; postage - \$25; subscriptions to papers - \$15; art & promotional supplies - \$30; and misc. items - \$25.

With \$1,394 cash in the bank from previous fund-raising efforts, a total of \$3,622 will be needed for the whole year in addition to the monthly income amount.

Several people have pledged \$10 or \$5 a month for a year to help the library meet all the expenses. Anyone interested in adding their name to the list for any amount monthly may contact the library, 532-6723.

Fall Festival

FUN FOR EVERYONE!

The Annual Fall Festival is set for Saturday, Oct. 24, from 6 to 9 p.m. in downtown Howe, on Haning St. between Denny and Hughes.

The annual event, sponsored by the PTA, is used by school classes and various civic groups to raise money. There will be lots of games, prizes, eats, and shows to occupy all age groups.

The Volunteer Fire Dept. will sponsor a country-western music program and

a car bash. The Friends of the Howe Public Library will be selling and renewing memberships at \$2.00 each and prizes will be drawn for those new and renewed members.

The SNAP Center will hold a rummage sale. The Junior Class will put on a Variety Show and run a concession stand. There will be a country store, an animal walk and balloon bursts.

A "sweet shop" will feature home baked items. There will be a drawing for a cartload of groceries. Many other activities are set. Everyone is invited to attend for a night of family fun and entertainment.

More Rains Flood Area

Grayson County experienced flooding for the second time in a week when seven-inches of rain were dumped on Sherman early Friday morning, Oct. 16.

All highways leading into and out of Sherman were closed early Friday morning as well as many county roads. Several bridges were washed out. Schools in Sherman, Howe, Whitesboro and other areas were closed Friday due to the rain and the prediction of possibly more rain during the day. Luckily more rain did not come.

Chapel of Care residents were evacuated again, this time using boats as well as school buses.

The total rainfall for the Sherman area last week was measured at 17 inches. Howe was spared from the excess flooding on Friday although the area received a lot of rain.

Several businesses in the Westwood Shopping Center in Sherman as well as home and apartments in that area were flooded.

Cooler temperatures and winds over the weekend helped to dry out the water soaked area.

Good Turn Day

The Howe Scouts will be passing out Goodwill Bags on Sunday, Oct. 25, beginning at 2 p.m. for their annual Good Turn Day project.

All cub scouts, Webelos and boy scouts are requested to meet at the First United Methodist Church at 2 p.m. Parents will also be needed to drive the boys around town.

Howe residents are asked to fill up the bags with reusable items and leave them on your porch the following Sunday, Nov. 1 before 2 p.m. for the scouts to pick them up.

Ole Club

The Ole Club held its first meeting on Tuesday, Sept. 29. Officers were elected and projects discussed.

Officers for 1981-82 are: President Valerie Whitfield, Vice President Kanette Cadenhead, Sec.-Treas. Michelle Kannenberg, and Reporter Scott Taylor.

Projects and activities suggested were a Halloween Costume contest, trips to eat at Mexican restaurants, involvement in the Christmas program, a Christmas party for an elementary school class, selling Valentines and an end-of-year Mexican Banquet.

Members are to pay \$1.00 membership fee and receive a button with the club's name "Ole." The club's main purpose is to keep students involved in the idea of the value of a second language.

Young Homemakers

Young Homemakers will meet Monday, Oct. 26, at 7:30 p.m. at the High School Homemaking Dept. Vickie Cavender will give a program on Fall and Christmas decorations. Vickie recently opened The Strawberry Patch in Howe and will have classes beginning in

November for crafts. Young Homemakers meet every fourth Monday night of the month. Everyone is invited to attend. The organization is sponsored by the Vocational Homemaking Dept. at Howe High School with Mrs. Janie Finney and Mrs. Jo Etta Penn as advisors.

LAST TUESDAY'S RAINS caused flooding in parts of Howe. This house on Tatt St. sits in the middle of a lake! Fortunately the house is on blocks and the water did not go inside the house.

Howe's That . .

DUE TO LACK OF TIME the story on the Howe School Board meeting from Oct. 19 will appear in the next issue of the Enterprise.

SPECIAL BIRTH ANNOUNCEMENT for Amber Nicole Roe, our granddaughter, appears on this page. Two years ago when our first grand child was born, we ran a large photo on the front page. It started a precedent for all the Rideout grandchildren. Anyway, we're kind of proud of this new one too. We think she's pretty cute, and we want to share her with you, our readers.

"BABY HAMMER" - The new grandchild has arrived (as you can see by the photo on this page). Her name is Amber, but "big brother" Jordan calls her "baby hammer." That's about the best he can say her name, but sometimes he gets the "b" in it. He is pretty proud of her. She was only a few hours old on Wednesday morning when he went to the hospital to visit her. He sat down on the small sofa and got to hold her. He liked to rub her fuzzy hair. He also like the little hat she had and he asked about it later when she was no longer wearing it. I guess from now on it will be the "Jordan and Amber Update" when Nana Lana writes about her grandchildren!

Mark Your Calendar

HOWE CHAMBER OF COMMERCE will meet Monday, Nov. 2, at 5:15 p.m. at Howe State Bank. Please use southwest door (near drive through windows). Everyone is welcome.

BAZAAR sponsored by the Howe Methodist Women will be held Nov. 6, 9-6 and Nov. 7, 9-2 at the church. Gift items, baked goods, ceramics, Christmas items, and more.

COMMUNITY MEN'S PRAYER BREAKFAST - Saturday, Oct. 31, 8 a.m. at First Baptist Church in Dorchester. Film: Foundations of Our Fathers.

SPAGHETTI DINNER-BOWLING-SILENT AUCTION scholarship fund raiser on Saturday, Oct. 24, 5-8 p.m. at Star Lanes in Denison. Call 465-2519 for information.

COMMUNITY FALL CARNIVAL at First Baptist Church, Howe, Saturday, Oct. 31, 6:30-7 p.m. in Fellowship Hall with games, prizes and candy for all children. Admission is one non-perishable food item.

COMMODITY DISTRIBUTION Tuesday, Nov. 10, 8:30-11 a.m. Howe Community Center.

HOWE LIONS CLUB meets the 1st and 3rd Wednesday of every month at 6:30 a.m. at the Community Room of Flesher Funeral Home, Howe.

TEXAS WAR ON DRUGS - Red Ribbon Week (Drug Free Communities) is Oct. 24-Nov. 1. Wednesday, Oct. 28, is specified as Red Ribbon Day, but ribbons can be worn all week. Get a red ribbon and wear it!

Band Wins More Awards

by Chris Burk, reporter
The Howe High School Band have added five trophies to their collection after last Saturday's contest.

On Oct. 17 drum major Kent Bearden led the band in an exciting performance of the 1992 marching show with "Voyager," "Flying in a Blue Dream," a guitar solo by Drew Kizer, and "The Planets."

Howe received the following awards: Best in Class 2A, First

Division, Best Overall Horn line, Best Drum Major-2A, and the Best Overall Color Guard (first time for the color guard to win an overall award).

Congratulations should go to everyone in the band. Battling October winds has been tough, but the band has persevered throughout the marching season. Improving with every practice, they prepare for contests at Mesquite and Huntsville.

Dogs Shut Out By Pilot Point, 39-0

With 430 yards rushing, the Pilot Point Bearcats dominated the game Friday, Oct. 16, against the Howe Bulldogs as the Bearcats won, 39-0.

The Pilot Point quarterback completed only 1 of 4 passes for the night, but that was for a 39-yard TD scored on Pilot Point's first possession of the game with 8:04 left in the first quarter.

Howe came back on their possession and moved to the Bearcat 30 before punting on downs.

The Howe defense held the Bearcats on their next possessions. In this the Dogs were aided by two major penalties on Pilot Point, one for holding and another for an ineligible receiver.

Then Pilot Point intercepted a Bulldog pass at the Howe 44 and used 10 plays to score again on a 5-yard TD run with 4:30 left in the first half. Pilot Point was also able to score on their next possession on a 92-yard, 8 play drive capped by a 43-yard TD run with 28 seconds left in the half for an 18-0 lead.

Howe began the second half gaining ground when quarterback Brian Freese completed a 29-yard pass to Stephen Dedman at the Bearcat 32. A personal foul penalty on the Bearcats moved the ball to the 16 where play stalled out for the Dogs and after a couple of incomplete passes, Pilot Point took control at their own 20. Using 7 plays, the Bearcats scored on a 1 yard run and added a 2-point conversion for a 26-0 lead with 6:08 left in the third quarter.

Freese completed an 11-yard pass to Jay Carson, but play stalled out at the Bulldog 31. Pilot Point took the punt at their own 36 and used 2 plays to score on a 64-yard run with 3:15 left in the third period. The kick failed.

Freese completed passes of 10 and 32 to Carson and Jeremy Francis respectively to advance play to the Bearcat 23 and Freese kept the ball for a first down at the 13 where the Dogs were again stopped short of the goal.

Pilot Point ended the scoring for the night with an 89-yard, 12

play drive capped by a 4-yard run with 3:48 left in the game. A successful kick made the score, 39-0.

Howe had one more chance to score when four plays later the Bearcats fumbled on the punt and Jason Boaz came up with the ball for Howe on the Pilot Point 13. Francis caught a pass for 9 yards and Carson carried the ball to the 3 for a first down, but the Dogs were pushed back to the 5 and a couple of passes fell incomplete as the game ended.

Freese completed 9 of 29 passes with 1 interception. Stephen Dedman caught 2 for 49 yards; Jay Carson caught 4 for 34; and Jeremy Francis caught 3 for 32. Rushing was led by Ogle with 28 yards on 17 carries and Carson 18 on 9 carries.

Despite the team's 1-6 record, Coach Joey McQueen is pleased with their hard work. "The kids have never quit," he stated. "I feel like we've been in every game with the exception of Van Alstyne. We understand the situation we're in and we just want to try to come up with a win in these last three games."

Offensive player of the week is Stephen Dedman. Defensive player is Jay Carson.

STATISTICS

	Howe	Pilot Point
1st downs	11	22

Ghost & Goblin Patrol Gets Ready For Halloween

The Howe Police Reserves will be in out full force the night of Halloween. There will be extra patrols and officers on duty to help slow down traffic so children may have a safe Halloween. The extra officers will be called the "Ghost and Goblin" Patrol.

These patrols will be handing out candy to the children. A dispatcher on duty at the Howe Police Station will also be handing out treats for the children.

The intent of the Howe Police Reserves is let children know that the police are around the help and advise them and that police

officers (and reserves) are not the "bad guys."

Parents are urged to accompany their children and make a family night of it. Children are urged to wear bright clothing and carry a light stick or flashlight. And parents should check their children's candy.

The Howe Police Reserves is a non-profit organization. All candy is being donated by support groups.

So make a night of it, starting at 6:30 p.m. the Ghost and Goblin Patrol will be out, and the police station will be open. Come see us and visit for a while.

Fire Dept. Annual Report

The Howe Fire Department has 19 active members who participate in the State Firemen's and Fire Marshals' Association of Texas (SFFMA) training programs, reports Howe Fire Chief Lee Nichols.

Nichols has served on the Howe Volunteer Fire Dept. for the past 9 years and was recently elect to serve as chief. At the Oct. 16 City Council meeting he presented the 1991-92 annual report from the fire department.

Nine members are currently certified as Basic Fire Fighter by the SFFMA and are progressing towards Intermediate level certification. In addition the HVFD has one volunteer who is also a paid fire fighter certified as Intermediate Fire Fighter by the Texas Commission on Fire Protection.

The HVFD protects an area of approximately 70 square miles, five of this is within the city limits of Howe with the remainder in Dorchester and the unincorporated area of Grayson County.

The HVFD has six vehicles:
1-1250 GPM triple combination pumper with a water hauling capacity of 500 gallons.
1-500 GPM triple combination pumper with a water hauling capacity of 500 gallons.
1-100 GPM grass/brush truck with a water hauling capacity of 300 gallons.
2-350 GPM tank trucks with a water hauling capacity of 2150 gallons. These can also be used for grass/brush fires.

1 rescue/command vehicle that carries miscellaneous tools, first aid equipment, and manpower when needed. At larger incidents it is used as a command post.
Leadership of the department consists of one chief, two assistant chiefs, three lieutenants, and one training officer.

Training for the department is received through several means: Annual summer fire schools at Texas A&M at which 32 hours of training are received per member.

Con't on page three

Where Are They Now?

by Rose Peters

Oct. 8-11, Scottsdale, AZ. What a beautiful place! The scenery is so breath-taking! As you come into Scottsdale, there are mountains surrounding the city, as well as the colorful desert. The colors change as the days wears on from pastels to the deep jewel colors. Sunsets are magnificent to behold.

We also enjoy seeing all the different cactus. The Saguaro cactus, standing straight with "arms" open wide, is the grandest of all. There are so many different types, including the barrel cactus, the pincushion, and the abundant prickly pear. Everywhere you look there is another type of cactus. Of course there are palm trees everywhere, which is nice.

The architecture is very much like the area. Everything reflects the desert. The shopping plazas are built like adobe homes, complete with tile roof. The houses are built low to the ground as adobe homes with garden fences of adobe. The garden are again different cactus and flowers. It's very pretty to look at, this city of Scottsdale.

The place where the rodeo is held is called West World. At the front driveway, there is a huge sculpture of three horses running. The restaurant is called Rattlers.

There is a polo field. The rodeo is held in the covered building. There are several smaller outside arenas and a big barn where we had a banquet for the awards to be given after the rodeo. The whole complex is very unique.

This is my last article for this year. I appreciate Lana Rideout for this opportunity. I have grown a lot. I really appreciate you the readers so much. Your support has been a tremendous boost to my attempting to write. I can't forget my "wind beneath my wings." Duane, you are my inspiration and friend. Thank you to everyone.

Howe's That

The City of Howe will hold their monthly city council meeting tomorrow evening at 6 pm. The time has been changed to 6 pm instead of what used to be the customary 6:30 pm time.

Those of you that are readers of The Howe Enterprise know what the different colored boxes are that are being painted on the wall on Denny Street across from the post office. I would imagine that those that don't know find it a little less than appealing and frankly quite ugly. I assure you that when it's all said and done, it'll be something all of Howe can be proud of.

It is officially basketball season now for the Howe youth programs. Now that each Howe Youth Football team has been eliminated from the playoffs, the youngsters will now focus on the indoor hoop. The pom poms will be exchanged for high-top sneakers. Although, the 3rd and 4th grade football team will get to suit up together one last time on November 9, when they travel to Arlington to play at AT&T Stadium. They are raising money for the trip by selling raffle tickets for an iPad mini.

Fall Festival attendance way up from 2013

Jennifer Adkins tries the football throw

In one of Howe's oldest traditions, Howe's Fall Festival was held at the parking lot of Charles R. Thompson Gymnasium on Saturday evening.

Many people noticed that the attendance was up heavily from last year. Saturday was the 28th

consecutive year that the event was held on Roberts Street. Prior to that, the event was held in downtown Howe.

Kids young and old enjoyed everything from the pencil pull to the haunted house in the gymnasium.

Record breaking night for Howe in 48-12 win over Tom Bean

Photo by Michelle Carney

The Howe Bulldogs (3-4) not only got back in the win column by dominating Tom Bean on Friday night, but they did it in style with a record-setting performance.

Before Friday, no two Bulldog ball carriers had ever rushed for over 250 yards in the same game.

That changed when Anthony Hawthorne rushed for 292 yards and teammate Stratton Carroll tallied 266. The Bulldogs set a team rushing record with 589 yards.

Tom Bean's Daniel Jackson actually started the scoring barrage on Friday night

Howe Marching Band receives first division ranking

The Pride of Howe maintains First Division Ranking

The Howe Marching Band received First Division Ranking for the 31st time in 33 years dating back to the fall of 1981.

"That's pretty incredible," says Band Director Angie Liss. "We kind of take them for granted around here. People expect that, but it's not easy. When you think of everything that has to come together to happen to get that."

The competition was held in Princeton
