

## Howe's That

by Monte Walker

Sheriff Gary not only has been a dedicated law man for our country and our county, but he has also been a protector of our community. While growing up in this town, the Gary family were never far away. Whether attending First Baptist Church of Howe or having Mrs. Gary as my fifth grade teacher, they were always full of class, honor and integrity in so many ways. When Keith Gary became Sheriff Gary, it was a proud moment for Howe as 'one of our own' was doing a remarkable thing for the betterment of people - once again.

To Sheriff and Mrs. Gary - I think I can speak for this community of Howe when I say, thank you for all you've done and thank you both for being treasures to this city.

On the flip side, a new Sheriff rides into town, but he also has deep connections in Howe. Sheriff Tom Watt was sworn in last Thursday and I also would like to thank you and your wife and family for your time spent in Howe and being actively involved in our school, sports and all things Bulldogs. I'm not sure what it is that makes Howe a necessity for the position of sheriff, but I like it.

Sheriff Watt - may God bless you and your family and keep you safe as you protect this county and our city.

## Bulldogs looking up; take down Bowie, 38-13

Fans of the Howe Bulldogs didn't know what to expect from their team in the home opener on Friday night. After the 42-14 drubbing by Gunter the previous week, Howe had a chance to make a statement about the future of their football team. They did so in fine fashion by looking like the team that fans have come to know since midway through 2014. Not only did Howe's 38-13 win over Bowie send echoes throughout North Texas that the 'Dogs weren't down this year, but with Gunter's 37-21 win over Pottsboro Friday night, it sent a message that maybe the drubbing by Gunter wasn't as bad as it may have seemed.

Above left: Tyler Grisham points to the sky after scoring. Above right: The team celebrates the victory. *Enterprise Photos by Michelle Carney*

The Bulldogs won the toss and deferred to the second half giving Bowie the early start on offense. But Howe quickly held the Jackrabbits to a punt and the 'Dogs took the ball at their own 29 yard line with 9:59 left in the first quarter. The 71-yard drive

ended over four minutes later when Brent Master got a great block from Tyler Grisham that sprung him 30 yards for the game's first score. Howe led 7-0 after Brice Honaker's PAT. Bowie's next possession

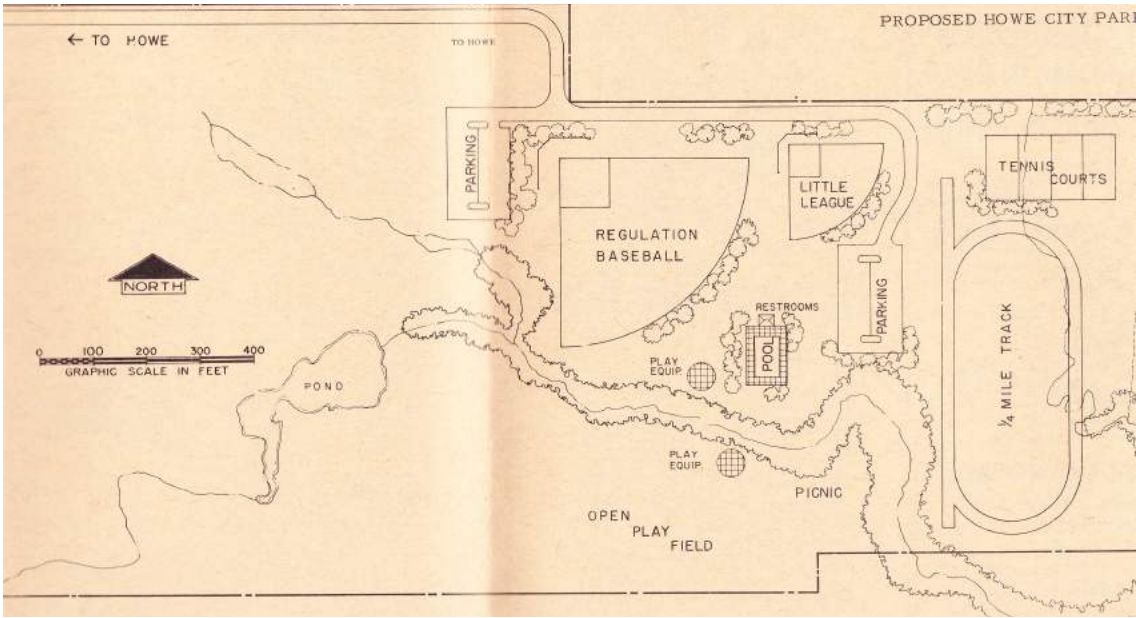

would end on a Cooper Akins interception that gave Howe the ball at the Bowie 30 yard line. The Bulldogs took advantage of the short field and Grisham would eventually score from a 3-yard touchdown

## City seeking grant for new park

A plan for a park that has been in the works for many years is once again being dusted off and tried again. The first attempt at creating a city-owned park in the 45 acres southeast of downtown took place back in 1972 but never materialized. Another attempt took place eleven years ago and great efforts were made by the Powell and Sollis families among others.

Back in 2005, then Howe City Councilman Brian Ross stated to the the *Herald Democrat* that the city and administration were working on building the Casey and Dot Jones Memorial Park on the 45 acres of land that the city

Original master plan of park published in the Howe Enterprise in 1972.

purchased in 1999. The property is located at the east end of Davis Street, east of the railroad tracks.

Back in 2005, dirt work for walking trails were offered as donation from those interested in seeing the park

come to fruition. Plans for the park in 1972 included a public pool, two youth ballfields, tennis courts and a full size track. The plans in 2005 did not include a public pool, track, or tennis courts. But when the global housing crisis did a

major number on the City of Howe in 2007, all plans for the park were lost and the city went into financial survival mode and even found themselves with a new mayor and new city administrator in 2008.

Howe's Brent Masters (17) headed for a 30-yard touchdown.  
*Enterprise Photo by Michelle Carney*

with 2:25 remaining in the first quarter. After Honaker's PAT, Howe led 14-0.

Bowie would start their next possession at their own 36 yard line and would march the field. The eventual 64-yard drive started in the first quarter and finished in the second with a 10-yard touchdown run by Jackrabbit quarterback Brandon Hutto. Overall, it took only 3:42 to narrow Howe's lead to 14-7.

Howe's next possession saw the punt team on the field for the first time since the Gunter special teams woes. Brandon Wall came out and booted a 24-yard punt out of bounds and Bowie took possession at the Howe 48 yard line. Bowie would also be forced to punt which gave the 'Dogs the ball at their own 33 yard line with 8:30 left before the half. The 67-yard drive would end 6:01 later when Jaden Matthews scored his first touchdown of the night, a 2-yarder that gave Howe a 21-7 lead with 2:29 until intermission.

Bowie spent the remaining two minutes burning their timeouts, Howe's timeouts and eventually the first half clock. Howe went to the locker room with a 21-7 lead.

With Howe deferring to the second half, Matthews wasted no time getting things going in the second half. The kickoff bounced past him where he retrieved it back at the 16 yard line. From there he raced up the far sideline, south to north, for the 84-yard touchdown. Honaker's PAT gave the 'Dogs the 28-7 lead with just :16 run off the clock in the second half.

The Howe defense continued their dominance on Bowie's first possession forcing a punt which gave the Bulldogs the ball at their own 41 yard line at the 10:36 mark. Mason Riggs got the ball on an end-around and would throw the ball down the field which appeared to be intercepted by the Jackrabbits, however Howe receiver Ty Harvey took the ball away from him for a 22-yard gain.

# Retirement party held for Sheriff Gary

Sheriff Gary visits with Howe City Administrator Joe Shephard at his retirement reception.

A "Who's Who" of Grayson County Deputy Marshall in the Eastern District of Texas." showed up at the west courtroom of the old Grayson County Courthouse on Wednesday afternoon to pay homage to the 20-year veteran Grayson County Sheriff Keith Gary. The reception was held to honor the man who has served in that capacity since 1996 as well as United States Marshall prior to that. Several individuals stood up and gave speeches about Sheriff Gary, but none were more impactful as was the one from his son, the Honorable Judge Brian Gary.

"This story kept going through my mind." said Judge Gary. "The story goes - dad was going to a night class one night (in the 1960s at Louisiana Tech) and what does he see? He observed a few white guys were refusing to let a young black man to go to school. He told me that never again would he allow something like that go on in his presence. I also remember that dad became Marshall when I was about five years old. One of the fondest memories I have is getting to know dad and some of his deputies. But the one I remember most was Andy Williams, a big ol' black guy - huge. Andy Williams was the first black man to ever be hired as a

Judge Gary began to tell the audience that it was his father who hired Williams. Not because he was black, but because he was qualified for the job and his father decided to give him an opportunity.

"That sticks with me because it tells me about his ability to treat people fairly. He won an award for hiring women and minorities. This man doesn't need an award for that because he's done it his entire career. He wasn't hiring women and minorities because some government program told him to do it. He was doing it because that's the way he rolls. He was a conservative person who was willing to take those types of risks back then."

Judge Gary then finished the story by explaining that Williams eventually fell in trouble and his father had to let him go.

"So the lesson I took from that is currently what I do everyday now." said Judge Gary. "Sometimes you just have to make tough decisions and you've got to do it anyway

## Park *continued from page 1*

Recently the city has contracted the services of grant writer Terri Wilson and the city has identified the 45 acres as an opportunity to create a city-owned park with ideas of walking trails, football field that could double as soccer field, bleachers, scoreboard, pavilion with a concession area and eventually a fishing pond.

The city will be submitting for the Texas Parks & Wildlife Small Community Grant that is due on October 1. It is a \$75,000 grant that requires matching funds. The matching funds can come from in-kind donations such as labor and materials. In example, one Howe citizen has expressed interest in building a pavilion on the property. The cost of that structure would go towards the \$75,000 matching portion of the grant.

The City of Howe will hold a public hearing on September 20 at 6 p.m. at 700 W. Haning Street regarding the park.

The grant is available in multiple phases and once the first phase is complete, they will be pushing towards phase two which also can be used with matching funds of donated materials and labor.

The name of the park is planned to be the Casey and Dot Jones Memorial Park.

City officials will be seeking out those who were interested in donating dirt work back in 2005. For those interested in donating labor and materials, contact Monte Walker at the Howe Development Alliance at 903-532-6080.

Bulldogs

Ty Harvey gets up after an improbable catch at the 11 yard line.  
Enterprise Photo by Michelle Carney

Moments later, Honaker would pooch through a 22-yard field goal, his first of the year. Howe led 31-7 with 2:41 left in the third quarter.

On Bowie's next possession, they raced 91 yards and took 4:57 off of the clock before Jackrabbit running back Gary Mosely punched it in from the 2 yard line. The two point conversion failed and the score was 31-13 with 9:40 left in the game.

Howe would start their next drive at their own 29 yard line but a quick Wall would fumble giving Bowie the ball at the Howe 32 yard line at the 9:20 mark. Jackrabbit quarterback Hutto took a shot and came out of the game to be replaced by Dustin VanWey. The Bowie offense sputtered and turned the ball over on downs which gave Howe the ball back in nearly the same position they fumbled at their own 31 yard line.

The 'Dogs put together one final drive to cap off the evening which ended on Matthews' second rushing touchdown of the night. The 2-yarder capped off the 69-yard drive and gave Howe the 38-13 final score.

Howe moves to 1-1 on the season and have now scored 52 points on the season and given up 55. Howe will play Muenster next Friday night for homecoming. The Hornets are 2-0 having beaten Valley View, 51-0 and Pilot Point, 35-12. Muenster is coming off of a 13-2 record where they were one game away from the state title game getting beat by Bremond in the semi-final round.

# Sheriff Gary

continued from page 3

The Keith Gary family present at the reception on Wednesday.  
Photo courtesy of Kathy Aaron

because it's the right thing to do and let the consequences be what they may. That's what my dad taught me."

The reception began with a briefing from Clyde Seidman listing the accomplishments of Sheriff Gary and presented a flag previously flown over the State Capitol on behalf of Representative Larry Phillips.

"May God bless you and your family and may God bless Texas and the people that you served with distinction and honor." Seibman proclaimed.

Grayson County Judge Bill Magers stated that he wouldn't be standing in the room without Sheriff Gary.

"What the taxpayers of Grayson County don't know is how much money this man has saved them over the years." said Judge Magers. "With the jail at the airport and the county jail renovations, this guy has done to save taxpayers dollars than anyone I know."

Magers went on to state that when Sheriff Gary ran for office one more time in 2012 he made a great sacrifice.

"Our county would not be in the great shape it's in today if he had not stepped forward one more time and answered the bell one more time with this community." said Magers.

Justice of the Peace, Rita Noel then told the story that while at the sheriff's office, they always had donuts and Sheriff Gary's favorite was coconut.

"One day I ate it and I had to write a Dear Sheriff letter." explained Noel. "Even in my letter I told him that I would pack my stuff."

Noel then presented Sheriff Gary with two coconut donuts.

Grayson County District Attorney Joe Brown said that Sheriff Gary made him feel welcome as a young man sitting in a big office. "From the first day that I walked over, not exactly sure what I was doing at that point, I shook his hand and said, 'I want to do what I can for you and I hope you'll help me.' He's been a friend to me. He gave me creditability. He could have looked at a young man and said, 'I've forgotten more about law than you'll ever know.' But he didn't. He's not that kind of man. He's a man of integrity."

Sheriff Gary was also thanked by several others including a former Sheriff's Deputy and a former U.S. Marshall.

In Sheriff Gary fashion, he addressed the audience and talked mostly about his family, introducing them one-by-one. He also thanked his administrative staff and all of the deputies, investigators and staff.

# Fulenchek gets first win of season

Garrett Fulenchek

Former Howe Bulldogs starter Garrett Fulenchek had a sold performance last Sunday for the Hudson Valley Renegades to earn his first victory of the season. Fulenchek threw two scoreless innings in relief while striking out four and allowing only one walk and one hit.

The tall right-hander has an ERA this year of 5.24 thank in part to one outing where he gave up five earned runs in only one-third of an inning. Without that game, Fulenchek has only allowed five earned runs in 15 innings. Overall, he has walked 14 and struckout nine hitters.

Fulenchek has been great in each of his last two outings combining for four innings pitched, striking out five and walking only one.

## Howe producing development map

The Howe Development Alliance is working on a development map to use to attract home developers, commercial developers and retail businesses.

The map is being produced by Aerial Focus and will include Howe's extraterritorial jurisdiction (ETJ) and Ultimate Growth Boundary. It will have water,

sewer, landmarks as well as zoning.

"We are just about the only city around that doesn't have a development map." said Howe's Economic Development Director Monte Walker.

The map is scheduled to be ready by early October.

176 E. JEFFERSON ST.  
DOWNTOWN VAN ALSTYNE  
M-F 6AM – NOON | SAT 7AM – NOON

# Faith by Debbie Wallis

“For the word of God is living and active, sharper than any two-edged sword, piercing to the division of soul and of spirit, of joints and of marrow, and discerning the thoughts and intentions of the heart,” Hebrews 4:12.

A two-edged sword is sharp and in comparison, God's word is even sharper. It can make a distinction between a soul (the heart or the mind, will and emotions) and a spirit (God given to search for Him) and between a person's thoughts and their intent. God's word is able to penetrate to the heart of a person and cause a change. Unlike a physical sword that causes scars, God's sword heals emotional scars. "Now when they heard this, they were cut to the heart," Acts 2:37. Simply meaning they knew it was true. The living word is quick and can change a person in an instant. A two-edged sword is considered dangerous because it can cut the person using it just as easily as the person they are using it against. When the Bible is used as a weapon to point out the flaws in another person, the person using it often finds himself convicted by the same word. His word exposes and judges. His word goes deeper into our hearts than we can go ourselves. It's impossible for a Cardiac Surgeon to operate on himself! “For it is shameful even to mention what the disobedient do in secret, But when anything is exposed by the light, it becomes visible,” Ephesians 5:12-13. His word does surgery on the depths of our thoughts and intentions. God in His mercy,

sees our hearts and exposes just what He knows we can, and should, submit to Him. I think we would hide and run if God exposed our shortcomings all at once. He is gentle and uses His surgeon's sword with mercy; little by little like a surgeon with a patient facing multi-operations. The stronger we grow in faith and the more we are in His word the more we desire to change....He changes our heart. His plan is for us to grow and mature in His word so we are quick to lay our sin nature down just by a whisper from His Holy Spirit. His word is the source of the greatest love, peace, joy, and freedom that we can know in this life. It hurts for a moment but sets us free forever. His word brings you to the greatest humility through seeing the depths of our corruption. His word heals us and restores His nature in us.

When we read the Bible with a desire to know what His word has for us, we cannot escape conviction. His word challenges us to examine the things we dwell on. God desires our moral truths to be consistent with His Word. Don't resist the correction of the Bible, the light of God's Word will expose and convict so we can become more like Him. When the book of Hebrews was written, the church faced a very strong possibility of persecution. The author was warning them about the temptation to deny their faith so that they could live more comfortably. It's a tough world out there today, and the church faces persecution just as it was then. Our culture demands us to be politically correct instead of Jesus correct and co-exist in this world with evil. The path of a Christian disciple can be treacherous. But, the same Word that confronted the church during the times of the New Testament is the same, unchanging, infallible Word that confronts us today. It is living, it is active and it is convicting. God's word is alive and it does what He has set it to do; bring Him honor and change us to be more Christ like so we can be a witness of His great love. His word is the Truth and will always remain the same. His word is timeless. It will never be “out of touch” with today's society. Today's society is out

of touch with God's Word. There are many Christians who do not read their Bible or they read their Bible to decide what they will and will not believe. It is ALL His word, inspired by His Holy Spirit. The Old Testament warns; “Do not add to what I command you and do not subtract from it, but keep the commands of the LORD your God that I give you,” Deut 4:2 and in the New testament “And if anyone takes away from the words of this prophetic book, God will take away his share of the tree of life and the holy city, written in this book,” Revelations 22:19.

As I study and research for this column I am always convicted by the words I read. I've read the Bible from cover to cover many times in my life. I can't stand to watch a movie twice unless it's been a lifetime ago! But I crave more of

God's word and I always learn something new, something that I never put together in the same way, something that God exposes to me...and also things He has brought me through that I can give Him all the praise for.

“Therefore, get rid of all moral filth and every expression of evil, and humbly receive the word planted in you, which can save your souls. Be doers of the word, and not hearers only. Otherwise, you are deceiving yourselves. For anyone who hears the word but does not carry it out is like a man who looks at his face in a mirror and, after looking at himself, goes away and immediately forgets what he looks like,” James 1:21-24.

If you don't have a Bible please contact me at [sfadebbie@yahoo.com](mailto:sfadebbie@yahoo.com) and I will provide you one.

Learn about antiques and collectibles with Dr. Georgia Caraway

When are plastic items not ordinary? When they are made of Bakelite or Catalin. These early extraordinary plastic items are highly sought by collectors. After more than 30 years of collecting objects made by one or the other of these companies, I still find it is almost impossible to tell the difference between unmarked Bakelite and Catalin objects.

A short history lesson: Dr. Leo Hendrick Baekeland patented Synthetic Resin Bakelite in 1907. This resinous material was produced in black, brown, butterscotch, yellow, green, blue, and red. Omitting the pigment produce a transparent or translucent effect often called apple juice. Made from formaldehyde and carbolic acid (phenol), Bakelite would not dissolve in any solvent, was acid proof, and a poor conductor of electricity.

For the first 10 years or so the resin was used primarily to make electrical and automobile insulators and heavy industrial products. Then novelty and jewelry makers purchased tubes or blocks of the material to be carved into bracelets, scent bottles, flatware, napkin rings, and a myriad other household and personal products.

In 1930, the Catalin Corporation

perfected a more highly refined phenol formaldehyde. Using a cast resin formula enabled Catalin to add 15 colors to the original Bakelite colors, as well as the now famous marbled effect. The clock in the photo has this marbled effect. The Catalin Corporation is responsible for nearly 70 percent of all phenolic resins that exist today. By the mid-1940s, Lucite and Plexiglas had entered the market and underpriced and outdated Bakelite and Catalin as the plastic of choice.

Unless you want to have a chemical analysis performed, I wouldn't be too concerned with the composition or whether some object is Bakelite or Catalin. Most dealers/collectors use the generic term Bakelite for all these items, and I would bet that most of them couldn't tell the difference.

Prices have skyrocketed since the 1970s and 1980s. A bracelet that once cost \$2.00 in 1934 today may cost as much as \$300.00.

Repro alert: Recrafted items are being made by recycling parts of 1930s Bakelite items into new designs. Watch for these pieces of "Fakelite."

## Texas History Minute:

Dr. Ken Bridges

It started as a quiet morning in September. It quickly became a nightmare. The horrors of September 11, 2001, are burned into the memories of Americans. As the nation approaches the fifteenth anniversary of the atrocity, communities across the United States pause to remember the lives lost. In addition to the losses shared by the entire nation, six Texans also lost their lives.

When the World Trade Center was dedicated in 1973, it was a marvel of modern architecture. The two main buildings, referred to simply 1 World Trade Center and 2 World Trade Center, stood at 1,368 and 1,362 feet respectively, and were the tallest buildings in the world. It redefined the skyline of New York City and attracted attention from across the globe. It also became the target of threats in the years before that terrible day. The Pentagon, located just outside Washington, DC, and the heart of America’s defense command since 1943, was also targeted and struck.

Jimmy Nevill Storey of Katy, born in 1943, had been an executive visiting his company’s office at the World Trade Center that morning. He was described as a doting father and grandfather. He loved reading mystery novels and history books. Michael Tinley was a 56-year-old Dallasite, also an executive. Those who knew him recalled how friendly he always was. Neither made it out of the building.

Barbara Olson was a Houston native born in 1955 and graduate of S. P. Waltrip High School. She had attended the University of St. Thomas in Houston and received a law degree from Yeshiva University in New York. She had become a nationally known attorney and TV commentator

before her death.

Daniel Martin Caballero was born in Houston in 1980. As a youth, he would often dismantle his electronic toys, and once in the navy, he became an Electronics Technician Third Class. Described as dedicated, he had worked at the Pentagon for two years, mostly arranging the equipment for videoconferences. Caballero had planned to return to Texas to visit family that following weekend.

Lt. Col. Karen Wagner, born in 1961, had spent her life in the army caring for others as part of the medical corps. Wagner grew up in a military family in San Antonio. In her position at the Pentagon, she helped organize where medical personnel would be stationed.

Lauren Catuzzi Grandcolas was born in Bloomington, Indiana, in 1963. She was raised in Houston and graduated from Stratford High School in Houston before attending the University of Texas. She had taken a number of jobs before becoming a marketing expert for Good Housekeeping and was working on a self-help book for women. In addition, she was three months pregnant with her first child. She was devoted to many charitable causes, trying to help others. She was returning from her grandmother’s funeral when she boarded United Airlines Flight 93. She worked with other passengers in an attempt to retake the airliner, taking time to call her husband on the ground. Passengers were able to retake the plane just as it was crashed into a quiet field in Pennsylvania. Since her passing, her family has established a scholarship in her honor at Stratford High School and a foundation to provide money for different charities.

The memories of the nation of that terrible day are filled with the reminders of fear but also of the courage that kept more lives from being lost. Memorials across the nation give testimony to not only what was lost but to

# Howe 8U Lady Bulldogs win softball tournament

The Lady Bulldogs show off their championship rings

Howe's 8U Lady Bulldogs recently took part in the 1st Annual Ronnie Partridge Memorial softball tournament in Bonham. The Lady Bulldogs played against select and all-star teams from Sherman, Denison, Bonham and Van Alstyne and finished first in the tournament by run-ruling all of their opponents and collecting championship rings.

"The girls played fantastic all day long." said Head Coach Jay Bryant. "I couldn't ask for a better group of girls and coaches."

Bryant said that it is a very talented and special group of girls that battled the heat and faced anything that was thrown their way.

Players on the team were Kamry Snapp, Kai Hudson, Emmaleigh Sweeden, Kenzlee Jones, Riley McCollum, Macie Bryant, Drew Amaro, Hayden Brunner, Tori Williams, Natalie Lamb, and Braylee Gallion.

Assisting Bryant were Carrie Hudson, Ryan Snapp and Zack McCollum.

## American Red Cross offering free smoke alarms installations

The American Red Cross is asking every household in America to join in taking two simple steps that can save lives: check or install smoke alarms and practice fire drills at home.

If you need a free lifesaving smoke alarm, call 903-465-1330 for an appointment or fill out the request form below and email it to [donna.meierpfeifer@redcross.org](mailto:donna.meierpfeifer@redcross.org). A Red Cross representative will contact you within two to three weeks to schedule an installation time and to

create a home fire escape plan with your family.

The American Red Cross and its partners have launched an initiative that aims to reduce deaths and injuries caused by home fires by 25% in five years with the Home Fire Project.

On average seven people die every day from a home fire. On average 36 people suffer injuries as a result of home fires every day.

## Smoke Alarms Save Lives!

Did you know that if a fire starts in your home, you may have just *two minutes* to escape?

If you need a free lifesaving smoke alarm, please fill out the following form and email it to [Donna.MeierPfeifer@redcross.org](mailto:Donna.MeierPfeifer@redcross.org)

## New Sheriff in town

Sheriff-elect Tom Watt signs documents to make him Sheriff Watt.

With Sheriff Keith Gary now officially retired, the Sheriff-elect Tom Watt officially became Sheriff Watt on Thursday morning in front of a large audience in the same room that saw the retirement reception for Sheriff Gary the day prior.

Sheriff Watt won the election back

in April over others seeking the position, such as David Russell and Howard Day.

While Watt served his first official couple days on the job last week, he has been on the job all summer with Sheriff Gary preparing for the transition.

Dogs

## Howe fifth and sixth grade beat Blue Ridge, 25-16

Ryan Hough on his way to a 60-yard touchdown reception.  
*Photo by Victory Light Sports Photography*

## Howe third and fourth grade beat Whitewright, 24-7

The Howe third and fourth grade Bulldogs traveled to Whitewright on Saturday to take on the hometown Tigers. Whitewright would score on their first play of the game with a 50 yard sweep and the Bulldogs found themselves trailing 7-0 in the first two minutes of the contest. It would only take the 'Dogs about the same time for tailback Braden Ulmer to show the Tigers why some coaches say "he's the fastest nine-year old in Grayson County" as he took off on a 65-yard scamper to the end zone to get the 'Dogs within one of the Tigers and trailed, 7-6.

Howe would come right back at the Tigers as quarterback Garren Lankford hooked up with Parker

Daniels for a 10-yard touchdown pass that gave the Bulldogs their fist lead of the day and a 12-7 lead at the half.

The Bulldogs' Garren Lankford would receive the second half kickoff and return it 70 yards to put the 'Dogs up 18-7.

Howe would score again in the fourth quarter with another run by Ulmer between the tackles untouched in the secondary to close the game 24-7.

The 'Dogs are 2-1 on the year and lead the league in scoring after week 3. They will travel to Bells this coming Saturday to play the Trenton Tigers at 10:30 am.

Howe's fifth and sixth grade Bulldogs move to 2-1 on the season with a victory over Blue Ridge on Saturday, 25-14. Blue Ridge beat Howe two years ago to keep the Bulldogs out of the league's Super Bowl.

Blue Ridge scored first taking an 8-0 lead but Howe answered right back. Facing a 4th and 14, quarterback Austin Haley found receiver Ryan Hough for a quick slant that turned into a 60-yard touchdown. The point after was no good and Blue Ridge led 8-6.

Howe's next possession took place with just seconds left before the half. Haley once again found his receiver and Hough scored as time expired in the first half. The point after was also no good and Howe took a 12-8 halftime lead.

On the Howe possession opening the second half, Rowdy Kuykendall made an exception catch to keep a drive alive on 4th and 10. Cooper Jones turned a

sweep into a 37 yard gain, but the drive stalled out three plays later.

In the fourth quarter, Tate Harvey would race 15 yards for the team's final offensive touchdown. He also converted the extra point to give Howe the 19-12 lead.

The defense was outstanding again and Haley intercepted a pass and raced 23 yards for the pick-six to give Howe the final score of 25-12.

Howe will take on top-ranked Bells at S&S this Saturday at 10:30 am.

### Stats

**Passing:** Austin Haley 5-8-1-89

**Rushing:** Cooper Jones 8-47, Tate Harvey 9-29, Ryan Hough 1-29, Austin Haley 4-(-6)

**Receiving:** Ryan Hough 2-71, Rowdy Kuykendall 1-13, Tate Harvey 1-5, Cooper Jones 1-0.

## HFD Fireworks Show successful

The Howe Volunteer Fire Department's Firework Festival took place Sunday night with a 45-minute display of massive amounts of displays in the sky. A good crowd was on hand at Howe High School. This was to make up for the event postponed July 4 weekend.

## Howe K-2 beats Trenton, 39-13

Howe Kindergarten-second grade hosted the Trenton Tigers Saturday, September 9. Trenton scored the first touchdown of the game, but the Howe Bulldogs fought back on the third play of their first drive with a touchdown by Riken Cross.

Bulldogs were leading by the half, with the help of the defensive line consisting of Austyn Navidad, Noah Fox, Hank DeLavan, and Jordan

Farmer. In the second half, there Emerson Stevens caught a touchdown pass. Kendall O'Brien ran a kickoff return for a touchdown in the fourth quarter. Extra point was scored by Samantha Fuhr. Howe won 39-13 which puts them 2-1 on the season.

Howe travels to Trenton this Saturday to play the Whitewright Tigers at 1:30.

The Howe Enterprise

VOLUME II

HOWE, GRAYSON COUNTY, TEXAS, SEPTEMBER 3, 1964

NUMBER 10

PEOPLE

By Mame Roberts

BOB CLOUD

Nothing gives Howe, and Howe schools a feeling of greater pride than to know former pupils are making good in their chosen professions. Another name is added to the honor list.

Bob Cloud, who attended Howe schools, has chosen the educational profession. He is now principal of one of the largest elementary schools in the Dallas school system, where he stands high in professional ability and successful administration.

Bob was born and reared in Howe. From the first-grade up, he made himself known as a bright, fun-loving youngster. He was a pal to the young and old alike. He called them by their first names and they liked it. Miss Beuna Holcomb, a cultured and proper, sedate woman was "Beuna" to Bob. He was one of her favorite friends. He knew everybody in town. He was interested in their problems, even when he did not understand.

After his graduation from high school, he graduated from North Texas State University and then did post-graduate work at SMU.

He has taught in the Dallas schools all his teaching career. He has recently gained fame for introducing in his school the Burleson "Fight Against Malnutrition," which has three definite objectives: "To encourage less absenteeism from the school; to work for higher academic achievement; and to make healthier and happier children."

The Texas Outlook, the official publication of the Texas Teachers' Association has published a complete story of this plan, its organization, and accomplishments in the March issue, 1964, page 24, as an example for other schools.

He is the son of Mrs. Neva Cloud Davis and the late Bryant Cloud. His brother, Bill Cloud, who also gained fame in the athletic field, is now a Howe business man. Bob and his family live in Dallas.

HOMEMAKER

BUSINESS WOMAN HAS NEW TITLE

Mrs. Joseph O. Tolbert, homemaker and business woman, has a new title. In September she begins work as "Woman's Consultant" at the new Howe State Bank.

Howe State Bank president Mr. Cleon Hamilton announced the appointment this week. He said that Mrs. Tolbert helped with the opening of the new bank on May 23, 1964 and has been working as teller since that time.

Mrs. Tolbert contends the American woman today must be an informed woman. The American woman must be alert in a changing world faced with threats of war and that her vision must be broad.

The native Tennessean will be able to help women in the Howe area with any banking problem as well as acting in an advisory capacity to women in holding meetings- socials, fashion shows, beauty culture seminars, and in other cultural progress areas. Many of these meetings would possibly be held in the new air conditioned Howe State Bank Community Room.

This busy homemaker-business woman keeps up with current events, but she says her greatest source of courage and inspiration is the Bible.

Mrs. Tolbert thinks there is nothing surprising about being put in such a position as Woman's Consultant at the bank, but says it is exciting to her because she likes people so much.

Mrs. Tolbert was born Juanita Sharp in the beautiful Powell Valley of upper East Tennessee and attended school there. While in high school she won the right to

Mrs. Juanita Tolbert

represent the State of Tennessee at the World's Fair in Chicago. Also throughout her elementary and high school days she won several hundred first place blue ribbons for her sewing, canning and homemaking at the Tennessee State Fairs.

Upon graduating from high school she entered the University of Tennessee at Knoxville and majored in home economics. While there she was chosen as a "Miss Tennessee Beauty."

Later she worked for the U. S. Government in the Army Payroll Division in the Pentagon in Washington, D.C. and from there went to Oak Ridge (The Atomic City), Tennessee, with the Tennessee Eastman Corporation.

She was transferred from Oak Ridge to Albuquerque, New Mexico, where she was employed by the people who built Kirkland Air Force Base.

When the Kirkland project was finished she decided to stay in Albuquerque with the Midland Specialty Company and was an executive secretary to the state manager.

While in Albuquerque she met and married Mr. Joseph O. Tolbert, a Grayson County native. Since that time she has had extensive experience as an executive secretary, bookkeeper and business woman.

Mrs. Tolbert is the mother of two 'teen-age daughters, Jonita, 15; and Tanda, 13; and is an active member of the First Baptist Church in Howe.

NOTICE

The Howe State Bank will be closed Monday, September 7th, Labor Day.

A KINDERGARTEN FOR HOWE?

With Howe's growing population the need for a kindergarten has arisen. This Kindergarten would be for any child who will be eligible to enter the first grade next year.

If you are interested, please contact either Mrs. C. C. Jones, 532-3285 or Mrs. Chas. Thompson, 532-2545, immediately.

CHURCH NEWS  
BAPTIST

W.M.S. MEETS

The Women's Missionary Society of the First Baptist Church met recently in the home of Mrs. Rice Milner with twelve members and four guests present. The guests were Mrs. Frances Long, Mrs. Gerald Hickox and Rev. and Mrs. Simons, pioneer missionaries from Minnesota.

Mrs. Long gave a report on her recent trip to the WMU mission work at Glorietta, New Mexico.

Rev. Simons showed slides and gave a report on their work in the pioneer mission field in Minnesota.

Refreshments were served by the hostess.

BAGBY CLASS HOLDS MEETING

The Bagby Class of the First Baptist Church met recently in the home of Mrs. L. B. Bell for their regular monthly meeting. Mrs. T. T. Doggett, class president, was in charge of the meeting and led the business session. Mrs. Bell the class teacher brought the devotional.

Mrs. W. W. Reeves was in charge of the social hour, after which refreshments were served by Mrs. Bell.

PRIMARIES HAVE PICNIC

The Primary Department of the First Baptist Church Sunday School met at the Cherry Street Park in Sherman for a picnic recently.

The boys, being the losers in a recent contest, furnished the sandwiches for the group. Mrs. Glyn Hestand is superintendent of the department and she and the teachers served the picnic supper to the forty attending. Games were played.

CLINIC BUILDING PROGRESSING

We went with Mr. Bill Mayo to see the new clinic building being erected on the south side of town. The roof will be completed by the time we go to press. It certainly will be a nice when completed central heat and cooling, rooms for everything, plenty of parking area, and a nice quiet place on high ground. An ideal place for a clinic. Now for a good doctor or doctors to use it.

HOWE GIRL TEACHING IN ARKANSAS

Miss Sue Thompson of Howe will teach food and nutrition at Arkansas State Teachers' College, Conway. She formerly taught Home-making in the Iowa Park school system.

Miss Thompson received her B.S. degree from Baylor and the M.S. from Texas Tech, Lubbock in food and nutrition.

Mr. and Mrs. George T. Townley of San Antonio and Mrs. Claud Gresham of Greenville were week end guests in the home of Mr. and Mrs. Carl Wilson and Carlene. Mrs. Townley is a niece of Mrs. Wilson and Mrs. Gresham a sister.

On Sunday the Wilsons entertained with a family dinner.

Mrs. W. B. Francis and her sister, Mrs. Ruth Hardy of Pauls Valley, Oklahoma have been on an extended visit and trip with their brother, R. F. Hollingsworth, through Colorado, Arizona and New Mexico.

The Howe Enterprise

THE HOWE ENTERPRISE, THURSDAY, SEPTEMBER 2, 1971--VOL. VIII--No. 7

Where will it stop?  
Following passage of the first of the civil rights acts, came open housing and all that — which simply meant you couldn't sell your house to just anybody, if somebody else wanted to buy it. In essence, it took away rights of some and created more of what the act was supposed to eliminate — discrimination.

And the more recent discrimination — kids can't go to the school of their choice — unless it happens to have enrolled a certain percent of white, black, yellow and red students. If the balance is not right — it's to the buses for a trip to the other side of town, or county, to make sure everyone exercises his rights.

This all goes back to the open housing bit — since the minorities didn't give a hoot about moving next door to the majority, we'll haul them across town and mix 'em up in the schools.

Where will it end?  
If the trend continues, better get ready for a larger family.

Busing is not the end. Well, if you're in the majority in any given area, you may have to adopt a kid of all the minority groups —you can't discriminate and have all of one breed.

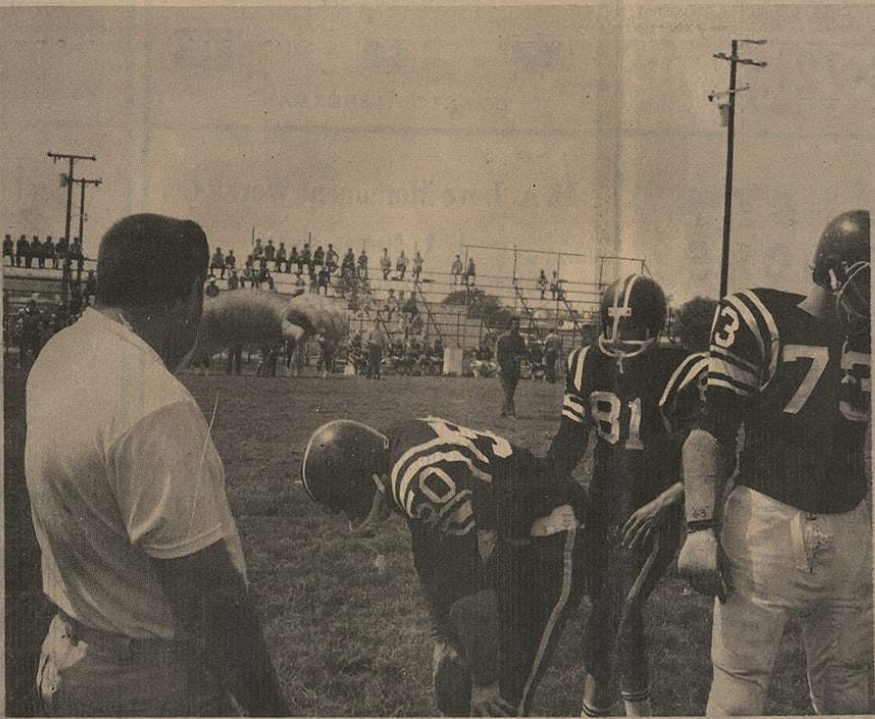

Next time the Cowboys are playing in Dallas, and the game is "blacked-out" on channel 12 — Ray Bledsoe can still get the game from Ada, Oklahoma.

Only thing is — his wife gets tired of standing on the roof holding the antenna, according to Ray.

What with all this stock fraud scandal involving everyone from the governor down through the ranks (allegedly) back in the good ol' days, the country governors did things a bit differently. Take the following gem from out of the past:

There was one Texas Governor who was noted, or notorious, for his free (?) use of the pardoning power. It is said that when a relative of a convict visited him to plead for clemency, the governor would point out the window and remark: "There's a very nice bull out there; how much will you give me for him?"  
The bull was reportedly sold 87 times — was still grazing in the governor's corral when the administration ended. Incidentally, he was elected on the promise to put the penitentiary on a paying basis — and he did!

Monday is Labor Day — a day to honor the working man. Do it. If it were not for him we couldn't afford all these government programs.

FOOTBALL COACH Norman Dickey, left, offers pointers to three Howe gridmen during a scrimmage game here last Friday with Leonard. Players are Davis Finney, No. 50, Roger Langford, 81 and Steve Underwood, 73. Underwood missed most of the action last season due to an injury in the opening game with Anna. The Bulldogs meet Anna here next week for the season opener.

Bulldog scrimmage game Friday

Howe's 1971 Bulldogs scrimmage Whitesboro at Whitesboro Friday night as a preliminary to the season opener next week against Anna here. The scrimmage will begin at 8:00 p.m. B-team will scrimmage Gunter Saturday night on the local field.

Coach Norman Dickey said Wednesday morning that 39 of the original 43 who began practice sessions two weeks ago remain on the squad.

Nine of the players are returning lettermen headed by halfback Robert Trotter, the speedster Dickey hopes will be the key to Howe's success.

Other outstanding players among the lettermen are Steve Underwood and Lenny Gray. Underwood is a 225-pound senior tackle while Gray is a 200-pound senior guard. Dickey hopes the three seniors will combine their talent and lead the Bulldogs in another season of victories.

Larry Baker and Kenneth Schneider at guard, David Finney at center, Robert Langford at end, John Holcomb at tackle and N. Holt at fullback round out the lettermen squad.

Among the most outstanding newcomers are Steve Allison, Randy McGill, Gary Troxtell and Donald Pierce.

Complete schedules, seventh grade through varsity:

Exempt hunters need special stamp

Texas Parks and Wildlife officials have cautioned Texas hunters who are exempt from hunting license requirements, that a special stamp must be purchased to hunt whitewing doves next month.

"Anyone who hunts whitewings must have a stamp," said James U. Cross, executive director of the department.

The special stamps will be available from all regular license outlets and department offices in the Rio Grande Valley.

All Stars defeat Whitewright

The Little League All-Stars defeated Whitewright No. 2 first place winners in a play-off game Saturday night, 3-1.

Pitchers were Tim Smithart of Howe 1, Bobby Robbins of Tom Bean and Randy Matthews of Howe2

Tim Wilson of Pottsboro led the hitting with two doubles and a triple in three trips to the plate. Each members of the All-Star team was presented a trophy by their coach, The Howe 1 team also presented Coach Jimmy Sutton with a trophy as Coach of the Year."

The All-Star team was coached by Tom Brookshire of the Howe 2 team, assisted by Harold Taylor and Tom Bean Coach McCorkle.

Saddle Club trail ride held Sunday

The Van Alstyne Saddle Club had a trail ride Saturday afternoon, leaving the arena at 4:30 and riding over fields, hills, across creeks and gullies, arriving at Hynds lake for a covered dish supper. There were 29 riders participating and about 20 others for the meal.

The club participated in a relay race at Blue Ridge Sunday afternoon. Riders included John Noe, Don Armstrong, Harry Gaither, Dude Crook, Edwin Wesson, Billy and Wes Beaumont and Richard Davis.

BOARD ADOPTS NEW BUDGET

Budget in the amount of \$375,450 was adopted by members of Howe school board in a called meeting Monday night. Figure is an increase of \$25,000 over last year's figure.

Increase this year is credited to additional salary expenditures, and before the ink was dry on the new estimation of expenses, members were forced to hire an additional first grade teacher, after Supt. Charles Thompson said there were 68 youngsters

in the first grade. No classroom is available for the additional grade.

Summary of the new budget lists \$28,246 fund balances from last year; with estimated revenue set at \$375,450.

Expenditures in the budget total \$372,978, showing a balance in 1972 of \$30,718.

Fund balances as of September 1 included: State and County available, \$1,437; local maintenance, \$118; transportation, \$8,911; interest and sinking, \$14,487, and building fund \$3,293.

Revenue will include \$120,416 from local sources, \$252,978, state sources, and \$2,000 from federal sources.

Breakdown of expenditures shows: administration, \$22,744 instruction and supplies, \$254,526; health services, \$150, pupil transportation, \$9,800; operation of plant, \$24,000 maintenance of plant, \$2,500, and fixed charges, (insurance etc) \$1,250; total \$314,970. Food service will add \$1,100, capital outlay, \$5,500, and debt service (bonds, loans, etc. \$51,-908.

Assessed valuation of the district is estimated at \$6,643,689, with \$1.85 tax rate. \$1.15 of the tax is used for maintenance, with 70c going to the interest and sinking fund, debt service.

New first grade teacher to be hired

Hiring an additional first grade teacher was approved by school board members in a called session Monday after it was determined that 68 youngsters are currently enrolled in that grade. Although a classroom is not available for the extra grade, a partition will be added in the new elementary building to provide a teaching area, board decided.

Supt. Thompson said the current school enrollment stands at 610, with an additional 40 in kindergarten.

Roger Langford, 81, Nick Holt, 30, Robert Trotter, 20, and Lenny Gray, 64, are visible in this photo during last Friday's practice session with Leonard. Coach Tommy Skipworth is at right.

Football Tickets

Football tickets will be on sale until noon Friday, Sept. 6, at the Howe High School office, the Howe Middle School office, and at Howe State Bank. Prices for the tickets are \$2.00 for students and \$2.50 for adults. At the gate all tickets are \$3.00.

Howe's that...

NANA LAMA UPDATE

Babies and children can sometimes do something that will make your day - a special smile or look. Jordan is no exception. I really like it when he grins at me and holds out his arms for me to take him.

Recently my husband and I were babysitting. When Jordan's dad came to pick him up, Jordan had a big grin on his face and just about "jumped" into his dad's arms. It's a good feeling, but also an awesome responsibility. That little guy is depending on us (mom, dad, grandparents, aunts, uncles, etc.) to love and protect him and teach him what he needs to know to make it in the world. It reminds me of something I saw recently: a photo of a sleeping child with these words written underneath - "Fragile - Handle With Prayer."

Bulldog Battles Begin

Howe Bulldogs will begin their 1991 football season in a pre-district game against Leonard Friday, Sept. 6, at 8 p.m. at Bulldog Stadium.

The varsity team includes 14 seniors, 9 juniors and 2 sophomores. Coaches are: Joey McQueen (athletic director), Billy Hill, Vernon Richardson, Steve Simmons, Tim Rose, Tracy Beaty, and Tim Smithart. Managers are Carter High and Jacob Holcomb and student trainers are Shaun Ebey and Charles Basden.

The cheerleaders are sponsored by Tina Yates and include Jennifer Troxtell (head),

Jennifer Bronnenberg, Amy Campbell, Heidi Keene, Amy Walker, Stacy Bronnenberg, Hilary Johnson (Spike) and Janet Middleton (Spike Jr.).

The Howe Highlighters drill team is sponsored by Bettye Mullins. Officers are Pam Lankford (captain) and senior lieutenants Wendy Earls and Krissy Griffin.

The Bulldog Marching Band is directed by Elmer Schenk and Sharla Powell is drum major. Anita Schenk directs the flags.

The JV football team will journey to Leonard for a 6 p.m. game today, Sept. 5.

Where Are They Now?

by Rose Peters

Aug. 16-18: We enjoyed a fun-filled week at Gordon, Neb. Gordon is located in the northwest corner of Nebraska. The townspeople were excited about the remodeling being completed: a new mural on a building as you come into town, new sidewalks with planters and trees, new striping on the streets. On Sept. 14 they plan to celebrate with a block party.

We always enjoy Gordon, but more so this year. Roy and Lavonda Ross of Denison came up for their vacation. Lavonda's Aunt Winnie and Uncle Alfred joined us as well. We got to do a lot of visiting as well as some shopping.

There are always two concerts during rodeo week. One on the Thursday before the rodeo; the other Saturday night

after the second performance ends. Something happened during the first concert that Roy still says we had something to do with. Lori Morgan had the first concert. If she looks out into the first row and sees someone there just sitting with arms crossed, not clapping or anything, she brings that someone up on stage with her.

Guess who was chosen? Roy Ross of Denison. All of us were laughing, especially Roy's wife Lavonda, until Lori had Roy bring his wife up on stage as well. We enjoyed it very much. However, for Diffie's concert on Saturday night, Roy put our chairs toward the back - not on the front row.

Next we go back to Missouri - Ashland, Mo.

Rendezvous At Powder Horn

An Old Fashioned Rendezvous is set for Sept. 13, 14 and 15 at the Powder Horn in Southmayd with a welcome for "all mountaineers, skimmers, trappers, traders, flatlanders, squaws and youngins," according to Mary McGill.

Local schools are invited on Friday, Sept. 13, for demonstrations at 10 a.m. and 2 p.m. with sight seeing before or after.

On Saturday, Sept. 14, the camp is open to the general public. To participate in any event you must be in pre-1850 costume. Saturday events include mountain man walk, kids knife and hawk throw, adult rifle, pistol, hawk and knife, an kids games. Saturday evening the Pittsburg County Choctaw Inter-Tribal Indians will dance.

There will be primitive and modern day camps. The camp fee is \$10 per family or per camp of one or two adults.

Clown To Appear At Library Open House

The Howe Community Library will be open from 6-7 p.m. on Tuesday, Sept. 10, during the PTA Open House. Everyone is invited to drop by and see the library. A clown will be there to give away candy and book-marks to all youngsters. Parents are encouraged to come see the library's new look.

Cub Scout Pack 45 plans rally for boys grades 1-5

By Ken King  
Cubmaster  
Howe Pack 45

A world of excitement and adventure awaits you. Swimming, hiking, bowling, roller skating, handcrafts, camping, and field trips to all sorts of interesting places. Does that sound like fun?

Well, the Cub Scouts is just for you. All boys who are first, second, third, fourth, or fifth graders and their parents are invited to attend a special Cub Scout Rally to be held at 7 p.m., Thursday, Sept. 5 at the Howe High School Cafetorium.

Cub Scout Pack 45 has over 30 members currently and they are seeking new, exciting boys to come join their fun. Leaders of the various Dens have been planning for months for an action packed year of Cub Scouting.

The Pack has recently completed its summertime activity schedule. Cub Scouts went bowling, swimming and had a pizza party. For this, Cub Scout Pack 45 won the National Summertime Pack Award from the Boy Scouts of America. Each boy who participated in the summer events will receive a pin to wear on his uniform.

Plans for the Pack 45 fall schedule include a booth at the Howe Fall Festival, a miniature golf party, and riding in the Sherman Christmas Parade. These activities are in addition to the regular monthly Den meetings at which the Cub Scouts learn handcrafts, songs, skits, games, and more activities in addition to special field trips to the newspaper, television station, the Denison Dam, and other activities.

Leading the pack this year as Cubmaster is Ken King. Assistant Cubmaster is Dan Cox. Committee Chairman is Gail Troxtell and committee member is Debbie Freeman.

Den Leaders include Brian and Marti Hendricks for the Tiger Cubs.

SEE YOU AT THE POLE  
For all youth in the community.

What is "See You At The Pole?" A prayer gathering, led by students... Christian students from junior highs and senior highs all over the United States are being encouraged to meet around the flag pole or their own school campuses at 7 a.m. on Sept. 11, 1991 to pray for the students, teachers and administrators in their school.

HOWE HIGH SCHOOL  
FLAG POLE  
WEDNESDAY  
SEPTEMBER 11, 1991  
7:00 A.M.

Taxpayers Association To Meet Sept. 10

Grayson County Taxpayers Association will meet Tuesday, Sept. 10, at 7 p.m. in East Jury Room of the old Grayson County Courthouse, Sherman.

According to John Elkins, GCTA secretary, "This is a critical time of the year and all taxpayers are urged to attend the budget meetings/hearings of their schools, city, the county and college. Tax increases in

excess of three percent must be subject to public hearings. Increases beyond eight percent are subject to taxpayer's petition to roll-back elections."

Elkins urges all taxpayers to take a more active part in what "little local control" remains.

The GCTA meeting is open to the public.

HOWE CUB SCOUTS ENJOY MANY ACTIVITIES

Cub Scouts from Howe Pack 45 participated in several activities in recent months. Top, a picnic followed a swimming party at Sherman's Hawn Pool. Bottom, they participated in Sherman's "Support the Troops" parade. Future plans include a booth at the Fall Festival, a miniature golf party and riding in the Sherman Christmas Parade. (Photos submitted by Ken King)

Tiger Cubs is designed for first grade boys and their "Parent Partner." A parent must accompany each Tiger Cub to all functions.

Leading the Wolves are Geri King and Terri Cox. Wolves are for boys in the second grade. Third Graders are in the Bear Den and are led by Ted Mahler, Jana Schneider, and Kathy Puckett.

Fourth and Fifth Graders are called Webelos Scouts. They are led by Tom and Sandra Signer and Ken King. The Webelos program is designed to prepare boys for entering the Boy Scouts. Webelos Scouts involve themselves in more outdoor and camping activities.

Although a boy may never have been in Scouting, they may join at any time at any grade level and still complete all the requirements for advancement.

Parents are encouraged to attend any and all functions of the Cub Scouts and new leaders are always welcome.

Persons needing more information may contact Ken King, 903-476-5817; Dan Cox, 532-6615; or Gail Troxtell, 532-6958.
